Malay Poisons and Charm Cures John Desmond Gimlette,1923 *Poison Mysteries in History, Romance and Crime*
Charles John Samuel Thompson,1923 *The Heritage of Traditional Malay Literature* V.I. Braginsky,2022-06-20 Traditional literature or the deed of the reed pen as it was called by its creators is not only the most valuable part of the cultural heritage of the Malay people but also a shared legacy of Malaysia Indonesia Singapore and Brunei Malay culture during its heyday saw the entire Universe as a piece of literature written by the Creator with the Sublime Pen on the Guarded Tablet Literature was not just the creation of a scribe but a scribe himself imprinting words on the sheet of memory and thus shaping human personality This book the first comprehensive survey of traditional Malay literature in English since 1939 embraces more than a millennium of Malay letters from the vague data of the seventh century up to the early beginnings of the modern literatures in the late nineteenth century The long path trodden by traditional Malay literature is viewed in historical and theoretical perspectives as a development of integral system caused by cultural and religious changes primarily by gradual Islamization This changing system considered in the entirety of its genres and works is seen both externally and internally from the point of view of modern scholarship and through the examination of indigenous concepts of literary creativity poetics and aesthetics The book not only represents an original study based on a specific historico theoretical approach but it is also a complete reference work and an indispensable manual for students **Wives and Midwives** Carol

Teeuw,2013-04-17 In this book I have aimed at completeness in the sense that all publications known to me which are wholly or partly devoted to Malay and Bahasa Indonesia B I or are important for the study of these languages have been included Popular publications in non professional periodicals have been included only exceptionally All the publications mentioned in the text are incorporated in the Bibliography p 91 157 The countless articles in four post war semi professional periodicals in Malaya and Indonesia Dewan Bahasa Pembina Bahasa Indonesia 11 1 edan Bahasa Bahasa dan Budaya are not mentioned separately in the Bibliography but sections 33 to 36 contain a survey as complete and systematic as possible of the contents of these periodicals in so far as they pertain to the Malay language nor have I discussed in the text or incorporated in the Bibliography several hundreds of titles of practical textbooks or school books of Malay or B I which are of no importance to the scientific study of these language These titles have been entered in a separate Appendix p 158 171 The fact that completeness was aimed at certainly does not mean that it has been achieved Especially various recent writings from Indonesia and Malaya may have escaped my attention Experience has also proved that publications on Malay sometimes appear in the most unexpected places The qualification above publications devoted to or important for the study of Malay and B I has been taken in a wide sense **Southeast Asian Research Tools: Malaysia, Singapore, Brunei** ,1979 *Taming the Wind of Desire* Carol Laderman,2023-04-28 Charged with restoring harmony and relieving pain the Malay shaman places his patients in trance and encourages them to express their talents drives personality traits the Inner Winds of Malay medical lore in a kind of performance These healing ceremonies formerly viewed by Western anthropologists as exotic curiosities actually reveal complex multicultural origins and a unique indigenous medical tradition whose psychological content is remarkably relevant to contemporary Western concerns Accepted as apprentice to a Malay shaman Carol Laderman learned and recorded every aspect of the healing seance and found it comparable in many ways to the traditional dramas of Southeast Asia and of other cultures such as ancient Greece Japan and

India The Malay seance is a total performance complete with audience stage props plot music and dance The players include the patient along with the shaman and his troupe At the center of the drama are pivotal relationships among people between humans and spirits and within the self The best of the Malay shamans are superb poets dramatists and performers as well as effective healers of body and soul This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 Charged with restoring harmony and relieving pain the Malay shaman places his patients in trance and encourages them to express their talents drives personality traits the Inner Winds of Malay medical lore in a kind of performance These healing cere **Durio, a Bibliographic Review** Michael J.
