Man Against Mortality Juniper Dean, 1974 **Death, Ritual, and Belief** Douglas Davies, 2002-04-30 Describing a great variety of funeral ritual from major world religions and from local traditions this book shows how cultures not only cope with corpses but also create an added value for living through the encouragement of afterlife beliefs The explosion of interest in death in recent years reflects the key theme of this book the rhetoric of death the way cultures use the most potent weapon of words to bring new power to life This new edition is one third longer than the original with new material on the death of Jesus the most theorized death ever which offers a useful case study for students There is also empirical material from contemporary recent events such as the death of Diana and an expanded section on theories of grief which will make the book more attractive to death counsellors We Have Only This Life to Live Jean-Paul Sartre, 2013-06-04 Jean Paul

Sartre was a man of staggering gifts whose accomplishments as philosopher novelist playwright biographer and activist still command attention and inspire debate Sartre's restless intelligence may have found its most characteristic outlet in the open ended form of the essay For Sartre the essay was an essentially dramatic form the record of an encounter the framing of a choice Whether writing about literature art politics or his own life he seizes our attention and drives us to grapple with the living issues that are at stake We Have Only This Life to Live is the first gathering of Sartre's essays in English to draw on all ten volumes of Situations the title under which Sartre collected his essays during his life while also featuring previously uncollected work including the reports Sartre filed during his 1945 trip to America Here Sartre writes about Faulkner Bataille Giacometti Fanon the liberation of France torture in Algeria existentialism and Marxism friends lost and found and much else We Have Only This Life to Live provides an indispensable panoramic view of the world of Jean Paul Sartre
