observers of the modern scene comes this witty intelligent and irresistible novel in the tradition of Gosford Park and Snobs A man of wealth and privilege Anthony Anscombe has everything he could ever want an exquisite family estate enviable social standing and a desirable inheritance But with all of his money and privilege Anthony still has an aching desire for one thing the perfect match Running headlong into marriage is Anthony's forte and his greatest weakness As Anthony surveys Winchford Priory his beautiful Elizabethan house in the English countryside Anthony has the distinct feeling that he's under siege And he's absolutely right He may be surrounded by his sprawling estate but lurking in the village are more than one or two reminders of his complicated past including three ex-wives a mistress and a legion of children and stepchildren all dependent on him and all determined to do whatever it takes to get what they want Meet the wives Amanda the ravishing first wife Unpredictable and mesmerizing she dared Anthony to fall in love with her and he took her up on the challenge Anthony was head over heels from the first night they danced on the rooftop of his family home Of course the free-spirited Amanda was never cut out for country life but young love is blind Sandra the steadfast second wife Sturdy dependable and domesticated Sandra pulled Anthony back from the compelling chaos that surrounded his first wife Sandra had plans to turn Anthony's estate into a proper family home until a stunning secret forced her to make a life-altering decision Dita the snobbish third wife A true force of nature Dita was smart tough rapaciously social and high maintenance She enthusiastically stormed through Anthony's life organizing and rearranging and rubbing plenty of people the wrong way particularly the previous Mrs Anscombes and their children With the entire cast of his life roosting in the village it's no wonder Anthony doesn't have a minute's peace Adding to the crazy mix is the mistress Nora a new-age hippy and acupuncturist whom Anthony seduced with disastrous consequences A Much Married Man is a wickedly funny social satire with memorable characters that will stay with readers long after the final page Like a modern-day Edith Wharton or Anthony Trollope Nicholas Coleridge delivers a sensational glimpse inside the salacious world of the upper classes
