Rushdoony, 2018-01-03 The doctrine of the infallibility of Scripture can be denied but the concept of infallibility as such cannot be logically denied Infallibility is an inescapable concept If men refuse to ascribe infallibility to Scripture it is because the concept has been transferred to something else The word infallibility is not normally used in these transfers the concept is disguised and veiled but in a variety of ways infallibility is ascribed to concepts things men and institutions This is one of two Systematic Theology booklets that would later become part of R J Rushdoony s larger Systematic Theology set

know Nobody told him that the world could be so cruel that men could be filled with such hate and corruption Now Druzeel doesn't know what to think As he struggles with these new revelations he is not even sure what to believe But he clings to hope hope that not everyone is as bad as those around him that there are others who fight for good and justice and are not just looking for ways to gain more power by any means necessary As he fights his way through crooked guards shadowy thieves and dangerous orcs he clings to his faith that his companions will hear him and turn toward the light but it may be hard to convince them when they turn their anger and hatred on him A man can only take so much abuse Druzeel does not know how much restraint he has left Can he hold his anger back and continue to believe in the power of good Or will his traveling companions force him to do something unthinkable to defend his honor The only thing he is sure of is not being sure of anything
