Man Enough Fathers Sons And The Search For Masculinity:

Man Enough Frank Pittman, 1994-10-01 How does a boy learn to be a man A man learns masculinity primarily from his father But generations of boys who grow up without caring fathers or male mentors to emulate are left to guess what men are really like They rely on cultural icons larger than life images as models of masculinity As a result they grow up mirroring overblown myths of manhood Obsessed with being man enough they become philanderers controllers and competitors constantly overcompensating for their loss of a true role model yet sorely unprepared for family life In *Man Enough* psychiatrist and family therapist Frank Pittman explores what it is like to grow up male today With great poignancy humor and candor he weaves together case studies from his practice examples from literature and films plus personal vignettes from his own experiences as a father to examine these hyper masculine men and to illustrate how they developed and how they can change Dr Pittman asserts that men can move past proving their masculinity and start practicing it by striving with the other guys rather than against them achieving equality and intimacy with their mates and by fathering A man raises himself as he raises children and learns to understand and forgive his parents as he becomes one An important book for men and women *Man Enough* offers a new approach to issues of commitment caring and control and creates a positive model for the fathers of tomorrow s men

Man Enough Frank S. Pittman (III.), 2009 *Man Enough* Frank Pittman, 1993 *David Mamet and American Macho* Arthur Holmberg, 2012-02-02 What does it mean to be an American man Holmberg demonstrates how David Mamet s plays explore complex issues of masculinity

Why Men Fall Out of Love Michael French, 2007 The groundbreaking book that breaks the silence of the male code Why do men fall out of love It s rarely a simple issue of attraction sex or money trouble In this provocative no holds barred guide Michael French brings unparalleled insight into the male psyche and reveals why so many men feel trapped unhappy or unfulfilled and what women can do about it Based on interviews with men from all ages and walks of life this grippingly honest book illustrates why when it comes to relationships so many men feel outgunned and outmatched by women Discover The 4 relationship busters that lead couples to flounder and sink the loss of intimacy the quest for validation the perfection impulse the fading of attraction and strategies for dealing with them head on Six key reasons why men fall out of love from issues of identity power and fear to stereotypes about who they really are and what they want The truth about men and miscommunication and ways for them to open up Three questions a woman needs to ask a man before she becomes emotionally involved The Relationship Audit how couples can figure out what is driving them apart and find ways to mend their relationship By finally bringing men s true feelings to the surface Michael French offers a dramatic new approach to understanding men and their hidden emotions This guide illuminates the deeper reasons why men fall out of love and more important shows how relationships can be healed An impressive insightful and completely accessible view deep into the hearts of men and their struggle with love Joel D Block PhD author of *Naked Intimacy* Read this brilliant book and untie the knot of life why does love fade Susan Braudy former editor

