Melanges Decocq Une Certaine Idee Du Droit

David Bosco, Catherine Prieto

Melanges Decocq Une Certaine Idee Du Droit:

Une certaine idée du droit Dominique Allix, 2004 *White Collar Crime* Katalin Ligeti, Stanislaw Tosza, 2018-11-29 White collar crime has expanded significantly over the course of the past two decades Yet not only as the amount of national and international legislation in the field grown but it has also endured changes driving it away from the classic criminal law These trends have been reflected in changes to national legislation not infrequently prompted by supranational law for example in the financial or the environmental sector New punishing regimes have emerged such as UN blacklisting smart sanctions civil asset forfeiture financial supervisory powers compliance law and anti money laundering laws Furthermore the role of administrative sanctioning law has been growing as well as the role of private actors in the enforcement of punitive sanctions The aim of this volume is to examine how various national criminal justice systems across Europe deal with the aforementioned challenges In the first part it takes a closer look at the following national systems France Germany Poland and Sweden Furthermore it compares the European approach with the American one as a source of inspiration for unresolved difficulties and future developments Further still the authors explore those challenging issues regarding the field of economic and financial crime including the Senior Managers Regime corporate criminal liability and whistle blowers protection Timely and pertinent this is an important new work in a fast moving field Corporate Criminal Liability Mark Pieth, Radha Ivory, 2011-04-20 With industrialization and globalization corporations acquired the capacity to influence social life for good or for ill Yet corporations are not traditional objects of criminal law Justified by notions of personal moral guilt criminal norms have been judged inapplicable to fictional persons who think and act through human beings The expansion of new corporate criminal liability CCL laws since the mid 1990s challenges this assumption Our volume surveys current practice on CCL in 15 civil and common law jurisdictions exploring the legal conditions for liability the principles and options for sanctioning and the procedures for investigating charging and trying corporate offenders It considers whether municipal CCL laws are converging around the notion of corporate culture and in any case the implications of CCL for those charged with keeping corporations and other legal entities out of trouble Islam and Political-Cultural Europe W. Cole Durham, Tore Lindholm, 2016-05-06 Islam and Political Cultural Europe identifies the sometimes confusing and often contentious new challenges that arise in daily life and institutions as Islam settles deeper into Europe Critiquing past and recent assimilation efforts in the fields of education finance and security the contributors offer prospective solutions to diverse contemporary problems Exploring the interactions of Muslim Christian and secular cultures in the context of highly pluralized contemporary European societies this book offers a valuable tool for those within and outside Europe seeking to understand the far reaching implications of combining cultures the struggles of the Muslim Christian secular transition and the progress which the future promises **Sharia, Muslim States and International Human Rights Treaty Obligations** Nisrine Abiad, 2008 This research undertaken from a comparative perspective with a view to identifying any

patterns followed by Islamic countries in making declarations and reservations to the main international human rights treaties measures and analyzes to what extent Sharia affects the ratification and implementation of human rights norms by Muslim States An analysis of the various roles of Sharia reveals different approaches in the use of Islamic considerations by Muslim States At an international level Sharia has always been used upon the ratification of international human rights treaties to limit the scope of the State s engagement Internally however some recent examples of legislative amendments and judicial activities demonstrate that Sharia is and can be used to achieve a better translation of human rights norms into domestic practice

The Changing Role of SMEs in Global Business Alkis Thrassou, Demetris Vrontis, Yaakov Weber, S. M. Riad Shams, Evangelos Tsoukatos, 2020-11-08 SMEs are significant job creators and drivers of innovation and competition in most economic sectors Furthermore the traditional constraints of small and medium enterprises such as geographic operations are now being dissolved by technological developments This means that there are new opportunities for SMEs and their fundamental principles are being redefined the aims competencies strategy management practice and scope of these businesses are changing with wide ranging implications This is the first part of a two volume work that incorporates scientific chapters on SME business theory and practice Authors provide a balanced perspective of the present and future of SMEs across all business disciplines including management strategy marketing economics and finance While Volume II explores external issues such as contextual forces the effects of the financial crisis and macro economic effects this first volume focuses on the individual SME and internal issues such as innovation quality and digitization

Business for Sustainability, Volume II Demetris Vrontis, Alkis Thrassou, Leonidas Efthymiou, Yaakov Weber, S. M. Riad Shams, Evangelos Tsoukatos, 2023-11-25 This two volume edited work explores how businesses shape and are shaped by sustainability forces and phenomena Major global developments are inexorably being led by a sustainability agenda which in itself constitutes an integral part of business evolution And as context shapes content shifts in society have gradually given rise to new regulations new types of markets environmental excellence criteria for businesses new economic standards and a wide range of green technologies Reflecting the purpose of the series both volumes offer a cross section of multi disciplinary perspectives within business studies Volume 1 focuses on strategic and managerial approaches to sustainability in business including accounts on the historic origins of sustainability and its contemporary corporate sustainable models Volume 2 explores more contextually how business and social sustainability constitute indivisible and inextricable components of the same nexus Taken together they offer an original perspective on how businesses can help achieve the SDG goals and targets

Droit pénal général sénégalais Papa Assane Touré, 2024-04-25

Le droit pénal général est l'ensemble des règles communes à toutes les infractions la responsabilité et aux sanctions pénales

Partant d'une démarche synthétique et spéculative cette discipline regroupe toutes les normes qui constituent le fonds commun à toutes les infractions

Grammaire de la langue pénale le droit pénal général est le résultat d'une approche de conceptualisation et de systématisation des solutions pénales ayant fait clore une théorie générale du droit pénal

Cet ouvrage constitue le premier consacré au droit pénal sénégalais qui a pour source normative principale la loi n° 65 60 du 21 juillet 1965 portant Code pénal plusieurs fois modifiée et clarifiée par les décisions des cours et tribunaux ainsi que par les analyses de la doctrine

Ce tome aborde la principale technique du droit pénal savoir l'infraction pénale c'est-à-dire la théorie générale de l'infraction la lumière des dernières formes pénales

Il s'agit notamment de la loi n° 2020 28 du 07 juillet 2020 modifiant le Code pénal de la loi n° 2021 32 du 23 juillet 2021 modifiant le Code pénal et de la loi n° 2021 34 du 23 juillet 2021 modifiant le Code de procédure pénale créant une nouvelle catégorie d'infractions relatives à la criminalité organisée
