*The Immortal's Hunger* Kelli Ireland,2016-10-01 WHEN YOU PLAY WITH FIRE It was only a matter of time before Gareth Brennan had to die Before he made that ultimate sacrifice the assassin wanted to know warmth once again His recent experiences had destroyed his ability to create fire yet sexy bartender Ashley Clement was now igniting one within him As a Phoenix Ashley had limited time herself soon a male Phoenix would claim her Unless she could find a lover Gareth was the perfect man for the job Except he was no human and their union might draw even more danger But to deny their fiery attraction that was a truly impossible task

Hunger's Brides W. Paul Anderson,2011-07-27 An epic novel of genius and obsession apocalyptic lyrical and erotically charged Spanning three centuries and two cultures Hunger s Brides brings to vivid life the greatest Spanish poet of her time Sor Juana In s de la Cruz and plumbs a mystery that

has intrigued writers as diverse as Robert Graves Diane Ackerman Eduardo Galeano and Nobel laureate Octavio Paz Why did a writer of such gifts silence herself At the time of her death in 1695 Juana In s de la Cruz was arguably the greatest writer working in any European tongue yet she had never set foot in Europe Instead she was born among the descendants of the Aztec empire in the shadow of the mountain pass Cort s and his troops descended on their advance to Montezuma s capital A child prodigy from a barbarous wilderness her beauty and wit provoked a sensation at the viceregal court in Mexico City But at the age of nineteen still a favourite of the court Juana entered a convent and from that point her life unfolded between the mystery of her sudden flight from palace to cloister and the enigma of her final vow of silence signed in blood After a quarter century of graceful often sensuous poetry plays and theological argument Sor Juana chose silence which she maintained until she died of plague at the age of forty five Drawing on chronicles of the conquest and histories of the Inquisition myth cycles and archeological studies ancient poetry and early Spanish accounts of blood sacrifice Hunger s Brides is a mammoth work of inspired historical fiction framed in a contemporary mystery In the dead of a Calgary winter night a man escapes from an apartment in which a young woman lies bleeding in his arms he clutches a box he has found on her table addressed to him He is Donald Gregory a once respected now disgraced academic She is Beulah Limosneros one of his students and for a brief time his lover Brilliant erratic voracious she had disappeared two years earlier in Mexico following the thread of her growing obsession with Sor Juana Over the ensuing days and weeks as a police investigation closes in around him Gregory pieces together the contents of the box she has left him a poetic journal of her travel in Mexico diaries research notes unposted letters and a strange manuscript part biography part novel on Sor Juana Hunger s Brides is a dramatic unveiling of three intimate journeys a man s forced march to self knowledge a great poet s withdrawal from the world and a profane mystic s pilgrimage into modern Mexico in which the bones of the past constantly poke through a present built on the ruins of the vanquished Excerpt from Hunger s Brides From the moment I was first illuminated by the light of reason my inclination toward letters has been so vehement that not even the admonitions of others nor my own meditations have been sufficient to cause me to forswear this natural impulse that God placed in me that inclination exploded in me like gunpowder Sor Juana in a letter of self defence written to a bishop in 1691 just before she took a vow of silence

**Ordinary Wonders** Olesia Nikolaeva, 2018-04-01

The Deceitful Onion Bulb A Blessing to Smuggle The Conjuror of Rain In this collection of stories as whimsical as their titles award winning author Olesia Nikolaeva poignantly recounts life for Christian believers in Soviet and post Soviet Russia In a manner reminiscent of the bestselling Everyday Saints these tales reveal a common theme the subtle sometimes imperceptible movement of Divine Providence at work in the lives of saints and sinners alike Her writings bring us to what the ancient Celts called thin places where the boundaries of heaven and earth meet and the sacred and the secular can no longer be distinguished

*The Null Choir* Jason Daniel Kilhoffer,2025-06-15 In the neon drenched sprawl of Crossfall memories are currency and forgetting is a luxury few can afford Milo Gant is a burnt out netrunner haunted by the ghost of Tamsin his lover whose consciousness was torn from her body during a failed heist When a mysterious hybrid delivers a fragment of her digital soul Milo discovers she s trapped in the Ghoststream a hidden river of broken consciousnesses flowing beneath the city s networks where the victims of the Memory Collapse drift in endless loops of pain To save what remains of Tamsin Milo must navigate the treacherous depths of the Blackwire and face the Null Choir a collective of digital dead who offer him an impossible choice surrender Tamsin s fragment to anchor their fading existence or watch as CorpSpire s purge erases them all from history As Milo descends deeper into the digital underworld sacrificing pieces of himself with each level he discovers that salvation comes with a price that will transform not just his own fate but the boundary between the living and the dead forever A haunting cyberpunk odyssey about memory sacrifice and what it means to be human in a world where consciousness itself can be uploaded fragmented and forgotten Don t let me become just another ghost in the stream

**The Christian Response to Hunger in America** Barbara Muse M.Div.,2019-08-16 In this country alone there are over 22 million children receiving free or reduced meals during the school year During the summer months those same children can scarcely find a free nutritious meal Using Lamentations 2 19 as a guide Christians are to respond to the hunger that they see on the streets of America and eventually throughout the world The assignment begins at home by making sure that no child goes hungry in America I present this book to stir to move and to compel Christians to action in regards to ending hunger in the name of Jesus Christ I lay out compelling reasons biblically historically and theologically why Christians should respond to the call to feed hungry children I pray that this book liberates Christians to take action for the children in our neighborhoods in our state in our country and in the world who need food