of Ms Magazine *Fatherless Daughters* Pamela Thomas,2018-03-27 A moving elegantly written and exhaustively researched account of what it means for a girl to lose a father to death or divorce with advice for fatherless daughters on how to cope People who lose their parents early in life are like fellow war veterans As soon as they discover that they are talking to someone else who has lost a parent they know they are speaking the same language without uttering a word Pamela Thomas gives voice to this unspoken pain in *Fatherless Daughters* Still haunted by her own father's death when she was ten Thomas decided to explore its effects Though her journey began as a personal one she soon felt the need to hear from other women and ended up interviewing more than one hundred fatherless women They ranged in age from nineteen to ninety four they came from all areas of the country as well as Europe and Asia some had lost their fathers to death others to divorce or abandonment Each account was unique but the impact of a father's loss was profound in every woman's life Thomas begins by defining what it means to be a father in our world She discusses the initial shock of his loss exploring the aspects that color how a young girl experiences it her age at the time of her father's death or abandonment her mother's behavior and attitudes her place in the family vis vis siblings and the influence of a stepfather or father surrogates Thomas shows how a father's early death or abandonment affects a woman's emotional health and self esteem her body image her sexual experiences her marriage her family life and her career Perhaps most important Thomas offers compassionate advice for coming to terms with father loss even late in life from actively mourning to healing to starting fresh **Grow Up!** Frank Pittman,1999-07-30 Discusses the difficulties in learning to accept adulthood in our youth oriented culture and offers advice for learning to take responsibility and recognize the value of commitment and maturity **Tribades, Tommies and Transgressives; History of Sexualities** Sonja Tiernan,2009-03-26 The annual Lesbian Lives conference has been held in University College Dublin since 1993 The success of the conference held in 2006 entitled Historicising the Lesbian inspired this collection of essays From the dozens of papers delivered the chapters chosen for inclusion in this volume cover a wide period in history from the medieval to the very modern a huge range of subject areas and diverse historical interests The many subjects areas dealt with will allow a widening of our knowledge of lesbian history and encourage more in depth investigation into the many issues raised within **Working With Troubled Men** Morley D. Glicken,2006-04-21 This book offers a concise readable research grounded synthesis of the special concerns mental health and other helping professionals need to address when working with men today and explains a wealth of effective gender specific approaches to assessment and intervention that result in more successful outcomes for male clients Many more women than men seek counseling and therapy and to some extent standard services have evolved in response to female styles of communicating and problem solving Practitioners frequently feel frustrated and baffled by their male clients because they seem unresponsive to treatment approaches that work so well for women But many men benefit from therapy when practitioners understand male socialization and the ways men communicate and problem solve Too many men today are doing badly and are in real need of

help Almost half of America s male children grow up in single parent homes headed by mothers where they seldom have male mentors or role models Fewer men than women attend or graduate from college and increasing levels of binge drinking and date rape on campuses paint a discouraging picture of men on campus Male violence continues to be a serious problem in many American communities with male youth violence continuing at epidemic levels Men die younger than women overall and in much higher proportions from suicide homicide and cirrhosis of the liver

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles,2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

Jacob's Shadow Herbert Anderson,2019-11-07 In Jacob s Shadow Herbert Anderson uses his own story and the biblical story of Jacob to imagine new and more inclusive patterns of masculinity that balance power with vulnerability With a new introduction the book envisions alternatives to persisting expressions of patriarchy and toxic masculinity Each chapter begins with an event from Jacob s life that foreshadows the struggles of men today The topics explored include the following Acknowledging Vulnerability Paying Attention Nurturing Making and Keeping Friends Learning to Grieve Sharing Power In a new era of thinking about gender Anderson invites men to embrace a masculine humanity deepened by their faith in God

concern over underachievement of working class young males specifically white working class boys The historic persistence of this pattern and the ominous implication of these trends on the long term life chances of white working class boys has led to a growing chorus that something must be done to intervene This book provides an in depth sociological study exploring the subjectivities within the neoliberal ideology of the school environment in order to expand our understanding of white working class disengagement with education The chapters discuss how white working class boys in three educational sites enact social and learner identities focusing on the practices of meaning making and identity work that the boys experienced and the disjunctures and commonalities between them The book presents an analysis of the varying tensions influencing the identity of each boy and the consequences of these pressures on their engagement with education Drawing on Bourdieu's theoretical tools and a model of egalitarian habitus Identity Neoliberalism and Aspiration Educating white working class boys will be of interest to academics researchers and postgraduate students in the field of sociology of education and those from related disciplines studying class and gender

[A Man's Responsibility](#) Rabbi Joseph B. Meszler, 2011-05-06 What is Jewish men's spirituality In today's world is it necessary A provocative look at how a new generation of Jewish men can grow spiritually and in doing so strengthen the intangible bonds of family love duty and truth which ultimately lead to God It unearths the male stereotypes that exist in Judaism and color our expectations for what it means to be a Jewish man in today's world It examines Jewish sources that reveal the traditional life cycle of a man from son to partner in marriage to father and in doing so uncovers the ideals that define being a Jewish man It also views Jewish men within the context of a sacred community and what that means for the sacred obligations of manhood

