Mallets Aforethought A Home Repair Is Homicide Mystery:

Mallets Aforethought Sarah Graves, 2004-10-26 Jacobia Jake Tiptree left her high powered career for a dilapidated fixer upper and the dream of a quiet existence in the quaint town of Eastport Maine But she found that no matter how carefully you remodel your life murder can take up residence anywhere It s Eastport s most notorious landmark the old Harlequin House Named for the disgraced physician Chester Harlequin it was used as a hideout for gunshot gangsters and their molls during Prohibition s heyday Now fixer upper enthusiast Jake Tiptree and Harlequin s only living descendant Ellie White are refurbishing the mansard roofed mansion to host the local Historical Society s upcoming gala But when stripping down old wallpaper reveals a secret door to a room containing not one but two corpses Jake and Ellie once again find home repair leading to homicide One of the bodies is a skeleton dressed in 1920s flapper chic But the other is that of real estate mogul Hector Gosling and in his pocket is a paper bearing the single word Guilty The less than scrupulous tycoon has been poisoned and when it s learned that the offending substance is the poison that Ellie s husband George has been using to kill red ants he is immediately taken into custody Then it develops that George had recently accused Gosling of a scheme to scam George s vulnerable old aunt out of her life savings and George out of his inheritance With George held for murder Jake and a pregnant Ellie swing into action In between Ellie s Lamaze sessions baby showers and CPR classes taught by Jake s ex husband Victor the two amateur sleuths must sift their way through a trail of seemingly contradictory clues Then another corpse surfaces and suddenly Jake and Ellie realize they must find this killer fast A clever culprit is not only building an airtight case against Ellie s husband He or she is planning to nail everyone who stands in the way **Unhinged** Sarah Graves, 2003-11-04 Once a Wall Street hotshot Jacobia Jake Tiptree chucked it all for a charmingly dilapidated fixer upper in the tiny town of Eastport Maine She was certain she d left the dangers of city life behind until she discovered that no place no matter how idyllic and peaceful it may appear is safe from murder It began with the mysterious disappearance of Harriet Hollingsworth Eastport s snoopest resident Everyone is convinced the old busybody bolted out of town to escape her creditor everyone except Jake and her best friend Ellie who know Harriet would never leave home without her most prized possession But before Jake and Ellie can persuade police chief Bob Arnold to open an investigation they ll need to come up with proof more sinister than a pair of abandoned binoculars Just as Jake starts poking around for clues things suddenly take a troubling turn for the worse A suspicious accident nearly kills her teenaged son Sam and her husband Wade just misses getting his head blown off Jake is prepared to attribute these incidents to a spate of bad luck until another accident leaves a visitor to Eastport unmistakably dead Most perplexing all this mayhem coincides with the unexpected arrival of a man from Jake s past a former New York City cop Harry Markle claims he has unintentionally brought an unwelcome guest into Eastport a crook determined to knock off everyone with ties to Harry Twenty four hours ago Jake s only worry was fixing her broken down gutters and downspouts before the big storm swept into town Now everything seems to be falling apart all around her Jake

knows from experience that the truth is usually as messy and complicated as do it yourself remodeling As it becomes chillingly clear that appearances in this quaint community are more misleading than ever she ll have to find a way to lure a homicidal maniac into the light before he nails another victim **Wicked Fix** Sarah Graves,2009-09-09 Do it yourself killer fixes small town thug For ex Wall Streeter Jacobia Tiptree and her teenaged son Sam September promises tranquil days winter proofing their rambling handyman s special of a home in Eastport Maine But there s nothing idyllic about this Down East autumn For starters the return of truly vicious native son Reuben Tate stirs up the town And when somebody slits Reuben s throat and hangs his corpse on the cemetery gate the police trace a bloodied scalpel to surgeon Victor Tiptree Jacobia s former husband Yet Jake knows her troublesome trouble prone ex is capable of just about anything except murder Proving that though is another matter Eastport is packed with tourists and former residents for the annual Salmon Festival and Jake soon realizes any Eastporter past or present has motive for Tate s murder To nail the real killer Jake and her best friend Ellie White must probe a past as rotten as crumbling clapboard while a secret hatred builds toward a series of murders even more brutal than Reuben Tate himself **Repair to Her Grave** Sarah Graves,2008-12-10 Home repair can be murder Jacobia Tiptree and her teenage son are used to their Eastport Maine home attracting more than its share of houseguests This year Jake is hoping the plaster dust will keep them away while she finally gets her gem of a fixer upper into shape from doorknobs and chandeliers to leaky pipes to ghostly phenomena But when the charming and mysterious Jonathan Raines appears on her doorstep and then just as suddenly disappears remodeling the house becomes the least of Jake s problems Could Jonathan s disappearance have something to do with his quest for a cursed violin the one that local legend says was hidden by a long ago owner of Jake s house before he too vanished without a trace Soon Jonathan s grief stricken girlfriend arrives downeast and Jake needs to strip Eastport s past of its idyllic veneer before a killer paints her very dead indeed

