

Man Enough

Justin Baldoni

Man Enough:

Man Enough Frank Pittman, 1994-10-01 How does a boy learn to be a man A man learns masculinity primarily from his father But generations of boys who grow up without caring fathers or male mentors to emulate are left to guess what men are really like They rely on cultural icons larger than life images as models of masculinity As a result they grow up mirroring overblown myths of manhood Obsessed with being man enough they become philanderers controllers and competitors constantly overcompensating for their loss of a true role model yet sorely unprepared for family life In *Man Enough* psychiatrist and family therapist Frank Pittman explores what it is like to grow up male today With great poignancy humor and candor he weaves together case studies from his practice examples from literature and films plus personal vignettes from his own experiences as a father to examine these hyper masculine men and to illustrate how they developed and how they can change Dr Pittman asserts that men can move past proving their masculinity and start practicing it by striving with the other guys rather than against them achieving equality and intimacy with their mates and by fathering A man raises himself as he raises children and learns to understand and forgive his parents as he becomes one An important book for men and women *Man Enough* offers a new approach to issues of commitment caring and control and creates a positive model for the fathers of tomorrow s men

Just Man, Enough El Dundore David, 2011-11-16 This is the Nativity story writ large and from a historically silent perspective Joseph s Now if not for the first time in the best way he is presented as man in all respects in a singularly unique position Never quite secure in his role he bears up under the enormous load that love has commanded him to bear and he grows under the burden The cost of his peculiar walk with God Home family near death experience alienation isolation poverty and as he sees them kidnapping wise men from the east The story is written from a life whose own experiential and autobiographical substance vividly colors every page This is the Nativity made relevant as never before and likely never again

Man Enough Justin Baldoni, 2021-04-27 From the director executive producer and star of *IT ENDS WITH US* Justin Baldoni a gripping deeply honest fearless personal and societal exploration of masculinity and what it means to be a man The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time In this engaging and provocative new book beloved actor director and social activist Justin Baldoni reflects on his own struggles with masculinity With insight and honesty he explores a range of difficult sometimes uncomfortable topics including strength and vulnerability relationships and marriage body image sex and sexuality racial justice gender equality and fatherhood Writing from experience Justin invites us to move beyond the scripts we ve learned since childhood and the roles we are expected to play He challenges men to be brave enough to be vulnerable to be strong enough to be sensitive to be confident enough to listen Encouraging men to dig deep within themselves Justin helps us reimagine what it means to be man enough and in the process what it means to be human

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club.
