

# Male Prostitution

**David Kirk**

## **Male Prostitution:**

**The Times Square Hustler** Robert P. McNamara, 1994-12-08 The author became interested in male prostitution while researching populations susceptible to AIDS He found such a population in male prostitutes in Times Square which had developed a community to deal with common problems Among these changing the community were AIDS crack cocaine and urban redevelopment This work is directed to sociologists social workers and those interested in popular culture *In the Company of Men* Michael D. Smith, Christian Grov, 2011-05-04 Offering a new perspective on male prostitution In the Company of Men employs qualitative methodology to present a real world view of the issues both obvious and obscure surrounding the world's second oldest profession In the Company of Men Inside the Lives of Male Prostitutes is the only book to document male prostitution from the perspective of a group of men working for a single male escort agency The in depth account goes behind the scenes to shed light on the very hidden world of Internet male escorts their customers and the niche they inhabit in modern American society At the same time it has much to tell us about post modern identity culture and sexuality and the transformative influence of the Internet on sexual behavior and male prostitution Through numerous interviews the book examines the sometimes dichotomous relationship between the image men convey and the lengths to which they go in order to meet their most private needs Readers travel down a cyber Sunset Boulevard to see what attracts young men to work as escorts how an escort agency serves economic and personal goals and how a community can evolve among the men involved *Male Prostitution* Donald West J, 2012-11-12 Here is the most comprehensive empirical study ever published about male prostitutes and their clients Written by one of the most distinguished international scholars in psychiatry and criminal justice this book provides a carefully designed presentation of in depth interviews with several hundred London rent boys The interviews included a large sample of one to one conversations in a private room tape recorded with the consent of the interviewees Dr West and his colleague Mr de Villiers bring you squarely into the everyday lives of male prostitutes and cover little known details of their lives such as the drift into homelessness sexual orientation entry into prostitution sexual orientation threats of blackmail violence and murder by male prostitutes or their clients attitudes and intentions of the male prostitutes post prostitution careers legal and criminology issues personal fears desires and interests of male prostitutes Encyclopedic in scope and depth Male Prostitution never strays from combining high level research presented in a readily understandable and often entertaining style and incisive insights and issues critical for both the informed layperson and researchers in human sexuality Dr West and his colleague provide is a source of unbiased detailed information on the male sex industry and their clients which is unavailable in any other book published to date Men Who Sell Sex Peter Aggleton, 2006-12-05 Men Who Sell Sex is the first comprehensive international account of male prostitution and AIDS While much is known about female prostitution and sex work relatively little is known about men who sell sex either to women or other men This book brings together an authoritative collection of essays from different countries

and examines sexual behaviour the reasons men sell sex the meanings involved and implications for HIV prevention The authors are all experts in their fields and individual chapters offer a compelling description of the reasons men sell sex and the pleasures and risks involved

**Male Prostitution** Donald West J,2012-11-12 Here is the most comprehensive empirical study ever published about male prostitutes and their clients Written by one of the most distinguished international scholars in psychiatry and criminal justice this book provides a carefully designed presentation of in depth interviews with several hundred London rent boys The interviews included a large sample of one to one conversations in a private room tape recorded with the consent of the interviewees Dr West and his colleague Mr de Villiers bring you squarely into the everyday lives of male prostitutes and cover little known details of their lives such as the drift into homelessness sexual orientation entry into prostitution sexual orientation threats of blackmail violence and murder by male prostitutes or their clients attitudes and intentions of the male prostitutes post prostitution careers legal and criminology issues personal fears desires and interests of male prostitutes Encyclopedic in scope and depth Male Prostitution never strays from combining high level research presented in a readily understandable and often entertaining style and incisive insights and issues critical for both the informed layperson and researchers in human sexuality Dr West and his colleague provide is a source of unbiased detailed information on the male sex industry and their clients which is unavailable in any other book published to date

