Resting Place:

Resting Place Jane Rubietta, 2009-09-20 A personal retreat We've never needed it more We run from one place to the next from meetings and appointments to our kid's soccer practice from class to work to choir rehearsal from the grocery store to small group and then drop into bed later than we hoped exhausted and dreading the morning We want to slow down but don't know how and don't really believe that we can And often the idea of a personal retreat time for solitude and silence makes us feel as anxious as all our frenzied rushing What in the world would we do with an hour an afternoon or gulp a whole day of solitude with God But what is the cost of our frantic pace What are we missing by not slowing down for reflection and meditation on Scripture What kind of toll does our anxious running take on those around us and even more deeply on our own soul In Resting Place retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment wrestling with discontent overcoming our attempts to control others and fulfilling our deep desire to be loved These retreats help us enter Psalm 23 rest a place of true rest and trust in our loving gentle Shepherd Full of quotes to contemplate Scripture to meditate on questions prayer and journaling ideas and ideas for creativity Jane Rubietta leads us to and through times of silence and solitude that will follow us into our everyday world as we learn to allow Jesus to guide comfort and restore us Come to the Shepherd and find the true rest your soul is longing for

The Resting Place James E. H. Mayer, 2013-10-28 A diverse collection of writings draws the reader into the realm of overcoming sexual abuse finding a heartfelt path to forgiveness and coming to understand the power of love that resides in our inner core waiting to be released Other writings explore ways of pushing past the gloominess we all experience in life that keep so many of us from seeing the brightness that awaits us just ahead the author further explores the subjects of pride doubt embracing faith living with a compassionate heart and finding our place in life Building on insights gleaned from living in countries around the world the author explores the state of indifference that is often found among people who fail to embrace the broader human condition rather the author suggests we too often see the self-focused what's in it for me mentality that seems to have become a plague across the world The author also explores an exception to the norm in nation building He looks at the Republic of Korea and how it developed into such an economic world power when only fifty years ago it ranked among the lowest in per capita income He explores the secrets to their success and answers the question if those secrets can be adapted to the underdeveloped countries of the world The American Resting Place Marilyn
