Hamilton, 1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach **How We Preach** Eben Kanukayi Nhiwatiwa, 2016-09-01 This book is the second of two volumes on Preaching in African Context For both seasoned preachers and beginners including students in seminaries Bible colleges and universities this second volume explores how we preach and the practice of contextual preaching in Africa The two volumes go hand in hand and Nhiwatiwa demonstrates that the principles need good practice to become contextual preaching and our practice needs principles to ensure integrity Read these volumes to see why preaching is an urgent aspect of ministry that can open new horizons and give fresh outlook for the future **Sharing the Word** Lucy Atkinson Rose, 1997-01-01 Lucy Atkinson Rose proposes a nonhierarchical communal relationship between pastor and congregation that questions traditional assumptions of preaching and offers insight from those on the margin and those outside the field of homiletics She invites preachers to practice a style of conversational preaching rooted in connectedness and a sense of mutuality between preacher and worshipers **Culture Shift** David W. Henderson, 1998-11-01 A map of today s cultural landscape guiding Christians toward more effective communication with the postmodern world **The Princeton Seminary Bulletin** Princeton Theological Seminary, 1986 No 1 of each vol is the academic catalog of the Seminary 1907 76 *Preaching about Life in a Threatening World* Ronald J. Knight,2025-04-08 Evangelism has entered a new day From the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of God relationship and community and both personal and social transformation They are very diverse but each has something to contribute to how we understand and practice evangelism This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news [Greek for Preachers](#) ,2002
