Healing the Fisher King G. Scott Sparrow,2005-04 A powerful true story of one man s spiritual and emotional healing on the home waters of his childhood Lured by the dream of catching a great fish in the middle years of his life the author is drawn into an initiation in which he must decide to live fully or to die The Fisherman That Got Away Richard Landerman,2025-06-30 A fly fisherman goes on a spiritual journey to discover and understand the spiritual side of a seventeenth century English fisherman pioneering biographer and author of the groundbreaking fishing book The Compleat Angler by reading Walton s writings correspondence viewing Walton s personal library visiting his birthplace parish church where he worshiped and retirement farm as well as fly fishing for English trout in Walton s angling haunts Along the way he makes new friends discovers the spiritual Izaak Walton as well as his own spirit Arc of the River Brendan McCarthy,2024-11-27 It is evident in these stories that fly fishing for McCarthy is about more than catching fish but further the places it takes us and the memories it creates FROM THE FOREWORD When McCarthy first discussed this book with me I knew he was an angler who had discovered original wisdom in the teachings of many rivers He s a man who has caught many good fish on a fly and yet during our conversations he never once mentioned a fish he had caught The attention was focused on his family ties to the sport the places he remembers the poetic arc of an angler s life and the reasons he returned to the river In his words In an upside down world I wanted to grab ahold of something meaningful I sought a place where I could find freedom and tranquility Fly fishing on a river was that place This is a book of wisdom not only about fly fishing but inherently more it touches on the immortal pursuit of becoming better at understanding ourselves The rivers of Montana are national treasures In Arc of the River McCarthy describes how fishing those majestic rivers can change one s perspective on life From the initial struggle of how to use a rod and a reel to understanding what flies to use how to read the water and where to cast fly fishing offers not only the opportunity to develop a new skill through focused practice but also the chance to

do so while immersed in some of the most peaceful and awe inspiring settings in nature Along the way the act of fishing eventually fades to the background and the angler becomes more connected to their surroundings No place offers as many incredible rivers to fish as Montana This book delves deeper into what a fly fisherman experiences on those rivers from the joy of catching rainbows on the Big Hole River to finding solitude on the Stillwater River to exploring backcountry streams in the Yellowstone High Country and finally to chasing after giant trout on the legendary Missouri and Bighorn Rivers While each fly fishing experience eventually fades away the love of the river remains Faithful Travelers James Dodson,1998 Newly divorced Dodson and his seven year old daughter Maggie share a six week unplanned fly fishing vacation which takes them from Maine to Yellowstone National Park A beautiful meditation on the bond between parent and child and the nature of love and loss Jacket **Faithful Travellers** James Dodson,1998 Armed with a fishing rod and a reel Jim Dodson embarks on a memorable journey with his seven year old daughter Maggie Only weeks after the break up of his 11 year long marriage Jim Dodson decides to take Maggie on a fly fishing pilgrimage across America in search of clear running streams elusive fish a chance to heal his wounded spirit and to explain to his daughter the vagaries of life and love **Full Circle** April Conrad,2010 Full Circle follows Dean Moone through his cancer battles and his incredible journey of faith The common thread woven throughout the experience is a passion for fly fishing symbolic of Dean s walk with God **Cast, Catch, Release** Marina Gibson,2024-09 As her twenty first birthday approached Marina Gibson received a unique gift suggestion from her parents who offered her a choice between fishing rods or jewelry In an unconventional decision she opted for fishing rods Her intention was to rekindle a childhood passion and carry on a family tradition initiated by her mother who had dedicated years to pursuing salmon in the rivers of the Scottish Highlands **Holy Water** Jerry Kustich,2017-10-25 Fly fishing essays and stories
