Malachi, the Divine Messenger Beth Glazier-McDonald, 1987 **Minor Prophets: Hosea through Malachi** Andrew Hill, Richard Patterson, 2016-12-09 These accessible commentaries are for anyone who wants to enter a serious study of God's Word Each volume guides the reader through the literacy and theological issues in the text and provides correlation to multiple numbering systems for word study This volume includes the entire NLT text of Hosea Malachi translation notes and fresh expository commentary **Purity and the Forming of Religious Traditions in the Ancient Mediterranean World and Ancient Judaism**, 2012-11-01 Purity is a cultural construct that had a central role in the forming and the development of religious traditions in the ancient Mediterranean This volume analyzes concepts practices and images associated with purity in the main cultures of Antiquity and discusses from a comparative perspective their parallel developments and transformations The perspective adopted is both synchronic and diachronic the comparative approach takes into account points of contact and mutual influences but also includes major transcultural trends A number of renowned specialists contribute a large variety of perspectives and approaches combining archaeology epigraphy and social history in addition particular attention is given to concepts of purity in ancient Israel and early Judaism as a test case of sorts Through its extensive coverage the volume contributes decisively to the present discussion about the forming of religious traditions in the ancient Mediterranean world Contributors include Philippe Borgeaud Beate Ego Christian Frevel Linda Marie G nther Micha l Guichard Gudrun Holtz Manfred Hutter Albert de Jong Michael Konkel Bernhard Linke Lionel Marti Hans Peter Mathys Christophe Nihan Joachim Friedrich Quack Benedikt Rausche Noel Robertson Udo R tersw rden Ian Werrett and J rgen K Zangenberg *A Message from the Great King* R. Michael Fox, 2015-11-16 The academy has not been kind to Malachi Indeed some of the most influential and seminal studies on the book denigrate its style message and overall artistry This negative assessment proves extensive in the history of scholarship Furthermore the studies demonstrating a more positive assessment of Malachi do so without offering serious challenges to these long standing denigrations Complicating the matter is the observation that critical study has proffered numerous suggestions for what Malachi contains while failing to provide a viable model of what Malachi actually is *A Message from the Great King* presents serious challenges to the guild's prior assessments and conclusions about the book Through an interdisciplinary approach that synthesizes insights from literary theory thorough historical reconstruction and a close reading of the biblical text R Michael Fox makes a formidable case that a root messenger metaphor pervades the entire text of Malachi Viewed and read through this new lens Malachi's artistry becomes more readily apparent and its theological message more intense and demanding *A Message from the Great King* provides serious reassessment of the academy's long standing denigrations of the book and a compelling answer to what Malachi actually is Accompanying these insights into Malachi are new methodological procedures and exercises that merit further attention and reflection Thematic Threads in the Book of the Twelve Paul L. Redditt, Aaron

Schart,2012-08-06 For some years the view has become established that the Book of the Twelve is a systematically structured literary unity An exegesis which takes the final canonical text seriously undertakes to understand the structure and theological intention of this unity The papers collected here attempt to reveal significant structures which overarch the individual components Particular emphasis is placed on the reconstruction of thematic threads which are created when individual prophets take up topics from their predecessors e g Jehovah s Day conversion role of the peoples and intensify them The papers were written between 1999 and 2002 under the aegis of the Society of Biblical Literature s Working Group on The Formation of the Book of the Twelve

The Priests in the Prophets Lester L. Grabbe,Alice Ogden Bellis,2004-12-01 Since at least the 19th century Hebrew Bible scholarship has traditionally seen priests and prophets as natural opponents with different social spheres and worldviews In recent years several studies have started to question this perspective The Priests in the Prophets examines how the priests are portrayed in the Latter Prophets and analyzes the relationship between priests and prophets The contributors also provide insights into the place of priests prophets and some other religious specialists in Israelite and Judean society in pre exilic and post exilic times

Jewish Marriage in Antiquity Michael L. Satlow, 2018-06-05 Marriage today might be a highly contested topic but certainly no more than it was in antiquity Ancient Jews like their non-Jewish neighbors grappled with what have become perennial issues of marriage from its idealistic definitions to its many practical forms to questions of who should or should not wed In this book Michael Satlow offers the first in-depth synthetic study of Jewish marriage in antiquity from ca. 500 B.C.E. to 614 C.E. Placing Jewish marriage in its cultural milieu Satlow investigates whether there was anything essentially Jewish about the institution as it was discussed and practiced Moreover he considers the social and economic aspects of marriage as both a personal relationship and a religious bond and explores how the Jews of antiquity negotiated the gap between marital realities and their ideals Focusing on the various experiences of Jews throughout the Mediterranean basin and in Babylonia Satlow argues that different communities even rabbinic ones constructed their own Jewish marriage they read their received traditions and rituals through the lens of a basic understanding of marriage that they shared with their non-Jewish neighbors He also maintains that Jews idealized marriage in a way that responded to the ideals of their respective societies mediating between such values as honor and the far messier realities of marital life Employing Jewish and non-Jewish literary texts papyri inscriptions and material artifacts Satlow paints a vibrant portrait of ancient Judaism while sharpening and clarifying present discussions on modern marriage for Jews and non-Jews alike

Covenant in the Persian Period Richard J.