Tool & Die Sarah Graves,2005-10-25 Jacobia Jake Tiptree traded her power broker life for a run down dream house in peaceful Eastport Maine But the do it yourself enthusiast is learning that no matter how carefully you build your home murder has a way of slipping in through the cracks It s a bright June afternoon and old house fixer upper Jake Tiptree is driving through downeast Maine on an unusual errand She s getting ready to interview a large angry man with a criminal history Jim Diamond may or may not be harassing his ex wife with life threatening letters but Jake promised her new housekeeper Bella Diamond she d look into the matter An ex con and a deadbeat Jim Diamond doesn t have a history of violence that is not until Jake arrives at his apartment and discovers that a killer has been there first Suddenly Jake and her best friend Ellie White find themselves at the center of a murder with too many suspects and too few clues And as if that s not enough Jake is now saddled with the manic Bella whose certainty that she ll be the next victim is fueling a supercompulsive neatness one that threatens to clean Jake and her long suffering husband Wade out of house and home Add to that a moose in her kitchen a rebellious son with a habit of dumping Miss Right for Miss Wrong and a troublesome ex of

her own and Jake is already at wit's end. Then she gets word that a horde of her dad's long lost relatives mean to descend on Eastport intending to be put up at her far from fixed up fixer upper. When the killer does strike again it's not where Jake expects and the victim couldn't be more of a surprise. For this is a case bigger than the usual angry ex-spouse variety and now that Jake and Ellie have gotten themselves involved they've each won a special place in a ruthless murderer's master plan of greed, deception and death. And the prize? A pair of eternally private rooms six feet under.

Nail Biter Sarah Graves, 2006-10-31 Jacobia Jake Tiptree took the dangerous plunge from Wall Street power broker to homeowner. Now the do-it-yourself enthusiast is about to discover that her own dream house is built on a foundation of murder. Buying a beachfront fixer upper to lease out to Eastport Maine's burgeoning tourist crowd seems like a good idea to Jake Tiptree and her best friend Ellie White. But working double time as landladies to a coven of wannabe witches isn't what they had in mind. And it only gets worse when Jake is called out one stormy night to make a repair and stumbles on a dead body in the utility shed. A small time thief and street preacher with a particularly violent message, the deceased was no favorite of Jake's nor of anyone else in Eastport. But what's he doing shot to death on Jake's property? Jake's bewitching tenants, including an ex-cop, a con man and a mute teenage girl, claim to have been too busy conjuring spells to have heard or seen a thing. Then a member of the coven disappears without a trace and Jake doesn't think it's a case of witchcraft but a kidnapping or worse. Scandal, secrets and a mysterious box buried deep in the foundation of her own home are just the beginning of a mystery that threatens to bring Jake's house and life crashing down. Now she and Ellie are racing to find a missing girl who may be the key to it all or lead them to a killer holding the final nails to their coffins. Praise for the Home Repair Is Homicide Mysteries of Sarah Graves. Anyone who can mix slaughter and screwdrivers is a genius. Plus anyone who has bought a home that needs even a new toilet seat is probably consumed with murderous thoughts. Boston Herald. Like the old Victorian homes she describes, Graves' stories seem to grow better with the passing of time. Readers who enjoy solving mysteries and fixing up older homes will appreciate Jake's do-it-yourself expertise in both areas. Booklist. A sleuth as tough as the nails she drives into the walls of her 1823 Federal home enhances a clever plot which comes to an unexpected and explosive conclusion. Many will relish the vividly described Down East setting but for anyone who's ever enjoyed making a home repair it's the accurate details of the restoration of Jake's old house that will appeal. Publishers Weekly. Think Diane Mott Davidson with a tool belt instead of recipes. Denver Post.

Triple Witch Sarah Graves, 2009-09-16 Jacobia Tiptree saved her sanity and her son Sam the day she abandoned Wall Street for the seacoast village of Eastport Maine. In her new home, a charmingly dilapidated fixer upper, she looks forward to repairing old radiators and restoring antique shutters for years to come. But Jake's hopes of serenity are dashed when tiny Eastport erupts in a crime wave. Hometown bad boy Kenny Mumford, old flame of Jake's best friend and fellow sleuth Ellie White, is the first victim. When his corpse washes up on the beach at Prince's Cove, all evidence points to a drowning except the bullet hole in his forehead. When bodies begin littering the Maine scenery, Jake and Ellie learn

