**Angels Guide** Belinda Womack, 1997 The twelve archangels of the central soul are God's messengers bringing the message of ultimate freedom for all humanity This guide to angels includes a CD with music readings and guided meditations      [On the Other Side of the Rainbow](#) Lonny

Dargavel, 2018-06-29 The deaths of my parents on consecutive days and with the interference of the enemy caused extreme grief in my life It did however open the door of the spirit world for me in real very profound and personal manner In [On the Other Side of the Rainbow](#) I recount how my grief was transcended by remembering past readings and teachings to strengthen me and I came to develop abilities to perceive and experience my loved ones who were sharing time with me in the present The seeking to heal my soul also led me to connect with Jesus in a very real and personal way His friendship and mentorship has helped me to heal and develop spiritually He has also provided me with the protection I needed and he lifted

me up when I needed it and continues to daily Eventually we grew quite close as did my relationship with Mother Mary and Michael the archangel Without their divine help I am sure I could not have lasted in the face of the enemy Encounters with them as well as my loved ones on the other side of life have become normal occurrences I have also had encounters with other spiritual beings whom I consider allies such as Buddha Ganesh King David a fairy princess a British guard from Fort George during the 1812 War St Theresa St John Paul II and others It is especially interesting to see how my parents continued evolving once they reached the other side and how my spiritual growth and relationship with the Lord changed their course as well as my own Prior to my experiences with the Christian faith I had followed and had many other firsthand experiences that are based on truths that simply are Included in this are experiences with past lives and spiritualism as well as Buddhist teachings and Native American as well My personal experiences are based on truths and were a guided path that led to my development as a spiritual clairvoyant and light worker The book starts in more of the self help variety but soon evolves into a more complex novel that is experiential as well as unique as it embraces many teachings but is not confined by anything that is not based on truth It eventually broadens onto a serious journey with Christ but it does not leave out any past experiences and knowledge gained as a result of these truths It is not typical or confined by any religious teaching but it does not attempt to say they are not significance or important quite the opposite It is I believe a guided path from above that is meant to bring together many to break down walls not build them as what Jesus desires as are other teachers and great beings who work together to try to win this world away from the dark side and lead it into a world that desires light and welcomes it when it soon arrives I hope that my first book helps to achieve some of these
