JOANNA PHOENIX

# **Making Sense Of Prostitution Today**

**John Geoffrey Scott, Christian  
Groves, Victor Minichiello**

## **Making Sense Of Prostitution Today:**

**Making Sense of Prostitution** J. Phoenix,1999-03-08 This book provides a compelling analysis of the conditions in which women are sustained within prostitution in Britain at the end of the millennium Based on a major empirical study it is a unique glimpse into how some women who live lives completely torn apart by poverty violence and criminalization are able to understand their lives in prostitution and make sense of the choices they make including their involvement in prostitution in their struggles to survive

**Making Sense of Prostitution Today** Joanna Phoenix,1997 [Making Sense of Sexual Consent](#) Mark Cowling,Paul Reynolds,2017-03-02 The issue of sexual consent has stimulated much debate in the last decade The contributors to this illuminating volume make sense of sexual consent from various conceptual standpoints socio legal post structural philosophical and feminist The volume comprises a range of studies all based around consent within a specific context such as criminal justice homosexuality sadomasochism prostitution male rape learning disabilities sexual ethics and the age of consent It is the first collection to publish exclusively on issues of sexual consent and both makes sense of sexual consent in contemporary society and guides debate towards better consent standards and decisions in the future Making Sense of Sexual Consent will excite considerable discussion amongst academics professionals and all those who think that freedom to make decisions about our sexual selves is important It will set the agenda for debate on sexual consent into the 21st Century

**The Governance of Female Drug Users** Du Rose, Natasha,2015-05-27 Available Open Access under CC BY NC licence This book is the first to examine how female drug user s identities and hence their experiences are shaped by drug policies It analyses how the subjectivities ascribed to women users within drug policy sustain them in their problematic use and reinforce their social exclusion Challenging popular misconceptions of female users the book calls for the formulation of drug policies to be based on gender equity and social justice It will appeal to academics in the social sciences practitioners and policy makers

*Making Sense in (and Of) the First Christian Century* Francis Gerald Downing,2000-08-01 The first Christian century must be approached with careful attention to its cultural and linguistic heterogeneity It should not simply be assumed that this past is a different place they do things differently there Downing treats the ways in which early Christians tried to make things make sense within their cultures noting both the similarities and differences between their ways and contemporary ones and stressing the variety of contexts and influences on first century communication Downing brings his renowned expertise to bear in illuminating the cultural features of early Christian society with a range of fascinating and telling examples

**International approaches to prostitution** Gangoli, Geetanjali,Westmarland, Nicole,2006-05-31 What is to be done about prostitution Is it work or is it violence Are women involved in prostitution offenders or victims Is prostitution a private or a political issue The answers to these questions vary depending on many factors including where in the world you live This book provides a valuable detailed international comparison of the laws policies and interventions in eight countries across Europe England and Wales France Sweden and

Moldova and Asia India Pakistan Thailand and Taiwan The countries were chosen because of their contrasting social policy and legislative frameworks Specific topics covered include national social and historical contexts in relation to prostitution legal frameworks with discussion of existing laws and policies and debates around legislation and decriminalisation key issues faced particularly relating to reasons for entering prostitution and analysis of policies and interventions The case studies are brought to life by giving voice to the experiences of women involved in prostitution themselves together with the personal reflections of the authors Aimed at a wide audience of students academics policy makers and practitioners this book makes an important contribution to academic and policy debates in the fields of criminology law social policy women s studies sociology politics and international relations

The Subject of Prostitution Jane Scoular,2015-12-22 The Subject of Prostitution offers a distinctive analysis of the links between prostitution and social theory in order to advance a critical analysis of the relationship of law to sex work Using the lens of social theory to disrupt fixed meanings the book provides an advanced analytical framework through which to understand the complexity and contingencies of sex work in late modernity The book analyses contemporary citizenship discourse and the law s ability to meet the competing demands of empowerment by sex workers and protection by radical feminists who view prostitution as the epitome of patriarchal sexual and economic relations Its central focus is the role of law in both structuring and responding to the problem of prostitution By developing a distinctive constitutive approach to law the author offers a more advanced analytical framework from which to understand how law matters in contemporary debates and also suggests how law could matter in more imaginative justice reforms This is particularly pertinent in a period of unprecedented legal reform both internationally and nationally as legal norms simultaneously attempt to protect empower and criminalise parties involved in the purchase of sexual services The Subject of Prostitution aims to overcome the current aporia in these debates and suggest new ways to engage with the subject and law As such The Subject of Prostitution provides an advanced theoretical resource for policymakers researchers and activists involved in contemporary struggles over the meanings and place of sex work in late modernity

