Yelverton, 2013-01-22 Look what people are saying about Sex and the Kingdom It is with much enthusiasm that I endorse and recommend Sex and the Kingdom as a book needed to bring a healthy understanding of human sexuality in an hour that is increasingly carnal Godless decadent and immoral Bishop Yelverton lays out for us a Godly perspective of sexuality which indeed is a subject that many churches and individuals within the Body of Christ will not approach In this book he has remained true to his Pentecostal

Holiness roots as well as his theological training It is a must read for all students and scholars who are serious about the Word of God and the future of the Lord s Church Indeed it appears that we are losing the battle for what is moral and decent and these kinds of writings are necessary for us to indeed hold the banner high for holiness and that the Bible is still our rule of faith and practice Bishop Donald Hilliard Jr D Min The Cathedral International Perth Amboy New Jersey Much debate is taking place in sanctuaries across the nation about same sex marriages and regrettably the discussion ends there Bishop Yelverton has pushed the envelope and the dialogue over the cliff with no parachute Sex and the Kingdom should not just be read by every believer but debated meditated and taught The celibate to the promiscuous will be captivated by every page Pastor Jamal H Bryant Empowerment Temple Baltimore Maryland My brother and friend Bishop Yelverton has expressed his heart to help realign the church s understanding of sex as designed by God This book gives a clear picture that we should get our viewpoint of sex from God s word alone Sex and The Kingdom will instruct you on biblical scriptures regarding sex and sexuality because it reflects the Kingdom and God s intent on sex This book is a must read Bishop Andrew Merritt Straight Gate International Church Detroit Michigan

**Theater of Man** J. A. Fernandez Santamaria, 1998 Born in Spain and long time resident of Bruges Juan Luis Vives is one of the keenest and most neglected minds of the northern Renaissance A many sided intellect and critical observer of the contemporary scene Vives contribution includes treatises on metaphysics psychology education rhetoric logic religion and social reform And it is precisely the central premise of this monograph that what links these diverse works together and turns Vives literary production into a whole larger than the sum of its parts is the author's single minded commitment to the Socratic dictum that an unexamined life is not worth living But because man's Fall caused him to lose his pristine ability to accomplish that task as an individual he must now do it in the context of a God mandated man created institution society whose origins and evolution Vives explains in Stoic terms Building on a foundation of Socratic Aristotelian optimism and Augustinian pessimism he concludes that social man can indeed reach the *bonitas* which alone makes beatitude possible But at a price for Vives the Skeptic insists that man must forego the use of that *ratio speculativa* which seduces him into thinking that he can probe into nature's being and understand his own divine nature
