Tórrez,2004 New Mexico s state archives offer a rich collection of documents from the Spanish Mexican and Territorial periods Robert J T rrez has mined this collection to produce a series of thirty six articles that give us an idea of the stark reality of everyday life what ordinary people went through to feed and protect their families keep warm worship their God deal with government bureaucracies and enjoy a few of life s pleasures Previously published in periodicals with small local circulation these essays are now available to the broader audience they deserve The essays are divided into five groups Part 1 Glimpses of Daily Life includes such topics as arranged marriages conflicts over taxes and water and weaving in New Mexico Part 2 Indian Relations shows us visits and battles with Navajo Ute and Pueblo people Part 3 on Crime and Punishment comprises essays on hangings poisonings and outlaws The Territorial Topics gathered in Part 4 is a m lrange of entertainment travel and government matters from the oddity of UFOs over Galisteo in which a Chinese balloon seems to have made its way to New Mexico in 1880 to the arrival of stagecoaches telegraphs and a circus Part 5 presents biographical sketches of seven famous and not so famous New Mexicans In an extraordinary case from

1744 Juana Mart n the wife of Joseph de Armijo accused him of carrying on an affair with Getrudes de Segura When the investigation was concluded the offending couple was found guilty and Getrudes sentenced to exile at El Paso del Norte for four years Armijo was allowed to remain in Santa Fe but was assessed the expenses of Getrudes s trip to El Paso The formal sentence pointed out Armijo s failure to live up to his responsibilities as a husband and ordered him to live amicably with his wife during Getrudes s period of exile from UFOs Over Galisteo and Other Stories of New Mexico s History The Sisters Rondoli and Other Stories Guy De Maupassant,2025-04-22 The Sisters Rondoli and Other Stories is a collection of short stories by the acclaimed French author Guy de Maupassant known for his mastery of the short story form and his keen observations of human nature and society The collection showcases a variety of tales that explore themes of love betrayal and the complexities of relationships often highlighting the darker aspects of human emotion and societal conventions The titular story The Sisters Rondoli revolves around two sisters navigating the intricacies of their lives and relationships Through their interactions Maupassant delves into themes of desire and moral conflict ultimately revealing the emotional struggles that define their experiences The narrative captures the subtleties of attraction jealousy and the societal limitations imposed on women in the 19th century The other stories in the collection continue Maupassant s exploration of human behavior characterized by his trademark irony and psychological depth He often depicts ordinary people caught in extraordinary situations using sharp dialogue and vivid imagery to create compelling narratives Each story presents a unique perspective on the human condition reflecting the author s ability to convey profound insights within a limited framework The Sisters Rondoli and Other Stories exemplifies Maupassant s skillful storytelling blending realism with moments of poignancy and tragedy The collection illustrates his keen understanding of social dynamics and personal relationships making it a significant contribution to 19th century literature and a celebration of the short story genre Where No Man has Gone Before Lucie Armitt,2012-11-12 How do women writers use science fiction to challenge assumptions about the genre and its representations of women To what extent is the increasing number of women writing science fiction reformulating the expectations of readers and critics What has been the effect of this phenomenon upon the academic establishment and the publishing industry These are just some of the questions addressed by this collection of original essays by women writers readers and critics of the genre But the undoubted existence of a recent surge of women s interest in science fiction is by no means the full story From Mary Shelley onwards women writers have played a central role in the shaping and reshaping of this genre irrespective of its undeniably patriarchal image Through a combination of essays on the work of writers such as Doris Lessing and Ursula Le Guin with others on still neglected writers such as Katherine Burdekin and C L Moore and a wealth of contemporaries including Suzette Elgin Gwyneth Jones Maureen Duffy and Josephine Saxton this anthology takes a step towards redressing the balance Perhaps above all what this collection demonstrates is that science fiction remains as particularly well suited to the exploration of woman as alien or other in our culture today as it was with the publication of

Frankenstein in 1818      **Re-reading the Short Story** Clare Hanson, 1989-06-18 This collection of essays maintaining links with theory and practice applies a critical approach to the short story form Some are theoretical in orientation covering such issues as gender and marginality while others offer readings of works by writers such as Alice Munro and John McGahern

