Social Psychology of Intergroup Reconciliation Arie Nadler, Thomas Malloy, Jeffrey D. Fisher, 2008-03-10 The volume begins with an overview by Herbert Kelman discussing reconciliation as distinct from related processes of conflict settlement and conflict resolution Following that the first section of the volume focuses on intergroup reconciliation as consisting of moving beyond feelings of guilt and victimization i e socio emotional reconciliation These processes include acceptance of responsibility for past wrongdoings and being forgiven in return Such processes must occur on the background of restoring and maintaining feelings of esteem and respect for each of the parties The chapters in the second section focus on processes through which parties learn to co exist in a conflict free environment and trust each other i e instrumental reconciliation Such learning results from prolonged contact between adversarial groups under optimal conditions Chapters in this section highlight the critical role of identity related processes e g common identity and power equality in this context The contributions in the third part apply the social psychological insights discussed previously to an analysis of real world programs to bring reconciliation e g Tutsis and Hutus in Rwanda Israelis and Palestinians and African societies plagued by the HIV epidemic and the Western aid donors In a concluding chapter Morton Deutsch shares his insights on intergroup reconciliation that have accumulated in close to six decades of work on conflict and its resolution *All Rise* Robert W. Fuller, 2010 By the author of the bestselling *Some bodies and Nobodies* Overcoming the Abuse of Rank Argues that rankism abuse of the power that comes with superior rank does serious damage to our private relationships and public institutions Details how to design social institutions that overcome rankism and protect human dignity Learn more at www.BreakingRanks.net In his groundbreaking book *Some bodies and Nobodies* Robert Fuller identified a form of domination that everyone has experienced but few dare to protest rankism abuse of the power inherent in rank to exploit and humiliate someone of lower rank It plays a role in just about every form of social oppression n racism sexism homophobia and religious intolerance all have a significant element of rankism in them Most everyone has felt the sting of rankism at the hands of a dictatorial boss a condescending teacher an arrogant doctor or an imperious bureaucrat But equally most everyone has inflicted it on someone of lower rank That we are all of us both victims and perpetrators of rankism mandates a novel multifaceted strategy for confronting it Fuller isn t proposing that we do away with rank without it organizations become dysfunctional He s not advocating an egalitarian society where all are equal in rank but rather a dignitarian one where all are equal in dignity a society in which rank holders are held accountable rankism is shunned and dignity is broadly protected In *All Rise* Fuller lays the groundwork for a dignitarian society by delineating the scope and impact of rankism and then shows how a dignitarian movement can defeat it by addressing issues such as What would workplaces schools health care organizations politics religion and international relations look like if they were to embody dignitarian values What policies could we develop to defend dignity in our various social institutions How can we embody these principles in our lives and

create a culture of universal dignity All Rise offers hope and practical solutions for fashioning a world where human relationships are governed by respect and every person's right to dignity is affirmed Race, Gender, Sexuality, and Social Class Susan J. dynamics of interracial women's networks and relationships across place and time. *The Devil's Lane* illuminates early forms of sexual oppression, inviting comparative questions about authority and violence, social attitudes, and sexual tensions, the impact of slavery as well as the twisted course of race relations among blacks, whites, and Indians. Several scholars look particularly at the Gulf South, myopically neglected in traditional literature, and an outstanding feature of this collection. These eighteen original essays reveal why the intersection of sex and race marks an essential point of departure for understanding southern social relations and a turning point for the field of colonial history. The rich, varied, and distinctive experiences showcased in *The Devil's Lane* provides an extraordinary opportunity for readers interested in women's history, African American history, southern history, and especially colonial history to explore a wide range of exciting issues.

Class, Race, Gender, and Crime
Gregg Barak, Paul Leighton, Allison Cotton, 2018-03-15

Class, Race, Gender, and Crime is a popular and provocative introduction to crime and the criminal justice system through the lens of class, race, gender, and their intersections. The book systematically explores how the main sites of power and privilege in the United States consciously or unconsciously shape our understanding of crime and justice in society today. The fifth edition maintains the overall structure of the fourth edition, including consistent headings in chapters for class, race, gender, and intersections, with updated examples, current data, and recent theoretical developments throughout. This new edition includes expanded discussions of police violence and the Black Lives Matter movement, immigration, and queer criminology. This book is accompanied by instructor ancillaries. See the Resources tab for more information.

Instructor's Manual: For each chapter in the text, this valuable resource provides a chapter outline, chapter summary, and suggestions for additional projects and activities related to the chapter.

Test Bank: The Test Bank includes multiple choice, true/false, fill-in-the-blank, short answer, and essay questions for each chapter. The Test Bank is available as a Word document, PDF, or through the test management system Respondus.

Class, Race, Gender, and Crime
Paul Leighton, Gregg Barak, Allison Cotton, Carrie L. Buist, K. Sebastian León, 2024-10-14

Inequality and injustice have long been part of the structure of our society, including law, crime, and the criminal justice system. *Class, Race, Gender, and Crime*, sixth edition, explores the continuing impact of class, race, gender, sexuality, and their intersections, and how the justice system can recreate those oppressions.

Broken into three parts, the book opens with an overview of the criminal justice industrial complex and introspection about the biases in criminology. Part II, *Inequality and Privilege*, contains chapters to provide a foundation for understanding class, race, gender, and sexuality, and intersectionality. Part III, *The Administration of Law and Criminal Justice*, covers criminal law, policing, prosecution, and courts and punishment, with headings in each chapter for class, race, gender, and sexuality, and intersectionality, to provide systematic coverage. The text also highlights how immigration, criminal migration, child welfare, healthcare, and other systems are intertwined with criminal justice in the lives of different minority populations. Real-world examples of how class, race, and gender and sexuality unfold in sentencing and punishment bring theory to life, while chapter-opening vignettes illustrate key issues, and discussion questions encourage

critical thinking New to This Edition New and expanded coverage of immigration enforcement highlights its connection to criminal justice and its importance for understanding social control in our society Chapter 1 Chapter 4 Chapter 8 Chapter 9 Entirely revised Chapter 5 Understanding Gender Sexuality and Male Heterosexual Privilege offers modern and comprehensive understandings of gender and sexuality including queer theory and queer criminology that carries through later chapters Expanded Chapter 8 Law Enforcement and expanded Chapter 9 Prosecution Plea Bargains and Deportation offer new explorations such as policing of abortions and miscarriage and immigration courts respectively New conclusion discusses prison abolition so readers can understand the debate and think for themselves about how deep the need for reform goes