Organizing for Sex Workers' Rights in Montréal Francine Tremblay,2020-02-13 This book is based on a case study about Stella l amie de Maimie a Montr al sex workers rights organization founded by and for sex workers It explores how a group of ostracized female identified sex workers transformed themselves into a collective to promote the health and well being of women working in the sex industry Weighed down by the old and tenacious whore symbol the sex workers at Stella had to find a way to navigate the criminality of sex work and sex workers in order to do advocacy and support work and create safer spaces for sex workers to engage in such advocacy This book focuses on sex workers but the advocacy challenges and strategies it outlines can also apply to the lives of other marginalized groups who are often ignored pitied or reviled but who are seldom seen as fully human

Realising Justice for Sex Workers , Sharron A. FitzGerald,Kathryn McGarry,2018-08-16 In the past two decades feminist politics on prostitution has become more polarised and ideological On the one hand those on the radical

spectrum of feminist politics have fought long and hard to criminalise sex purchase with the intention of ultimately abolishing prostitution Other feminists have lobbied the state to recognise and institutionalise sex workers human rights The collection is both a critical intervention in and a re orientation of the schism in contemporary feminist prostitution politics Contributors will use this schism as a platform from which to challenge current debates and think an alternative sex worker centred politics for social justice By placing sex workers lived experiences of prostitution at the centre of the conversation the book rejects the hegemony of neo abolitionism as the solution to the problem of sex work The book brings international trans disciplinary scholars together to address a rights based agenda for sex work law and policy and consequently for sex workers lives This collection offers an invaluable resource on the subject of how sex workers experience injustices and how we can mitigate this globally through a transformative vision of social justice

**Legalized Prostitution in Germany** Annegret Staiger,2022-02-01 Germany has been infamously dubbed the Brothel of Europe but how does legalized prostitution actually work Is it empowering or victimizing realistic or dangerous In *Legalized Prostitution in Germany* Annegret D Staiger s ethnography engages historical cultural and legal contexts to reframe the brothel as a place of longing and belonging of affective entanglements between unlikely partners and of new beginnings across borders while also acknowledging the increasingly exploitative labor practices By sharing the stories of sex workers clients and managers within the larger legal system meant to provide dignity and safety through regulation Staiger skillfully frames the economic aspects of commercial sex work and addresses important questions about sexual labor intimacy and relationships Weaving insightful scholarship with beautiful storytelling *Legalized Prostitution in Germany* provides readers with a deeper understanding of the complexities of legalized prostitution

***Prostitution and Pornography*** Jessica Spector,2006 This collection of new and classic writings about the sex industry asks us to think about the differences between our society s treatment of prostitution and pornography while investigating how liberalism deals with the sex industry in general

***Body Lore and Laws*** Andrew Bainham,Martin Richards,Shelley Day Sclater,2002-02 This collection of essays is the product of a series of seminars held by the Cambridge Socio Legal Group in 2000 Preface

***Making Sense of Prostitution*** J. Phoenix,1999-03-08 This book provides a compelling analysis of the conditions in which women are sustained within prostitution in Britain at the end of the millennium Based on a major empirical study it is a unique glimpse into how some women who live lives completely torn apart by poverty violence and criminalization are able to understand their lives in prostitution and make sense of the choices they make including their involvement in prostitution in their struggles to survive

***Criminal Behavior*** Jacqueline B. Helfgott,2008-03-13 This textbook provides an interdisciplinary overview of theories of crime explanations of how and why criminal typologies are developed literature reviews for each of the major crime categories and discussions of how theories of crime are used at different stages of the criminal justice process

***Critical Perspectives on Child Sexual Exploitation and Related Trafficking*** M. Melrose,J. Pearce,2013-09-05 This volume is the first major exploration of the issues relevant to

young people who are affected by sexual exploitation and trafficking from a variety of critical perspectives Issues include accommodation gangs migrant and refugee communities perpetrators international policy and the language through which we construct child exploitation

**The Routledge Handbook of Male Sex Work, Culture, and Society** John Geoffrey Scott, Christian Grov, Victor Minichiello, 2021-03-21 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work