Redefining Fatherhood Nancy E. Dowd, 2000-07-01 Most fathers parent less than most mothers Those fathers who do parent equally or more so than mothers are poorly supported by our society For children this means a loss of adult care as well as an ongoing and sharply defined differentiation between fathers and mothers Fathers are not present in children's lives to a significant degree if at all or when they are present they are often rendered socially invisible For many men their parenthood is defined as biological or economic while a minority of men struggle against the presumption that they are not caregivers In *Redefining Fatherhood* Nancy Dowd argues that this skewed social pattern is mirrored and supported by law Dowd makes the case for reenvisioning fatherhood away from genes and dollars and toward nurture Integrating economic social and legal aspects of fathering she makes the case for focusing on social nurturing behavior as the core meaning of fatherhood In this nuanced and complex analysis she explores the barriers to redefinition including concepts of masculinity the interconnections between fathers and mothers male violence and homophobia *Redefining Fatherhood* offers a progressive view on how men and society at large can change understandings and practices of fatherhood

[The Power of Dadhood](#) Michael Smith, 2015-04-28 *The Power of Dadhood* encourages men to father with the knowledge that they are vitally important to the futures of their children National speaker Michael Byron Smith discusses the implications of a fatherless home the challenges of parenting and the

hierarchy of fathers There are absent fathers present yet uninvolved fathers authoritative fathers loving fathers teaching fathers and many more Any man through *The Power of Dadhood* can assess himself see where he stands and make choices to become a real Dad and find the power of Dadhood

From Boys to Men Bret Stephenson, 2006-10-25 A guide to restoring the successful models used by ancient cultures the world over to raise adolescent boys Explains the negative effects of Western youth culture and how it can be transformed Offers instructions for integrating basic rites of passage into modern family life and youth programs For tens of thousands of years all across the globe societies have been coping with raising adolescents Why is it then that native cultures never had the need for juvenile halls residential treatment centers mood altering drugs or boot camps How did they avoid the high incidence of teen violence America is experiencing and how did they prevent their youth from relying on drugs and alcohol the use of which has become so prevalent in Western society In *From Boys to Men* Bret Stephenson shows readers that older cultures didn't magically avoid adolescence instead they developed successful rituals and rites of passage for sculpting teen boys into healthy young men From Aleutian Eskimos to Polynesian Islanders from tribal Africans to Australian Aborigines each culture found archetypal ways to initiate their boys into the adult community Stephenson explains the basics of rites of passage and offers insight into how to reintroduce these successful practices and traditional understandings into modern family life and programs for youth He discusses the damaging effects of our youth culture and the negative teen products that are fueled by corporate America and reveals how we can counteract these negative forces by using meaningful rites of passage to create a society with happy and healthy adolescent boys

Fatherless Generation John A. Sowers, 2010-10-02 The story of fatherlessness is being written into the heart of this generation It can be heard in our songs seen in our movies read in our blogs It is a story of grief pain and loss A story of shame loneliness and rejection A story of missed potential and wasted opportunity A story that desperately needs to be heard But fatherlessness is more than a personal tragedy It is a growing epidemic affecting more than the single life of an individual Fatherless youth are the driving force behind our society's biggest problems such as gangs teenage pregnancy drug abuse and suicide And all too often the fatherless are either marginalized or ignored How should we respond How do we meaningfully engage the growing story of fatherlessness How can the faith community enter into and begin rewriting this tragic story It is in relationship that this generation has been wounded the most deeply therefore it is in relationship where the healing must begin Intentional intergenerational mentoring is the secret and foundational ingredient behind this new story of hope Mentoring is also the most strategic way to reconcile the fatherless generation with God As we make ourselves sacrificially available to this generation we will begin to see a new wave of transformation hope born in the story of changed destinies and lives
