## **Restructuring State And Local Services Ideas Proposals And Experiments:**

*Restructuring State and Local Services* Arnold Raphaelson, 1998-07-23 Under pressure from both the Federal government and private citizens local and state governments are restructuring their services including the areas of education highway and transportation While the federal government wants to reassign responsibilities to local governments voters want greater efficiency and lower taxes via privatization This edited collection considers these pressures the responses from state and local governments and specific experiments in privatizing local services The book's opening chapter presents an overview of the changing landscape while the following chapters consider possibilities in both education and highway services In education interdistrict school choice and state local structures are considered Highway services are seen in federal state and state private relationships Reporting on a variety of experiments each chapter illustrates a type of service or arrangement for restructuring governmental services

*Contracting Out Government Services* Paul Seidenstat, 1999-06-30 Privatization of government services in the United States has accelerated in the last two decades especially at the state and local levels This work focuses on contracting out the most widely used method of privatization Contributors from academia consulting firms government agencies and private providers discuss the why and how of contracting out and examine the results of contracted services including quality and cost measures of performance Some chapters apply economic theory to contracting out Others examine recent case studies of contracting out initiatives The book begins with a thoughtful essay on the theory of privatization and examines the recent record of use in state and local governments Section 1 takes an overview look at contracting out Section 2 examines contracting in the criminal justice area as well as examples of contracting in such diverse areas as trash collection and the operation of golf courses The final section looks in depth at the mechanics obstacles and effects of contracting The book points out the pluses and minuses of contracting out and points to the lessons that can be learned from the recent history of this privatization technique

**Hostile Business and the Sovereign State** Michael J. Strauss, 2018-12-14 This book describes and assesses an emerging threat to states territorial control and sovereignty the hostile control of companies that carry out privatized aspects of sovereign authority The threat arises from the massive worldwide shift of state activities to the private sector since the late 1970s in conjunction with two other modern trends the globalization of business and the liberalization of international capital flows The work introduces three new concepts firstly the rise of companies that handle privatized activities and the associated advent of post government companies that make such activities their core business Control of them may reside with individual investors other companies or investment funds or it may reside with other states through state owned enterprises or sovereign wealth funds Secondly imperfect privatizations when a state privatizes an activity to another state's public sector The book identifies cases where this is happening It also elaborates on how ownership and influence of companies that perform privatized functions may not be transparent and can pass to inherently hostile actors including

criminal or terrorist organizations Thirdly belligerent companies whose conduct is hostile to those of states where they are active The book concludes by assessing the adequacy of existing legal and regulatory regimes and how relevant norms may evolve *Public Administration & Public Management* Jan-Erik Lane, 2006-08-21 A perspective on the public sector that presents a concise and comprehensive analysis of exactly what it is and how it operates Governments in any society deliver a large number of services and goods to their populations To get the job done they need public management in order to steer resources employees money and laws into policy outputs and outcomes In well ordered societies the teams who work for the state work under a rule of law framework known as public administration This book covers the key issues of the principal agent framework and the public sector public principals and their agents the economic reasons of government public organization incentives and rationality in government the essence of public administration legality and the rule of law public policy criteria the Cambridge and Chicago positions public teams and private teams public firms public insurance public management policy Public Administration Public Management is essential reading for those with professional and research interests in public administration and public management *Civil Service Reform Act of 1978 and Reorganization Plan No. 2 of 1978* United States. Congress. Senate. Committee on Governmental Affairs, 1978 **The Municipal Year Book**, 1999 Reorganization of Federal Medical Activities United States. Commission on Organization of the Executive Branch of the Government (1947-1949), 1949 Privatization in the City E.S. Savas, 2005-05-12 A proponent of privatization since the late 1960s Savas City U of New York Baruch College examines privatization efforts in nine large US cities In particular he identifies documents and evaluates New York City's privatization program under Mayor Rudolph Giuliani Savas analyzes the successful thwarted and failed efforts in New York conc *Hearings on the Department of Education's Proposed Reorganization and Reduction-in-force* United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education, 1984 **A.T. & T. Proposed Settlement** United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 1982 Privatizing Toll Roads Wendell Lawther, 2000-06-30 Providing an in depth case study of a highly successful public private partnership this book offers valuable insights for privatizing an existing public service A mix of theory and empirical analysis the study initially creates and explains a model for the Privatization Transfer Process which serves as a guide for contracting out services Drawing on the experience of the Orlando Orange County Expressway Authority when it privatized toll road operations the book traces the steps taken through the initial decision to privatize the creation of the Request for Proposal and the review and rating of three bidder responses It then follows the awarding of the bid to the Florida Toll Services and the transition from public to private control The book also considers technical and pricing concerns as well as issues pertaining to contract management In conclusion it evaluates the entire effort By offering a detailed analysis of a very successful privatization experience the book provides a useful tool for those concerned with privatization issues **The Publishers' Trade List Annual**, 1998 Civil Service Journal, 1972
