Prairie Schooner Detours I. D. Paden, 1990-04-01 **Prairie Schooner Detours**, 1949 **On the Pony Express Trail** Scott Alumbaugh, 2023-06-01 The Pony Express has a hold on the American imagination wildly out of proportion to its actual role in the history of the West The system of transporting mail to California by a relay of lone riders on swift horses ran less than eighteen months in 1860 1861 and failed by every measure of success Nevertheless it has become the most iconic symbol of the West Scott Alumbaugh was so taken with the Pony Express that at age 62 he bikepacked 1 400 miles of the trail from St Joseph Missouri to Salt Lake City Utah Alumbaugh s journey took five weeks on a route that was mostly off road sometimes through remote territory Along the way he came to see the celebrated Pony Express as a collection of fables based on a few historical facts and reshaped into a symbol of the spirit that won the West On The Pony Express Trail One Man s Bikepacking Journey to Discover History from a Different Kind of Saddle recounts Scott Alumbaugh s experience bikepacking the Pony Express Trail during the summer of 2021 The narrative follows his day to day experiences and impressions the challenges the sites he visited the country he rode through and the interactions with the people he met while taking a fresh look at the real Pony Express in the context of mid 1800s historical events along the trail The Mexican American Utah and Paiute Wars the California and Pike s Peak gold rushes the overland emigration of hundreds of thousands to Oregon and California the exodus of tens of thousands of Mormons to Utah and the increasingly contentious fight over slavery along with the looming threat of civil war **The Prairie Schooner** William Eleazar Barton, 1900 The World Rushed In J. S. Holliday, 2015-03-16 When The World Rushed In was first published in 1981 the Washington Post predicted It seems unlikely that anyone will write a more comprehensive book about the Gold Rush Twenty years later no one has emerged to contradict that judgment and the book has gained recognition as a classic As the San Francisco Examiner noted It is not often that a work of history can be said to supplant every book on the same subject that has gone before it Through the diary and letters of William Swain augmented by interpolations from more than five hundred other gold seekers and by letters sent to Swain from his wife and brother back home the complete cycle of the gold rush is recreated the overland migration of over thirty thousand men the struggle to strike it rich in the mining camps of the Sierra Nevadas and the return home through the jungles of the Isthmus of Panama In a new preface the author reappraises our continuing fascination with the gold rush experience as a defining epoch in western indeed American history Desperate Passage Ethan Rarick, 2008 Drawing on fresh archeological evidence recent research on topics ranging from survival rates to snowfall totals and heartbreaking letters and diaries made public by descendants a century and a half after the tragedy Ethan Rarick offers an intimate portrait of the Donner party ninety pioneers who became stranded in the Sierra Nevada mountains in the winter of 1846 47 and their unimaginable ordeal **The Plains Across** John D. Unruh, 1993 One of three finalists for the Pulitzer Prize in History and the winner of seven awards including the John H Dunning Prize of the American Historical Association the Ray A Billington

Holmes, 2014-10-20 The diaries and letters of women who braved the overland trails during the great nineteenth century westward migration are treasured documents in the study of the American West These eight firsthand accounts are among the best ever written They were selected for the power with which they portray the hardship adventure and boundless love for friends and family that characterized the overland experience Some were written with the skilled pens of educated women Others bear the marks of crude cabin learning with archaic and imaginative spelling and a simplicity of expression All convey the profound effect the westward trek had on these women For too long these diaries and letters were secreted away in attics and basements or collected dust on the shelves of manuscript collections across the country Their publication gives us a fresh perspective on the pioneer experience *Emigrant Trails in the Black Rock Desert* Peggy McGuckian Jones, 1980 **HIST SPOTS OLD EDN** Hero Eugene Rensch, Ethel Grace Rensch, Mildred Brooke Hoover, 1966 Now in a one volume revised edition this encyclopedia of California historical information remains an ideally practical reference to the state From the dust jacket front flap *Water and Related Land Resources, Humboldt River Basin, Nevada: Ruby Mountains sub-basin* United States.
