Male Mid Life Crisis Psychological Dynamics Theological Issues And Pastoral Interventions:

Male Mid-life Crisis Justin K. Lim, 2000 In *Male Mid Life Crisis* Justin K Lim investigates this phase of human life through the perspectives of analytical psychology and through existential theology Research suggests 80 percent of men suffer from this crisis and that it is not limited to any culture or period of history He applies his findings to pastoral spiritual interventions seeking deeper and broader psychological and theological insights **Responding Faithfully to Generation X** Rev. Dr. Christopher Doyle, 2022-07-12 The research writing and analysis in the pages of this work show the story of how Generation X grew up during one of the greatest periods of technological social political economic and educational change in US history Included in that story is how the greater percentage of them grew up in the church but then walked away en masse Today Generation X is the smallest percentage of Main Line and Catholic Church membership while the overwhelming majority of church membership is made up of an aging population of Baby Boomers and Silent Generation folk In ten year s time what will be the state of the church when many of the current membership has passed on to eternal life or are no longer able to do what it is that they re doing today Generation X could well be the answer to much of the solution Generation X is generally at a more comfortable place in their lives and are asking the questions about the meaning of their lives while considering issues of mortality Yet at the same time they re having now to care for parents grandchildren and for many Gen Xers their own children still They re busy and committed but they re also spiritually hungry Having had a relationship at one point in their lives they re not completely foreign to what the church can be but the ball is really in the church s court How the church chooses to respond to Generation X could mean life or church closure It s a conversation that needs to take place and that conversation begins here **Choice** ,2000 American Book Publishing Record ,2000-07 *Forthcoming Books* Rose Army, 2000 *Religious and Theological Abstracts* ,1984 **Religion Index One** ,1995 **On Cassette** ,1991 *Current Index to Journals in Education, Semin-Annual Cumulation, January-June, 1977* Educational Resources Information Center Staff, 1977-09 *Current Index to Journals in Education* ,1977 **Comprehensive Dissertation Index** ,1984 **Medical Books and Serials in Print, 1979** R.
