Resolving The Innovation Paradox Enhancing Growth In Technology Companies:

Resolving the Innovation Paradox G. Haour, 2003-11-17 Innovation is central to the success of technology companies The CEOs of these companies must make a priority of ensuring that technical know how is effectively converted into value The paradox is that they rarely do Resolving the Innovation Paradox shows how to put innovation for longer term growth at the centre of the CEO radar One tool is distributed innovation Distributed innovation offers companies two main benefits First companies raise revenue by using channels such as licensing and selling innovation projects Second companies tap into external technical know how combining it seamlessly with their internal capabilities to develop high impact products and services Unconstrained by internal resources such firms gain in agility Resolving the Innovation Paradox offers examples from companies such as Generics Intel Nokia and Samsung The book is addressed to all readers interested in managing innovation