Women Writers of Meiji and Taisho Japan Yukiko Tanaka, 2015-11-16 After centuries of repression of the female voice in literature the Meiji 1868 1912 and Taisho 1912 1926 periods in Japanese history saw important changes in both the way women wrote and the way they were read However even the most accepted female writers of these two eras were judged by criteria different from those applied to men and only the most conservative were praised by the male critics This study of the women who wrote in the modern era examines both famous and now obscure writers within the context of their moments in time and their influence on later generations of Japanese women writers Arranged chronologically the book covers the pioneering women of the early Meiji period the ethos of reactionary conservatism the romantic movement in poetry women writers of the naturalist school Taisho liberalism and the new era of literary women An introduction outlines the various schools of Japanese female writers during the late nineteenth and early twentieth centuries as well as the social and cultural trends that helped produce them The text is appropriate for both well read scholars of Japanese literature and newcomers to the works of the fair ladies of the back chamber as these creative and driven writers were once called      **The Strange**

**History of Suzanne LaFleshe and Other Stories of Women and Fatness** Susan Koppelman, 2003 Spanning a century from Kate Chopin and Fannie Hurst to J California Cooper and Elana Dykewomon this bold and deeply satisfying anthology of women s stories explores women s relationships to and perceptions of their physical selves Addressing the peculiarities the pleasures and the shames of body politics these stories of bodies that refuse to be contained offer a variety of perspectives on fully inhabiting the flesh Whether celebrating bodies deemed transgressive or simply daring to acknowledge that such bodies exist these diverse literary representations of fatness render the excessive body brilliantly unapologetically visible Book jacket

**Immigration and Entrepreneurship** Parminder Bhachu, 2017-09-04 Many nations invite foreigners to work within their borders but few welcome them Those countries that do receive a torrent of immigrants create pressures that analysts expect to intensify as population growth and social unrest mount in the less developed countries of the world Immigration and Entrepreneurship now in paperback offers a comparative analysis of worldwide immigration issues while focusing more specifically on the emerging influence of entrepreneurship as a potent factor in the economic and social integration of immigrants In linking the common immigrant and settler experiences with the upsurge in self employment the contributors to this volume use California as their base of comparison The state has both a huge and varied immigrant population and an entrepreneurial economy that has facilitated the formation of immigrant owned firms The Los Angeles riots of the nineties indicated the volatility of the mix Aided by ethnic and familial networks such firms have served as a route of economic advancement Immigration and Entrepreneurship offers a comparative perspective unique in the literature of

immigration by broaching the topic from both global and local perspectives Whereas most studies examine the experience of a single group or groups in a particular destination economy this volume emphasizes variations in the way different nations receive immigrants as causes of differences in immigrant behavior Among the innovative themes discussed by a range of international scholars are the entrepreneurial efforts and tensions in the garment industry in Los Angeles Paris and Berlin Koreans enterprise and identities in Los Angeles and Japan and U S immigration policies The result is a genuinely global methodology

*A Man of Many Parts* Barbara Rawlinson,2006 This comprehensive study of George Gissing's short stories and related non fiction is essential reading for students of nineteenth century realism For the first time readers will be able to follow the development which transformed Gissing's unremarkable early stories into the very individual tales that elevated his work to the vanguard of realistic short fiction Gissing's American period is notable for its accumulation of themes that were repeatedly refined and adapted for his later work causality emerging as the dominant

voice On his return to England shifting political and philosophical beliefs expressed in his non fiction had a vital impact on his second phase of short fiction and the part played by realism in the author s short stories and his writings on Charles Dickens added further dimensions to his work as a whole By the final phase of Gissing s remarkable development it is evident that his interest in the concept of causality as the major force in his short work had been replaced by a more challenging preoccupation with the human psyche This introduced philosophical sociological and psychological dimensions to Gissing s work that established him in the field of short fiction as a leading exponent of late nineteenth century realism

**Folktales and Other Stories from the Edge of the Great Thirst** Bhekumuzi Wuyane, 2015-10-06 As Bhekumuzi Wuyane perches himself on the great local dome of Dombodema he is approached by an elderly African storyteller who begins telling him about life in a harsh environment at the edge of the Kalahari Desert Amid a backdrop filled with cunning animals strong women feared and adored leaders and lovers and sworn enemies the man relays tales of the three great kingdoms that will eventually transform Wuyane and teach him valuable life lessons In his collection of twenty folk tales derived from that experience Wuyane weaves the African mans stories with others both old and new to emphasize the rapidly fading art of passing down messages through folklore As animals and people struggle both together and separately to overcome their challenges and survive in the desert leadership styles a variety of emotions and good and evil intentions are revealed illustrating the deeper meaning in every story told within the African culture When the tales conclude Wuyane meets with the older man once again relating the treasured messages he has learned Folktales and Other Stories from the Edge of the Great Thirst is a collection of stories with strong and timeless morals that will appeal to both current and future generations interested in fulfilling their visions