**Debating Sex Work** Lori Watson, Jessica Flanigan, 2020 Prostitution is often referred to as oldest profession Critics of this expression redescribe it as the oldest oppression Debates about how best to understand and regulate prostitution are bound up with difficult moral legal and political questions Indeed it can be approached from numerous angles is buying and selling sex fundamentally wrong How can it possibly be regulated How can sex workers be protected if they are allowed to work at all In this concise for and against volume ethicists Lori Watson and Jessica Flanigan engage with each other on the nature and consequences of sex work revealing new and profound ways in which to understand it The volume opens with a joint introduction before Lori Watson first argues for a sex equality approach to prostitution in which buyers are criminalized and sellers are decriminalized also known as the Nordic model Watson defends the Nordic Model on the grounds that prostitution is an exploitative and unequal practice that only entrenches existing patterns of gendered injustice Full decriminalization of prostitution only stymies existing occupational health and safety standards and securing worker autonomy and equality Further to Watson drawing a distinction between sex trafficking and prostitution is irrelevant for public policy what underpins them is demand which fuels the inequalities of both That is what needs to be addressed In a rebuttal Jessica

Flanigan contends that sex work should be fully decriminalized because restrictions on the sale and purchase of sex violate the rights of sex workers and their clients. She argues that decriminalization is preferable to policies that could expose sex workers and their clients to criminal penalties and leave them at the mercy of public officials. Putting these two views on sex work into conversation with one another and opening up space for readers to weigh both approaches, the book provides a thorough accessible exploration of the issues surrounding sex work written with both sympathy and philosophical rigor.

**American Book Publishing Record**, 1999      **Sex Work Matters** Melissa Hope Ditmore, Antonia Levy, Alys Willman, 2010-04-22. *Sex Work Matters* brings together sex workers, scholars, and activists to present pioneering essays on the economics and sociology of sex work. From insights by sex workers on how they handle money, intimate relationships, and daily harassment by the police to the experience of male and transgender sex work, this fascinating and original book offers new theoretical frameworks for understanding the sex industry. The result is a vital new contribution to sex worker rights that explores the topic in new ways, especially its cultural, economic, and political dimensions. Readers weary of the sensational and often salacious treatment of the sex industry in the media and literature will find *Sex Work Matters* refreshing.

*Philosophy of Sex and Love* Patricia Marino, 2019-03-13. Writing for non-specialists and students as well as for fellow philosophers, this book explores some basic issues surrounding sex and love in today's world: among them, consent, objectification, non-monogamy, racial stereotyping, and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works. Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices. Instead, we need to examine the social contexts within which choices are made and acquire their meanings. That perspective, she argues, is especially needed today when the values of individualism, self-expression, and self-interest permeate our lives. Marino asks how we can fit these values, which govern so many areas of contemporary life, with the generosity, caring, and selflessness we expect in love and sex. **Key Features of *Philosophy of Sex and Love*** An opinionated introduction offers a contemporary, problems-based approach to the subject, helping readers better understand and address current issues and controversial questions. Includes coverage of sex and love as they intersect with topics like disability, race, medicine, and economics. Considers not only the ethical but also the broadly social and political dimensions of sex and love. Includes a helpful introduction and conclusion in each chapter and is written throughout in a clear and straightforward style with examples and signposts to help guide the student and general reader. A comprehensive and up-to-date bibliography provides a valuable tool for anyone's further research.

Recognizing the mannerism ways to acquire this book **Making Sense Of Prostitution Today** is additionally useful. You have remained in right site to begin getting this info. acquire the Making Sense Of Prostitution Today colleague that we have enough money here and check out the link.

### **Making Sense Of Prostitution Today Introduction**

In today's digital age, the availability of Making Sense Of Prostitution Today books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Sense Of Prostitution Today books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Sense Of Prostitution Today books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Sense Of Prostitution Today versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Sense Of Prostitution Today books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Sense Of Prostitution Today books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Sense Of Prostitution Today books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Sense Of Prostitution Today books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Sense Of Prostitution Today books and manuals for download and embark on your journey of knowledge?

### **FAQs About Making Sense Of Prostitution Today Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Sense Of Prostitution Today is one of the best book in our library for free trial. We provide copy of Making Sense Of Prostitution Today in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Sense Of Prostitution Today. Where to download Making Sense Of Prostitution Today online for free? Are you looking for Making Sense Of Prostitution Today PDF? This is definitely going to save you time and cash in something you should think about.
