Will You Love Me? Tom Douglas, 2011-03 WILL YOU LOVE ME is about two broken hearts connecting in cyberspace This is the journey of our life together Our road has not always been smooth There are trials and tribulations yet when we seek that still small voice of God He will lead us down the right path It s not always what we want but it is always what we need Every individual in their personal walk of life has their own mountains and valleys to overcome When the valleys seem too dark to bear and the hills too high to climb we ask Please God will you hold onto me as You lead me through Sequel to THE LONGEST MILE

Women in Masjid Ziya Us Salam, 2019-10-18 Why do we not see Muslim women heading to a mosque for prayers on Fridays Why don t they participate in funeral prayers in the Indian subcontinent Men and women pray at al Masjid al Haram in Mecca They pray in Al Masjid al Nabavi in Medina Why cannot they pray in their neighbourhood mosques in India Islam does not discriminate between men and women The Quran promises as much reward for a roza fast a Hajj or an act of charity for a woman as a man At nearly 60 places it asks both men and women to establish prayer as opposed to merely offering prayer Establishing prayer scholars agree is done through congregation Men do it by praying in mosques But what about women They are denied the right to enter mosques across the Indian subcontinent Women in Masjid A Quest for Justice aims to give voice to those women who have been denied their due by our patriarchal society It tells the reader that Prophet Muhammad clearly permitted women to enter a mosque It is a permission well respected in mosques across West Asia Europe and America Yet in an overwhelming majority of mosques across India women are virtually barred from entry No explicit ban just a tacit one Drawing its arguments from the Quran and Hadiths the book exposes the hypocrisy of men who deny women their right to pray in mosques in the name of religion thus revealing entrenched patriarchal beliefs masquerading as faith It also tells the stories of those brave women who are fighting for their space in mosques across the world From Nizamuddin and Haji Ali Dargah to mosques in lanes and bylanes of India the fight is on Women in Masjid is all about righting a historical wrong