that the ante on Kenny's small town antics has been upped. Add a pair of unwelcome arrivals: Jake's ex husband and an unscrupulous New York ex money mogul and you've got a blueprint for more deadly danger than one house can hold. **The Dead Cat Bounce** Sarah Graves, 2009-10-07. dead cat bounce is stock market jargon for a small temporary rise in a stock's trading price after a sharp drop. Since she bought her rambling old fixer upper of a house Jacobia Tiptree has gotten used to finding things broken. But her latest problem isn't so easily repaired. Along with the rotting floor joists and sagging support beams there's the little matter of the dead man in Jake's storeroom: an ice pick firmly planted in his cranium. Not much happens in her tiny Maine town but that's about to change. Jake's unknown guest turns out to be a world famous corporate raider, local boy turned billionaire Threnody McIlwaine. When Jake's best friend and quiet and dependable Ellie White readily confesses to the murder, cops and journalists swarm into snowbound Eastport. Jake smells a cover up and begins poking into past history between McIlwaine and Ellie's family. But someone doesn't like nosy neighbors and Jake's rustic refuge may become her final resting place. **The Book of Old Houses** Sarah Graves, 2007-12-26. Once upon a time Jacobia Jake Tiptree was a hotshot money manager to Manhattan's rich and dreadful until she left city life behind for a centuries old fixer upper in the quaint seaside town of Eastport, Maine. But even this tiny haven has its hazards and they can be astonishingly deadly. When a mysterious book is unearthed from the foundation of Jake's 1823 fixer upper she immediately sends it off to local book historian Horace Robotham. After all there must be a logical explanation for why the long buried volume has her name in it written in what looks suspiciously like blood. But all logic goes out the window when the book disappears and Horace turns up dead. The suspects include Horace's spoiled daughter who has enough credit card debt to give killing her rich daddy a certain appeal. And just about everyone's pointing fingers at a local crackpot with a penchant for black magic and an unholy lust for its artifacts including antique texts inked in blood. To complicate matters further there's a mysterious stranger in town with vengeance in his heart and a gun in his pocket. Never mind that Jake's just taken a sledgehammer to her ancient bathroom. Or that she forgot she's set to host a party for Eastport's most treasured teacher. She's also about to lose her beloved housekeeper on account of her father's hasty marriage proposal and her son Sam has just taken his first tentative steps toward sobriety. But all that will have to wait because when two more victims turn up in a town better known for its scenic views and historic homes than its body count she and her comrade in sleuthing Ellie White need to go on the prowl to find someone who may believe that the pages of an ancient book are the blueprint for a perfect murder. **Trap Door** Sarah Graves, 2007-11-27. When Jacobia Jake Tiptree left behind her high powered high risk career on Wall Street for the charming town of Eastport, Maine she expected a quiet life spent fixing up her 1823 Federal style house. But there are skeletons in her closet that may prove beyond repair. Suddenly the perils of the stock market pale in comparison to the murder mayhem and mystery of remodeling. **Knockdown** Sarah Graves, 2011-04-26. Jacobia Jake Tiptree is deep in her latest home improvement project: repainting the porch of her lovingly restored house in Eastport, Maine when she notices the

man repeatedly biking past her house His face is unsettlingly familiar but his chilling message seems inexplicable Blood shows up again Murder will out Then there s the anonymous email warning her to beware the Fourth of July just two days away Jake remembers some shady characters from her days as a hotshot financial manager but she s baffled as to the identity of her nemesis until she receives a photo of a murdered man From home invasion to kidnapping this twisted killer is slowly but surely plotting a knockdown not just for Jake but for the entire town of Eastport BONUS This edition includes an excerpt from Sarah Graves s *Dead Level* Crawlspace Sarah Graves,2009-12-29 BONUS This edition contains an excerpt from Sarah Graves s *Knockdown* When a bestselling true crime author arrives in Eastport Maine to research the infamous Dodd murders for a new book she finds herself about as welcome as a spoiled clam But surely no one in the quaint seaside town would harm the crime writer or would they Suddenly the unsolved and not quite forgotten slayings of the wealthy Dodd women go from cold case to hot topic while just as quickly onetime Wall Streeter Jacobia Jake Tiptree turns from probing the mysteries of old house insulation to an investigation that s reopened old wounds and unearthed a string of deadly secrets Jake would have preferred to insulate herself and her family from danger but someone with a taste for terror has already crept closer than she dares to imagine **Dead Level** Sarah Graves,2012-11-27 In this new *Home Repair Is Homicide* Mystery a killer with a screw loose sets his sights on Jacobia Jake Tiptree whose latest renovation project becomes a dire matter of life and deck Driving to a cottage in the Maine woods with her best friend Ellie White Jacobia Jake Tiptree has a challenging week ahead of her She bet her husband that she could finish building the cottage porch in only a few days a lofty goal for even the craftiest home renovator But as Jake and Ellie set to work they soon realize that they re not alone Dewey Hooper a recently escaped convict is watching them Jake s testimony got him sent away for murder years ago and here in the remote wilderness he can exact his revenge Tough as nails and not afraid to defend themselves Jake and Ellie are determined to keep their wits about them to prevent the quaint little cottage from turning into the ultimate death trap Praise for Sarah Graves and the *Home Repair Is Homicide* series Readers won t be able to put this page turner down but it will certainly make them think twice about vacationing at that Maine lakeside cottage Leslie Meier author of the *Lucy Stone* mysteries Just hearing her list the ways you can kill yourself fixing up an old house is a hoot The New York Times Book Review Graves makes rehabbing shutters and other chores suspenseful The Boston Globe Complete with *Home Repair Is Homicide* repair tips *Cassette Books* Library of Congress.
