Melville J. Herskovits** Melville Jean Herskovits,1948 A Handbook of Economic Anthropology Carrier, James G.,2022-05-13 This timely Research Agenda examines the ways in which public private partnerships PPPs in infrastructure continue to excite

policy makers governments research scholars and critics around the world It analyzes the PPP research journey to date and articulates the lessons learned as a result of the increasing interest in improving infrastructure governance Expert international contributors explore how PPP ideas have spread transferred and transformed and propose a range of future research directions [Anthropologica](#) ,2001 *Anthropological Perspectives on Intangible Cultural Heritage* Lourdes Arizpe,Cristina Amescua,2013-06-04 A decade after the approval of the UNESCO 2003 Convention for the Safeguarding of Intangible Cultural Heritage ICH the concept has gained wide acceptance at the local national and international levels Communities are recognizing and celebrating their Intangible Heritage governments are devoting important efforts to the construction of national inventories and anthropologists and professionals from different disciplines are forming a new field of study The ten chapters of this book include the peer reviewed papers of the First Planning Meeting of the International Social Science Council s Commission on Research on ICH which was held at the Centro Regional de Investigaciones Multidisciplinarias UNAM in Cuernavaca Mexico in 2012 The papers are based on fieldwork and direct involvement in assessing and reconceptualizing the outcomes of the UNESCO Convention The report in Appendix 1 highlights the main points raised during the sessions **Profile of a Little-known Tribe** Asim Maitra,1993 **Sociological Perspectives of Education** Prof. (Dr.) Shauli Mukherjee, Emmanuel Ande Ivorgba, PhD & Pranay Pandey,2023-06-30 The term Society is the most fundamental one in sociology It is used in very wide sense In common parlance the society is to refer to members of specific groups For example we speak of Harijan Society Teacher s Society and Students society and the like Similarly the word is used to refer to some specific institution like Brahma Samaj Arya Samaj etc But in sociology the term Society refers not to group of people but to the complex pattern of the norms of interaction that arise among them People are only the agents of social relationship they are regarded as things A society is intangible it is a process rather than a thing motion rather than structure Society is a web of social relationships the pattern of norms of interaction by which the members of the society maintain themselves **'Homo Religiosus' in Mircea Eliade** Saliba,2023-09-20 **Correcting the Record** Herbert S. Lewis,2024-12-01 The critique of twentieth century American anthropology often portrays anthropologists of the past as servants of colonialism who extracted information from indigenous peoples and published works causing them harm Herbert S Lewis recovers the reality of the first century of American anthropology as a vital scholarly discipline that rejected established ideas of race insisted on the value of very different ways of life and delivered irreplaceable ethnographic studies This volume presents powerful refutations of the accumulated damaging myths about anthropology s history [The Cambridge History of Science: Volume 7, The Modern Social Sciences](#) David C. Lindberg,Theodore M. Porter,Roy Porter,Ronald L. Numbers,2003-08-04 This volume provides a history of the concepts practices institutions and ideologies of social sciences including behavioural and economic sciences since the eighteenth century It offers original synthetic accounts of the historical development of social knowledge including its philosophical assumptions its social and intellectual

organization and its relations to science medicine politics bureaucracy philosophy religion and the professions Its forty two chapters include inquiries into the genres and traditions that formed social science the careers of the main social disciplines psychology economics sociology anthropology political science geography history and statistics and international essays on social science in Eastern Europe Asia Africa and Latin America It also includes essays that examine the involvement of the social sciences in government business education culture and social policy This is a broad cultural history of social science which analyzes from a variety of perspectives its participation in the making of the modern world

ESSENTIALS OF CULTURAL ANTHROPOLOGY A. R. N. SRIVASTAVA, 2012-09-19 This well organized text continues to present the social cultural anthropological concepts and theories which have influenced the mankind in the past particularly in the twentieth century between the years 1965 and 2000 The new edition is incorporated with two new sections one defining the major concepts of sociology defining society community association and so on and the other an Appendix on Tribal Movement in India The book further provides an anthropological analysis of cultural institutions relating to society economy polity folklore and art The description of the relation between language and culture and a separate chapter on Cultural Change make this text unique Examples are taken from all across the world to describe socio economic political and religious institutions and give a panoramic view of the diverse cultures This book is intended to serve as a text for undergraduate students of Anthropology and postgraduate students of Anthropology and Sociology In addition it would also be beneficial for the students preparing for various competitive examinations **KEY FEATURES** Provides theoretical orientations in cultural anthropology Contains annotated references at the end of each chapter Gives an insight into the contributions of well known anthropologists Illustrates concepts through diagrams and charts thus enhancing the value of the text

Culture's Vanities David Steigerwald, 2004 Americans want it both ways They are committed to cultural diversity yet demand an endless variety of cheap consumer goods from a global system that destroys distinct ways of life In this groundbreaking work David Steigerwald argues that Americans have papered over this paradox by embracing the rhetoric of diversity and multiculturalism which hides the extent to which they have accepted homogenized ways of working and living
