## **Making Them Pay How To Get The Most From Health Insurance And Managed Care:**

**Making Them Pay** Rhonda D. Orin, 2011-04-01 Most people don't understand health insurance and insurance companies know it. Unfair denials, late payments and hopeless confusion are the norm. At last, there is a solution. In eight easy steps, *Making Them Pay* gives practical advice about the things that drive people crazy. Like Figuring out what health plans really say. Understanding what benefits they provide. Finding and understanding the exclusions. Determining what health plans really cost. How to talk to customer service and other painful details. Easy ways to keep good records. Laws that can change your life like the mandatory benefits laws in all fifty states. How to prepare successful appeals. Along with this useful advice, *Making Them Pay* offers a much needed sense of humor. It's filled with cartoons, sidebars and vignettes that will make you laugh as you learn. Based on Rhonda D. Orin's extensive experience as a litigator, a journalist and a mother fighting her own family's insurance battles, *Making Them Pay* is the book your health insurer doesn't want you to read. A compact reference that simplifies a convoluted subject. Medicaid Managed Care United States. Congress. Senate.
