Reading between Designs Piers D. Britton, Simon J. Looking for Alfred Johan Grimonprez, Patricia Allmer, Pinakothek der Moderne (Munich, Germany), 2007 **Imperial Desire** Philip Holden, Richard R. Ruppel, 2003 Hair, Headwear, and Orthodox Jewish Women Amy K. Milligan, 2014-09-24 Hair Headwear and Orthodox Jewish Women comments on hair covering based on an ethnographic study of the lives of Orthodox Jewish women in a small non metropolitan synagogue It brings the often overlooked stories of these women to the forefront and probes questions as to how their location in a small community affects their behavioral choices particularly regarding the folk practice of hair covering A kallah or bride makes the decision as to whether or not she will cover her hair after marriage In doing so she externally announces her religious affiliation in particular her commitment to maintaining an Orthodox Jewish home Hair covering practices are also unique to women s traditions and point out the importance of examining the women especially because their cultural roles may be marginalized in studies as a result of their lack of a central role in worship This study questions their contribution to Orthodoxy as well as their concept of Jewish identity and the ways in which they negotiate this identity with ritualized and traditional behavior ultimately bringing into question the meaning of tradition in a modern world **Acrobatic Modernism from the Avant-Garde to Prehistory** Jed

Rasula, 2020-02-27 This is a book about artistic modernism contending with the historical transfigurations of modernity As a conscientious engagement with modernity s restructuring of the lifeworld the modernist avant garde raised the stakes of this engagement to programmatic explicitness But even beyond the vanguard the global phenomenon of jazz combined somatic assault with sensory tutelage Jazz like the new technologies of modernity re calibrated sensory ratios The criterion of the new as self making also extended to names pseudonyms and heteronyms The protocols of modernism solicited a pragmatic arousal of bodily sensation as artistic resource validating an acrobatic sensibility ranging from slapstick and laughter to the pathos of bereavement Expressivity trumped representation The artwork was a diagram of perception not a mimetic rendering For artists the historical pressures of altered perception provoked new models and Ezra Pound s slogan Make It New became the generic rallying cry of renovation The paradigmatic stance of the avant garde was established by Futurism but the discovery of prehistoric art added another provocation to artists Paleolithic caves validated the spirit of all over

composition unframed and dynamic Geometric abstraction Constructivism and Purism and Surrealism were all in quest of a new mythology Making it new yielded a new pathos in the sensation of radical discrepancy between futurist striving and remotest antiquity The Paleolithic cave and the USSR emitted comparable siren calls on behalf of the remote past and the desired future As such the present was suffused with the pathos of being neither but subject to both **Typical Men**
