Responding To The Word A Biblical Spirituality:

Responding to the Word Jerome Kodell, 1978 **Christian Responses to Spiritual Incursions into the 21st Century Church and Society** Nikolaos Asproulis, Stuart Devenish, 2020-10-30 This volume provides an account of the surprising in breaking of spiritual life that persists in our culture despite the best efforts of atheist spokespersons and secular theorists Spirituality in its varying forms is irrepressible resisting our attempts to exclude it by continuing to seep through the cracks and leak through the gaps When it is allowed to manifest itself through the Christian faith tradition it has the power to surprise transform and renew everything it touches This volume contains a series of case studies each of which describes the inner functionings and out workings of the spiritual life as a transformative point of contact between God world society and self Each chapter contains high level inquiry drawing on best practice scholarship that is deeply aware of the needs and opportunities that confront 21st century society Using the Bible in Spiritual Direction Liz Hoare, 2016-01-01 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction **Biblical Foundations of Spirituality** Barbara E. Bowe, 2017-01-26 Biblical Foundations of Spirituality invites readers to touch a finger to the flame of the Bible by offering guidance on what how and why to read Scripture as a source of spiritual nourishment The second edition builds on Barbara Bowe's acclaimed book with two new chapters by Laurie Brink and John R Barker introducing key theological concepts and exploring how biblical spirituality was first experienced and expressed in early Christian communities The book begins by exploring the many meanings of the word spirituality then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life Updated to reference the latest scholarship this book helps make the Bible more accessible and shows how it can be relevant to life today The book stresses the spiritual dimension of biblical figures search for God and shows how their insights about God from successes to dead ends can reflect our contemporary searching and struggles Biblical Foundations of Spirituality reveals the spiritual wisdom of the Bible connecting it with everyday life and spirituality With a chronology reflection questions a glossary and updated notes and bibliography as well as two new chapters the second edition of Biblical Foundations of Spirituality is ideal for classroom parish or individual reading *Almost Every Answer for*

Anthropomorphism in Christian Theology William C. Hackett, 2023-12-28 William C Hackett provides a renewed reading of Christian theology by evaluating the role of anthropomorphism in shaping negative theology Through this theological history he addresses the fear of anthropomorphism that prompted early philosophers and theologians to adopt abstract understandings of God Hackett charts the wide ranging importance of anthropomorphism to theology through figures including Balthasar Bultmann Dionysius the Areopagite and Cyril of Alexandria He argues that anthropomorphism highlights the unique conceptual problem between divine presence and absence By exploring the turn away from practical and embodied views of God in Scripture this book focuses on anthropomorphic views of God in symbols images and narratives Emphasising these forms promotes an intellectual vision of Christianity that challenges theoretical and conceptual abstraction Anthropomorphism in Christian Theology further traces the nuances between human and angelic intellect modern philosophy and theology negative theology and the concept of transcendence

Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you **The Bible Knowledge Commentary Gospels** John F.
