The Power of Prophecy P.B.R. Carey,2015-03-20 National hero Javanese mystic pious Muslim and leader of the holy war against the Dutch between 1825 and 1830 the Yogyakarta prince Dipanagara 1785 1855 otherwise known as Diponegoro is pre eminent in the pantheon of modern Indonesian historical figures Yet despite instant name recognition in Indonesia there has never been a full biography of the

prince's life and times based on Dutch and Javanese sources *The Power of Prophecy* is a major study which sets Dipanagara's life history against the context of the turbulent events of the late eighteenth and early nineteenth century when the full force of European imperialism hit Indonesia like an Asian tsunami destroying forever Java's old order and propelling the twin forces of Islam and Javanese national identity into a fatal confrontation with the Dutch. This confrontation known as the Java War in which Dipanagara was defeated and exiled marked the beginning of the modern colonial period in Indonesia which lasted until the Japanese occupation of 1942-1945. The book presents a detailed analysis of Dipanagara's pre-war visions and aspirations as a Javanese Ratu Adil Just King based on extensive reading of his autobiography the *Babad Dipanagara* as well as a number of other Javanese sources. Dutch and British records in particular the Residency Archives of Yogyakarta and Surakarta currently kept in the Indonesian National Archives provide the backbone of this scholarly work. The book will be read with profit by all those interested in the rise of Western colonial rule in Indonesia the fate of indigenous cultures in an age of imperialism and the role of Javanese Islam in modern Indonesian history. **The Minor Prophets** James E. Smith, 1994 **Thomas Merton in California** David M. Odorisio, 2024-02-03 Previously unpublished material from world renowned Trappist monk and author Thomas Merton featuring the final conference talks given in the United States before his untimely death. In May and October of 1968 Thomas Merton offered two extended conferences at Our Lady of the Redwoods Abbey a Cistercian women's community in Northern California. Comprising over twenty six hours of previously unpublished material *Thomas Merton in California* covers a variety of topics including ecology and consciousness yoga and Hinduism Native American ritual and rites of passage Sufi spirituality and inter religious dialogue along with extended discussions on prayer and the contemplative life. The material presented in these talks reveals Merton's wide ranging intellectual and spiritual pursuits in the final year of his life and fills a long standing lacuna around Merton's visits to Redwoods Monastery forming a necessary bridge to the Asian journey that was to come. Practical and applicable as well as searching and inspired *Thomas Merton in California* is essential for Merton readers and scholars and all those interested in deepening their spiritual lives. *Prophecy* A.