**Male Sex Work and Society** Victor Minichiello, John Scott, 2014-09-02 This new collection explores for the first time male sex work from a rich array of perspectives and disciplines It aims to help enrich the ways in which we view both male sex work as a field of commerce and male sex workers themselves Leading contributors examine the field both historically and cross culturally from fields including public health sociology psychology social services history filmography economics mental health criminal justice geography and migration studies and more Synthesizing introductions by the editors help the reader understand the implications of the findings and conclusions for scholars practitioners students and members of the interested concerned public

**Understanding the Male Hustler** Sam Steward, 2014-01-09 This book is a serious study of male hustlers using experiential dialogue to introduce the reader to real life concepts and experiences that otherwise could not be effectively conveyed An intriguing attempt to get into the mind and personality of the male hustler through a largely imagined series of dialogues between a well known fictional hustler and his so called amanuensis Samuel Steward this unique book covers all aspects of the hustler s motivations activities life style adjustments advantages and disadvantages It accomplishes this dispassionately without prejudgment moral censure approbation or more than cursory involvement Therapists and counselors in all fields of sexual functioning will find here some understanding of the causes and impulses beyond the popular broken home syndrome that lead young males into prostitution It signals some of the signposts to danger and serious threats to health that accompany the profession of prostitution and also explains to counselors some of the activities and practices of the male prostitute enabling them to have a better understanding of the fascination and peril of the

hustler's life The brevity of success in such a calling is also considered with some consideration for the necessity of long range planning for the hustler's future Important contents interview of a well known hustler brief look at early male prostitution Greek Roman Burton's theory the peacock period and youth as a prerequisite for hustling lures of the profession money power other motivations paths and mechanisms leading to hustling characteristics of different types of hustlers types of clients patronizing hustlers literary illuminations the modus operandi of the male hustler extraordinary dangers confronting the male hustler today the attractiveness of the seeing through of a hustler to past clients quo vadis for the hustler after youth passes Readers will be amazed by the daily hazards and drawbacks as well fascinated by the curiosities and rewards of the hustler's profession Especially of interest to therapists and counselors Understanding the Male Hustler is also valuable for sociologists anthropologists medical specialists psychiatrists psychologists *Men Who Sell Sex* Peter Aggleton, 1999 While much is known about prostitution and sex work from studies of female sex workers and their customers relatively little is known about men who sell sex either to women or other men Particularly poorly understood are their motivations for doing so the circumstances in which the sale of sex occurs the meanings attached to the acts by both sex worker and client and the HIV related risks involved Each chapter written by a national expert is based on months and even years of interviews with male sex workers including young boys and elderly men in some countries The workers discuss why they do the work what it is like and what their behavior means to them For example those who have regular sex with men often strenuously affirm their heterosexuality though there is considerable variety in their attitudes Each chapter relates the experiences of the male sex workers to the political economy of their neighborhood and assesses the implications of their work for HIV transmission and the AIDS epidemic The researchers and the sex workers discuss the value of different kinds of health promotion interventions **Hustlers, Escorts, and Porn Stars** Matt Adams, 1999 A daring exploration of the underground culture and business of the male sex industry **The Routledge Handbook of Male Sex Work, Culture, and Society** John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex

work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work

**Men Who Sell Sex** Peter Aggleton, Richard Parker, 2014-11-13 All over the world men as well as women exchange sex for money and other forms of reward sometimes with other men and sometimes with women In contrast to female prostitution however relatively little is known about male sex work leaving questions unanswered about the individuals involved their identities and self understandings the practices concerned and the contexts in which they take place This book updates the ground breaking 1998 volume of the same name with an entirely new selection of chapters exploring health social political economic and human rights issues in relation to men who sell sex Looking at Europe North America Latin America and the Caribbean Africa and the Asia Pacific each chapter explores questions such as What is known about the different ways in which men exchange sex for money or other forms of reward What are the major contexts in which sexual exchange takes place What meanings do such practices carry for the different partners involved What are the health and other implications of contemporary forms of male sex work Men Who Sell Sex seeks to push the boundaries both of current personal and social understandings and the practices to which these give rise It is an important reference work for academics and researchers interested in sex work and men s health including those working in public health sociology social work anthropology human geography and development studies