Bautch, Gary N. Knoppers, 2015-11-11 The 22 essays in this new and comprehensive study explore how notions of covenant especially the Sinaitic covenant flourished during the Neo-Babylonian Persian and early Hellenistic periods Following the upheaval of the Davidic monarchy the temple's destruction the disenfranchisement of the Jerusalem priesthood the

deportation of Judeans to other lands the struggles of Judeans who remained in the land and the limited returns of some Judean groups from exile the covenant motif proved to be an increasingly influential symbol in Judean intellectual life The contributors to this volume drawn from many different countries including Canada Germany Israel South Africa Switzerland and the United States document how Judean writers working within historiographic Levitical prophetic priestly and sapiential circles creatively reworked older notions of covenant to invent a new way of understanding this idea These writers examine how new conceptions of the covenant made between YHWH and Israel at Mt Sinai play a significant role in the process of early Jewish identity formation Others focus on how transformations in the Abrahamic Davidic and Priestly covenants responded to cultural changes within Judean society both in the homeland and in the diaspora Cumulatively the studies of biblical writings from Genesis to Chronicles demonstrate how Jewish literature in this period developed a striking diversity of ideas related to covenantal themes

John the Baptist and the Jewish Setting of Matthew Brian C. Dennert, 2015-09-11 Although recent discussions on Matthew have emphasized the document's setting within Judaism these studies have not analyzed how the Jewish figure of John the Baptist functions within this setting Brian Dennert steps into this gap arguing that Matthew presents Jesus to be the continuation and culmination of John's ministry in order to strengthen the claims of Matthew's group and to vilify the opponents of his group By doing this he encourages Jews yet to align with Matthew's group particularly those who esteem the Baptist and to gravitate away from its opponents The author examines texts roughly contemporaneous with Matthew which reveal respect given to John the Baptist at the time of Matthew's composition The examination of Matthew shows that the first Evangelist more closely connects the Baptist to Jesus while highlighting his rejection by Jewish authorities

Moving Beyond Symbol and Myth Anne Moore, 2009 For hundreds of years scholars have debated the meaning of Jesus' central theological term the kingdom of God Most of the argument has focused on its assumed eschatological connotations and Jesus' adherence or deviation from these ideas Within the North American context the debate is dominated by the work of Norman Perrin whose classification of the kingdom of God as a myth evoking symbol remains

one of the fundamental assumptions of scholarship According to Perrin Jesus understanding of the kingdom of God is founded upon the myth of God acting as king on behalf of Israel as described in the Hebrew Bible Moving Beyond Symbol and Myth challenges Perrin's classification and advocates the reclassification of the kingdom of God as metaphor Drawing upon insights from the cognitive theory of metaphor this study examines all the occurrences of the God is king metaphor within the literary context of the Hebrew Bible Based on this review it is proposed that the God is king metaphor functions as a true metaphor with a range of expressions and meanings It is employed within a variety of texts and conveys images of God as the covenantal sovereign of Israel God as the eternal suzerain of the world and God as the king of the disadvantaged The interaction of the semantic fields of divinity and human kingship evoke a range of metaphoric expressions that are utilized throughout the history of the Hebrew Bible in response to differing socio historical contexts and within a range of rhetorical strategies It is this diversity inherent in the God is king metaphor that is the foundation for the diversified expressions of the kingdom of God associated with the historical Jesus and early Christianity

The Scepter and the Star John J. Collins, 2010-11-12 John J Collins here offers an up to date review of Jewish messianic expectations around the time of Jesus in light of the Dead Sea Scrolls He breaks these expectations down into categories Davidic priestly and prophetic Based on a small number of prophetic oracles and reflected in the various titles and names assigned to the messiah the Davidic model holds a clear expectation that the messiah figure would play a militant role In sectarian circles the priestly model was far more prominent Jesus of Nazareth however showed more resemblance to the prophetic messiah during his historical career identified as the Davidic Son of Man primarily after his death In this second edition of The Scepter and the Star Collins has revised the discussion of Jesus and early Christianity completely rewritten a chapter on a figure who claims to have a throne in heaven and has added a brief discussion of the recently published and controversial Vision of Gabriel
