Sills III,2012-06-26 The Mustards Seeds is a collection of short stories based on well known bible stories but taken from unique perspectives like Judas narcissistic attitude as he recounts his valued role in Christs ministry and Peters consuming fear and doubt as he sinks needlessly into the stormy sea John has added a fun and modern element to these ancient narratives while working hard to capture the real life feelings and emotions behind these peoples experiences Perhaps you will find new insight and relevance to Gods word as you experience it anew through the minds and hearts of the Mustard Seeds Behind the Man Behind the Badge Bev Brannon,2010-06 Behind the Man Behind the Badge is a collection of short stories recounting what I did as the wife of a Special Agent in the Naval Criminal Investigative Service Or as the world knows it today NCIS A special agent s job is not only very demanding but at times the cases are extremely sensitive and secretive So as a wife living in this environment I had to find my own way in each new country where we were assigned Since NCIS is attached to various military offices in each country many of the stories involve activities with both American and foreign military personnel I also explain how I had to adjust to military life as a civilian one who had never been exposed to military life before When my husband retired and we finally returned to the United States friends and relatives would listen to my husband s intriguing tales of adventure Then invariably they would turn to me and say And what did you do Occasionally I would have the chance to tell one of my favorite stories But before long they were eagerly asking my husband to tell them another story of intrigue My own tales of intrigue though none of them are super secret types cover The Week I Went to War To Sir With Love My Nights in the Brothel One for the Grinch Modern Conveniences Titillating Tidbits just to name a few The stories are written with subtle humor compassion and honesty and relate my adventures of living in foreign countries So now this is my way of telling what it was really like Behind the Man Behind the Badge *Exit the Subzone* Tina Taylor,2012-11 They say that everything that happens happens for a specific reason and Sebastian Blackwell and Michael Reed will soon come to realize that they are no exception of this age old rule The events that will inevitably follow shall entrap Sebastian within the

unknown dimensions of his sleeping subconscious and as a result a door shall be opened Although not a sound penetrates the infinite darkness a sound is made just the same This door however isn't technically a door at all and yet in the same breath it is still an opening between the physical and spiritual realms As for Michael Reed Sebastian's best friend his path will cast him down into eternal darkness from which there will be absolutely no return Doorways are everywhere even those that shouldn't be there to begin with Still just because they shouldn't doesn't mean that they aren't there and just because we cannot see them doesn't mean that they don't exist