**Queer Trades, Sex and Society** Jeffrey Meek, 2023-06-01 This book is the first scholarly work to explore male homosexual prostitution in interwar Scotland The male prostitute occupies a contested position within interwar society depending on the perspective he was representative of a descent into turpitude of tenacious organised criminality or of exploitation The book explores connections between male prostitution and criminal gangs prevalent during the interwar period by detailing the emergence and activities of Glasgow s notorious Whitehats a gang composed of a number of queer male prostitutes and led by William Paton This book discovers that although Paton s activities were representative of a career criminal the young men who joined the Whitehats were often driven by poverty and social isolation This book explores the experiences of Edinburgh police detective William Merrilees and his war on homosexuality in Edinburgh during the 1930s through examining the tactics used to regulate homosexual trade and the implications this held for the men involved The book not only explores the attitudes opinions and actions of police officers politicians and the legal process but also uncovers fragments from the lives of the men involved through personal reflections and letters The book explores the anxieties that the trade in homosexual sex provoked not just for understandings of sexuality but also of gender and nationhood and offers a comparative perspective of the forms of homosexual trade in

Scotland England and major foreign cities This book will have broad appeal to academics and students in the field of social sexual and gender history as well as the social and criminal histories of Scotland and Britain **Lila's House** Jacobo Schifter,1998 Presents results of a study focusing on the young men of a lower middle class brothel catering to pederasts in San Jose Costa Rica Schifter regional director Latin American Health and Prevention Institute interviewed 25 men in order to assess methods of intervention to protect them from drug addiction AIDS and other sexually transmitted diseases Paper edition 1 56023 943 3 12 95Annotation copyrighted by Book News Inc Portland OR **A Consumer's Guide to Male Hustlers** Joseph Itiel,2014-02-25 A Consumer's Guide to Male Hustlers gives you exciting insight into all you ever wanted to know about hustlers but were too embarrassed to ask You'll find answers to questions such as where and how to find hustlers how much to pay them and how to make it an experience that is satisfying to both parties Author Joseph Itiel shares with readers his personal experiences and observations describing his dealings with hustlers over a period of about 35 years in many different countries Throughout A Consumer's Guide to Male Hustlers Itiel narrates personal anecdotes lending an intimate dimension to his general observations He describes the hustler scene in the United States and abroad dispelling many erroneous notions about hustlers by addressing such topics as under what circumstances sex for money arrangements are exploitative a comparison of male hustlers and female prostitutes emotional involvement and control between clients and hustlers the notion that hustlers are only for the wealthy whether or not hustlers are likely carriers of sexually transmitted diseases whether or not it is dangerous to pick up hustlers why hustlers hustle the differences between street hustlers models or escorts and masseurs legal issues associated with hustling regular sessions with hustlers as an emotional and libidinal sedativeIt is the contention of the author that hustlers are an under used resource in the gay community especially valuable to those with a vigorous sex appetite but no steady partner This opportunity is often shunned because potential clients feel guilty about hiring hustlers The author hopes that by reading this book you will come to understand that the hustler experience meeting with hustlers regularly can be mutually exciting and satisfying for both parties **Paid Sexual Encounters among Men** Timothy F. Murphy,2025-08-14 This book analyzes the ethics of men buying and selling sex to one another It gathers in one place key ethical and legal issues that bear on the justification for the criminalization of male prostitution At present prostitution the solicitation or offer of paid sexual encounters is criminalized in virtually the entire United States Male prostitution is poorly studied across academic disciplines and this book represents the first sustained ethical analysis of the topic First it shows that paid sexual encounters among men belong on a spectrum of transactional sexual relationships and that many of their features are not distinctive in a way that justifies condemnation It shows as well that the sexuality involved men having sex with men does not involve relationships that are immoral in a way that might justify criminalization The book also demonstrates that men buying and selling sexual encounters can consent in morally meaningful ways without reinforcing status inequality Finally the book reviews key constitutional law cases to show that a

certain interpretation of the relationship between the law and morality justifies decriminalization of male prostitution Paid Sexual Encounters among Men will appeal to scholars and graduate students working in applied ethics the philosophy of sex and gender sociology and law

