Tentmaking Kurt T. Kruger, 2020-09-29 Would it surprise you to know that New Testament scholars missiologists and church planting authorities cannot agree on how to define tentmaking whether or not the church should be practicing it today or even why Paul did it in the first place It s true In Tentmaking the widespread confusion and overall disagreement within the church regarding Paul s self support are exposed Commonly held assumptions are removed from their entrenched positions and myths are debunked In their place Tentmaking offers an unadorned yet powerfully convincing presentation of Paul s own self disclosed reasons for intentionally selecting to support himself in some ministry contexts but not others This well researched book provides answers to crucial questions that currently surround tentmaking as well as a practical guide intended to lead to the recovery of biblical tentmaking within the church Readers who pick up this book should be prepared to embark on an engrossing journey that will reward them with clarity on the often misunderstood topic of Paul s tentmaking

Paul in the Greco-Roman World J. Paul Sampley, 2003-11-01 Distinguished Pauline scholars offer an insightful examination of Paul and his world using carefully chosen examples to demonstrate how particular features of Greco Roman

culture shed light on Paul's letters and on his readers' possible perceptions of them **Church Missionary Intelligencer and Record**, 1913 Paul's Koinonia with the Philippians Julien M. Ogereau, 2014-11-07 Was Paul's relationship with the Philippians an economic partnership? Julien M. Ogereau explores the socio-economic dimension of Paul's koinonia with the Philippians from a Graeco-Roman perspective and argues that Paul maintained this partnership to provide financially for his mission. Page 4 of printed paper wrapper *Mission and Evangelism in a Secularizing World* Narry F. Santos, Mark Naylor, 2019-02-14 Secularization as a movement away from a religious orientation to life is strong in Canada and has influence worldwide. In this volume, missiologists and practitioners across Canada consider how an agenda of Christian mission and evangelism can be advanced in a secularizing environment. How can believers be curious and engaged rather than defensive and fearful? What changes are required from the evangelical community so that there is productive dialogue and action in ways that maintain faithfulness to the cause of Christ? What should the approach of mission be to a new generation steeped in secular narratives? How do we answer negative caricatures of Christian mission in light of the history of Residential Schools? What examples from the past teach us about developing an irenic approach? What positive trends are currently evident in Canada and around the world that counter the secularizing narrative? These questions and more are considered in this volume by Canadian scholars who recognize the importance of being relevant to society while maintaining integrity with the Gospel message. The essays address secularism in Canadian and worldwide contexts with seriousness, insight, and an underlying theme of hope, recognizing that God's mission has been accomplished, is being accomplished, and will be accomplished. *The Church School Journal*, 1902 *The Missional Entrepreneur* Mark L. Russell, 2011-06-01 Business as mission (BAM), an emerging concept and developing ministry, has drawn fascination in missions and business circles. BAM embodies the practice of using business strategically to accomplish missional purposes. Though the term is ubiquitous in mission circles, there is disparity between its meaning. There has been much theoretical discussion about BAM, but far less research accomplished on how it happens out in reality. *The Missional Entrepreneur* takes an in-depth look at business as missions in action with an eye to expose the most effective principles and practices of this movement.

**Business as Mission** C. Neal Johnson, 2011-10-10 C. Neal Johnson offers the first comprehensive guide to business as mission (BAM) for practitioners. He provides conceptual foundations for understanding BAM's unique place in global mission and prerequisites for engaging in it. Then he offers practical resources for how to do BAM, including strategic planning and step-by-step operational implementation. *Liberating the Laity* R. Paul Stevens, 2002-03 Every church has far more work than any one person can do. Even a team of professionals is not enough. The New Testament solution was for every member to be a minister. Though the priesthood of all believers was a key idea in the Reformation, it is little practised today. Following secular models, churches usually organize around the clergy who are paid by the laity to do the ministry. Paul Stevens argues that according to Scripture, the primary task of a Christian leader is not to do the work but to equip the saints to do it.

Exploring new options for pastors tentmakers and laypeople this book provides structures and strategies to best equip all the saints for ministry Versatility of Paul Robert Banks, 2023-03-23 Paul wrote in Ephesians 4:11 that Christ set the Church the role of the apostle prophet evangelist pastor and teacher Volumes have been written about Paul the apostle Much less has been written however about how versatile he was in filling the other roles In this small volume noted author Robert Banks seeks to fill these lacuna In doing so he demonstrates how amazingly gifted and flexible Paul was In the Introduction Banks noted that rather than being a ministry specialist Paul was what we might call a general practitioner His versatility in this area was important as it enabled him to model to his converts the basic forms of ministry that needed to continue after he had moved on Only so with the help of the Spirit would their communities be able to grow to maturity and impact their societies in a distinctive way **The Christian Advocate**, 1909 Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A.
