Mama's Diamonds Emcie Day, 2008-12-20 Ms Day was born and raised in a small town in upstate New York during the late 30 s through the early 50 s Being part of a family of nine children and an alcoholic father brought on many hardships yet there were many

delightful moments as well. **Mama's Diamonds** is a collection of these tales. The story tells of the extent that the mother and children of this poor Irish family had to go through and the things they had to endure in order to survive. Their wily nature helped. **Mama O'Brien** loved all her children and would have been shocked to know what devious means they used and the risks they took in order to obtain some of the necessities of life. Perhaps she knew but just couldn't bear to acknowledge that this was for the most part required in order to supplement the meager substance provided by their father. One might ask about her precious diamonds and their worth and why couldn't they be used to help support the family but they did just not in a materialistic sense.

When My Ghost Sings Tara Sidhoo Fraser, 2023-09-19. A lucid exploration of amnesia, selfhood and who is left behind when the past is obliterated. Tara Sidhoo Fraser is thirty-one years old when a rare mutation in her brain causes a stroke. Awakening after surgery with no memory of her previous life, she attempts to piece it all back together through a haze of amnesia. Yet as memories do begin to surface, they are seen through someone else's eyes: the person whose body she stole, whom she calls Ghost. Fighting to stabilize her existence, Tara struggles with the gulf between who she was and who she is now while constantly battling and paying penance to Ghost. She meets Jude who is also contending with their identity, the gap between who they are and who they present to the world. As Jude's transition progresses and they begin testosterone injections, Tara's conflict with Ghost heightens. Ghost's voice becomes stronger and memories buried in the body they now share of hospital visits, old desires, and her ex threaten Tara's new relationship. She burrows deeper into the mystery of who she once was, recognizing the need to fuse herself and Ghost into one. **When My Ghost Sings** is a lyrical memoir of healing, a farewell letter, and an embracing reclamation of selfhood. The Christian Mama's Guide to Grade School Years Erin MacPherson, 2013-04-08. Prepares moms for the time when their school-aged kids take their first few steps into the world and away from mama's nest. Sending a child off to school is a whole lot more than stocking up on school supplies and packing a somewhat healthy lunch. This helpful guidebook walks Christian moms through discovering a long-term vision for the person that Christ has purposed for your child, to become, instilling a sense of who I am and where I came from in your child, choosing a school for your kids, helping your kids to develop key attributes: courage, kindness, perseverance that lead to success in school, dealing with teachers, sports, and lessons, navigating those difficult conversations that will come sooner rather than later. A special feature includes sidebars from the Principal's Office with insights from a 35-year elementary school principal and educator. Moms will learn how to cover their children in prayer so that their launch into the world and away from her control is done with grace and wisdom, helping them grow into the men and women God intended them to be.