**Men Who Sell Sex** Peter Aggleton, Richard Parker, 2014-11-13 All over the world men as well as women exchange sex for money and other forms of reward sometimes with other men and sometimes with women In contrast to female prostitution however relatively little is known about male sex work leaving questions unanswered about the individuals involved their identities and self understandings the practices concerned and the contexts in which they take place This book updates the ground breaking 1998 volume of the same name with an entirely new selection of chapters exploring health social political economic and human rights issues in relation to men who sell sex Looking at Europe North America Latin America and the Caribbean Africa and the Asia Pacific each chapter explores questions such as What is known about the different ways in which men exchange sex for money or other forms of reward What are the major contexts in which sexual exchange takes place What meanings do such practices carry for the different partners involved What are the health and other implications of contemporary forms of male sex work Men Who Sell Sex seeks to push the boundaries both of current personal and social understandings and the practices to which these give rise It is an important reference work for academics and researchers interested in sex work and men s health including those working in public health sociology social work anthropology human geography and development studies

**The Oxford Handbook of the Economics of Prostitution** Scott Cunningham, Manisha Shah, 2016-08-10 Prostitution bears the unique title of being both the world s oldest profession and one of the least understood occupations Unlike most of the crime and family literature prostitution appears to have all the features of traditional markets prices supply and demand considerations variety in the organizational structure and policy relevance Despite this economists have largely ignored prostitution in their research and writings This has been changing however over the last twenty years as greater access to data has enabled economists to build better theories and gain a better understanding of the organization of sex market The Oxford Handbook of the Economics of Prostitution fills the gap in our understanding It brings together many of the top researchers in the field who explain how the prostitution markets are organized across space and time the role of technology in shaping labor supply and demand the intersection of prostitution with trafficking and the optimal use of law enforcement What makes the material unique is its explicit focus on economics as the primary methodology for organizing our understanding of prostitution The Handbook brings to scholars attention for the first time a collection of original writings on prostitution that provides an overview of what is known and what is not known in this area Researchers with an interest in underground markets labor economics risky behaviors marriage and gender will find the book s contents illuminating and path breaking

**Encyclopedia of Prostitution and Sex Work** Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn t it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference

what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women s studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn t Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution

**Chinese Male Homosexualities** Travis S. K. Kong, 2010-07-13 This book presents a groundbreaking exploration of masculinities and homosexualities amongst Chinese gay men It provides a sociological account of masculinity desire sexuality identity and citizenship in contemporary Chinese societies and within the constellation of global culture Kong reports the results of an extensive ethnographic study of contemporary Chinese gay men in a wide range of different locations including mainland China Hong Kong and the Chinese overseas community in London showing how Chinese gay men live their everyday lives Relating Chinese male homosexuality to the extensive social and cultural theories on gender sexuality and the body postcolonialism and globalisation the book examines the idea of queer space and numerous queer flows of capital bodies ideas images and commodities around the world The book concludes that different gay male identities such as the conspicuously consuming memba in Hong Kong the urban tongzhi the money boy in China and the feminised golden boy in London emerge in different locations and are all caught up in the transnational flow of queer cultures which are at once local and global

**Young Men in the Street** Cudore L. Snell, 1995-03-21 This book analyzes the help seeking behaviors of young urban street males who engage in prostitution Use of formal resources consist of social agencies professionals and informal resources such as friends family and peers is described The work also addresses one of the most pressing issues of our time the AIDS crisis and its impact on young male prostitutes Snell makes an important contribution to understanding

this stigmatized and under served population This is the first book to study young male prostitutes help seeking behavior Findings indicate that the majority receive high levels of emotional support from family and friends while traditional social and mental health services are not effectively reaching street males

This book delves into Male Prostitution. Male Prostitution is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. ## **Male Prostitution Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Male Prostitution PDF books and manuals is the internet's largest free library. Hosted online, this

catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Male Prostitution PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Male Prostitution free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Male Prostitution Books**
