A History of Disinformation in the U.S. Joseph R. Hayden, 2024-06-07 This volume recounts notable episodes of distortion throughout American media history It examines several of the lurid hoaxes and conspiracy theories that have inspired press coverage as well as some of the political lies promoted by partisan gladiators whether of the eighteenth century or today The book moves beyond the sensational stories to show the enduring and systemic nature of media manipulation that occurs on far more consequential issues It exposes persistent and deeply destructive falsehoods that have been told about women people of color immigrants the LGBTQ community unions commercial products highlighting how longstanding bipartisan myths have

effectively marginalized certain groups of Americans Alongside these cases the author carefully dissects the changing nature of institutions technologies and practices of journalism in America Attention is given to the evolution of newspapers in the eighteenth and nineteenth centuries the role of broadcasting in the twentieth and the impact of the internet and social media at the dawn of the twenty first This book will appeal to readers interested in American history journalism communication studies political science and sociology

Feminism and Empire Clare Midgley, 2007-09-28 *Feminism and Empire* establishes the foundational impact that Britain's position as leading imperial power had on the origins of modern western feminism Based on extensive new research this study exposes the intimate links between debates on the woman question and the constitution of colonial discourse in order to highlight the centrality of empire to white middle class women's activism in Britain The book begins by exploring the relationship between the construction of new knowledge about colonised others and the framing of debates on the woman question among advocates of women's rights and their evangelical opponents Moving on to examine white middle class women's activism on imperial issues in Britain topics include the anti slavery boycott of Caribbean sugar the campaign against widow burning in colonial India and women's role in the foreign missionary movement prior to direct employment by the major missionary societies Finally Clare Midgley highlights how the organised feminist movement which emerged in the late 1850s linked promotion of female emigration to Britain's white settler colonies to a new ideal of independent English womanhood This original work throws fascinating new light on the roots of later imperial feminism and contemporary debates concerning women's rights in an era of globalisation and neo imperialism

History and Causality M. Hewitson,2014-01-22 This volume investigates the different attitudes of historians and other social scientists to questions of causality It argues that historical theorists after the linguistic turn have paid surprisingly little attention to causes in spite of the centrality of causation in many contemporary works of history

Toward the Visualization of History Mark Moss,2008-06-19 Over the past 50 years the influence of visuals has impacted society with greater frequency No subject is immune from the power of visual culture and this fact becomes especially pronounced with regards to history and historical discourse Where once the study of the past was books and printed articles the environment has changed and students now enter the lecture hall with a sense of history that has been gleaned from television film photography and other new media They come to understand history based on what they have seen and heard not what they have read What are the implications of this process this visualization of history Mark Moss discusses the impact of visuals on the study of history with an examination of visual culture and the future of print

Recognizing the visual bias of the younger generations and using this as a starting point for teaching history is a critical component for reaching students By providing an analysis of photography film television and computer culture Moss uses the Holocaust as an historical case study to illustrate the ways in which visual culture can be used to bring about an awareness of history as well as the potential for visual culture becoming a driving force for social and cultural change

Sexuality in China Howard Chiang,2018-06-15 What was sex like in China from imperial times through the post Mao era The answer depends of course on who was having sex where they were located in time and place and what kind of familial social and political structures they participated in This collection offers a variety of perspectives by addressing diverse topics such as polygamy pornography free love eugenics sexology crimes of passion homosexuality intersexuality transsexuality masculine anxiety sex work and HIV AIDS Following a loose chronological sequence the chapters examine revealing historical moments in which human desire and power dynamics came into play Collectively the contributors undertake a necessary historiographic intervention by reconsidering Western categorizations and exploring Chinese understandings of sexuality and erotic orientation

Sexualities in History Kim M. Phillips,Barry Reay,2013-10-18 Over the past twenty years historians have overturned nearly everything we once took for granted about human sexuality Gender

sexual orientation deviance and even the biology of sex have been unmasked for what they are historically specific culturally contested and above all unstable constructions

The History on Film Reader Marnie Hughes-Warrington, 2009 Offers readers an introduction to just under 30 critical and representative writings on the relationship between film and history These writings represent a combination of insights from film theory cultural studies historiography the history of cinema and film promotion and reception

Offshore Attachments Chelsea Schields, 2023-05-23 In this highly original work historian Chelsea Schields illuminates how the contested management of sex and race transformed the Caribbean into a crucial site in the global oil economy By the mid twentieth century the Dutch islands of Curaçao and Aruba housed the world's largest oil refineries To bolster this massive industrial experiment oil corporations and political authorities offshored intimacy circumventing laws regulating sex reproduction and the family in a bid to maximize profits and turn Caribbean subjects into citizens Offshore Attachments reveals that from boom to bust Caribbean people challenged and embraced efforts to alter intimate behaviors in service of the energy economy molding the industry from the ground up Moving from Caribbean oil towns to European metropolises and examining such issues as sex work contraception kinship and the constitution of desire Schields narrates a surprising story of how racialized concern with sex shaped hydrocarbon industries as the age of oil met the end of empire

Turning Archival Daniel Marshall, Zeb Tortorici, 2022-09-06 The contributors to Turning Archival trace the rise of the archive as an object of historical desire and study within queer studies and examine how it fosters historical imagination and knowledge Highlighting the growing significance of the archival to LGBTQ scholarship politics and everyday life they draw upon accounts of queer archival encounters in institutional grassroots and everyday repositories of historical memory The contributors examine such topics as the everyday life of marginalized queer immigrants in New York City as an archive secondhand vinyl record collecting and punk bootlegs the self archiving practices of grassroots lesbians and the decolonial potential of absences and gaps in the colonial archives through the life of a suspected hermaphrodite in colonial Guatemala Engaging with archives from Africa to the Americas to the Arctic this volume illuminates the allure of the archive reflects on that which resists archival capture and outlines the stakes of queer and trans lives in the archival turn
