Martin Luther King Jr John A. Kirk, 2005 Combining the latest insights from King's biographies and movement histories this book provides an up to date critical analysis of the relationship between King and the wider civil rights movement. Delivering a fresh perspective on the relationship between the man and the movement Kirk argues that it is the interaction between national and local movement concerns that is essential to understanding King's leadership and black activism in the 1950s and 1960s. Kirk examines King's strengths and his limitations and weighs the role that King played in the movement alongside the contributions of other civil rights organizations and leaders and local civil rights activists. Suitable for undergraduate courses in 20th century US history.

Becoming King Troy Jackson, 2008-11-01 The history books may write it Reverend King was born in Atlanta and then came to Montgomery but we feel that he was born in Montgomery in the struggle here and now he is moving to Atlanta for bigger responsibilities. Member of Dexter Avenue Baptist Church November 1959 Preacher this simple term describes the twenty five year old Ph D in theology who arrived in Montgomery Alabama to become the pastor of Dexter Avenue Baptist Church in 1954. His name was Martin Luther King Jr but where did this young minister come from? What did he believe and what role would he play in the growing activism of the civil rights movement of the 1950s? In *Becoming King* Martin Luther King Jr and the Making of a National Leader author Troy Jackson chronicles King's emergence and effectiveness as a civil rights leader by examining his relationship with the people of Montgomery Alabama. Using the sharp lens of Montgomery's struggle for racial equality to investigate King's burgeoning leadership Jackson explores King's ability to connect with the educated and the unlettered professionals and the working class. In particular Jackson highlights King's alliances with Jo Ann Robinson a young English professor at Alabama State University E D Nixon a middle aged Pullman porter and head of the local NAACP chapter and Virginia Durr a courageous white woman who bailed Rosa Parks out of jail after Parks refused to give up her bus seat to a white person. Jackson offers nuanced portrayals of King's relationships with these and other civil rights leaders in the community to illustrate King's development within the community. Drawing on countless interviews and archival sources Jackson compares King's sermons and religious writings before during and after the Montgomery bus boycott. Jackson demonstrates how King's voice and message evolved during his time in Montgomery reflecting the shared struggles challenges experiences and hopes of the people with whom he worked. Many studies of the civil rights movement end

analyses of Montgomery's struggle with the conclusion of the bus boycott and the establishment of the Southern Christian Leadership Conference Jackson surveys King's uneasy post boycott relations with E D Nixon and Rosa Parks shedding new light on Parks's plight in Montgomery after the boycott and revealing the internal discord that threatened the movement's hard won momentum The controversies within the Montgomery Improvement Association compelled King to position himself as a national figure who could rise above the quarrels within the movement and focus on attaining its greater goals Though the Montgomery struggle thrust King into the national spotlight the local impact on the lives of blacks from all socioeconomic classes was minimal at the time As the citizens of Montgomery awaited permanent change King left the city taking the lessons he learned there onto the national stage In the crucible of Montgomery Martin Luther King Jr was transformed from an inexperienced Baptist preacher into a civil rights leader of profound national importance
