**Inspiration Point Too** Judy Hunt, 2022-02-09 This follow up book from my first publication Inspiration Point is my continuing writing of poems prayers and reflections that have taken me through a time period of loss of elderly parents moving financial struggle disasters and a worldwide pandemic As I have gotten older I see the importance more and more of sharing my love of God family friends and our world with others through my writing The writings are my connection with God and His connection through me to others By sharing my personal experiences through my writing I am hoping that others will know that they are not alone in their feelings and struggles and that God is always there to get them through anything Return of the Gods Owen Ware, 2025 Why is mythology of vital importance for the romantics What role does mythology play in their philosophical and literary work And what common sources of influence inspired these writers across Britain and Germany at the turn of the nineteenth century In this wide ranging study Owen Ware argues that the romantics turn to mythology for its potential to transform how we see ourselves others and the world Engaging with authors such as Schiller Blake Schlegel Coleridge Novalis and Shelley Ware shows why they believe that neither perception nor reason alone can sustain a vision of the unity of all things A new mode of cognition is necessary they claim one that revives the poetic origin of mythology and reveals our own mythmaking powers The first study devoted to the rise of mythology in the British and German traditions Ware's book investigates the romantics practices of reinterpreting old myths and inventing new ones Their shared aim is nothing less than to elevate the human imagination to higher stages of self development in which philosophy and poetry as well as intellect and imagination form an integrated whole Far from calling us to return to the past the romantics work on mythology points us to a future where we can live in harmony with the personal social and
