Resurrection New Testament Witness And Contemporary Reflection:

Resurrection Pheme Perkins, 1984 *Expectations of the End* Albert Hogeterp, 2010-01-01 Since a fuller range of Qumran sectarian and not clearly sectarian texts and recensions has recently become available to us its implications for the comparative study of eschatological apocalyptic and messianic ideas in the Dead Sea Scrolls and in the New Testament need to be explored anew This book situates eschatological ideas in Qumran literature between biblical tradition and developments in late Second Temple Judaism and examines how the Qumran evidence on eschatology resurrection apocalypticism and messianism illuminates Palestinian Jewish settings of emerging Christianity The present study challenges previous dichotomies between realized and futuristic eschatology wisdom and apocalypticism and provides many new insights into intra Jewish dimensions to eschatological ideas in Palestinian Judaism and in the early Jesus movement

Preaching the Poetry of the Gospels Elizabeth Michael Boyle, 2003 Can an understanding of the poetics of the Gospels together with a reading of poetry inspired by them make the homily an art form as compelling as a poetry performance In *Preaching the Poetry of the Gospels* Elizabeth Michael Boyle O P offers a preaching guide to the Sunday Lectionary using the insights of poets to enliven and elicit more powerful homilies *Preaching the Poetry of the Gospels* demonstrates that not only the Fourth Gospel but also the Synoptics can be read with special understanding when they are interpreted as narrative poetry For each Sunday from the first Sunday in Advent through Trinity Sunday the author offers a poet's reflection on the literary devices in the liturgical texts and a gathering of poems about the gospel event Chapters are Incarnation Advent to Epiphany Redemption Ash Wednesday through Holy Week Resurrection The Sundays of Easter Transformation Ascension to Trinity Sunday and Reclaiming the Poetry of Ordinary Time *Did Jesus Rise from the Dead?* Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father's right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened *Visions of a Future*

Zachary Hayes,2017-06-15 The early part of this book is concerned with what it is in human existence that is addressed by the message of hope in the Scriptures The final four chapters present that divine promise for human destiny and the understanding of it as it is reflected on in contemporary theology Although directed mainly to advanced students of theology this book discusses issues which are of interest to many believers today whose knowledge about matters of religion has not kept pace with their knowledge of the secular disciplines **Representations of the Afterlife in Luke-Acts** Alexey Somov,2017-02-09 Questions regarding the afterlife are many and the Gospel of Luke and the book of Acts pay a great deal of attention to them why does Luke speak about several different forms of the afterlife Why is resurrection described as a person's transformation into an angelic being How many abodes are appointed for the righteous and the wicked after death Alexey Somov addresses these queries in relation to the apparent confusion and variety found in the text and in respect of the interrelatedness of these issues and their connection with other eschatological issues in Luke Acts and in relation to the wider cultural context of the Mediterranean world to which Luke belonged Every culture expresses its beliefs by means of special metaphors that allow it to comprehend supernatural realities in terms of everyday experience Belief in the afterlife was part of this metaphorical system which Luke shared with the ancient eastern Mediterranean culture Somov takes his analysis one step further by applying Cognitive Metaphor Theory to selected metaphorical aspects of the afterlife While the inconsistencies and incoherence of the combined metaphors may seem jarring to a contemporary Western reader Somov's reading enables a recognition of the specific religious metaphors used which for Luke would have been current and widely accepted *Jewish and Christian Doctrines* Bruce Chilton,Jacob Neusner,2002-01-22 Jewish and Christian Doctrines presents a concise and lucid introduction to the foundations of Judaism and Christianity The authors explore key documents of Judaism and Christianity to elucidate and illuminate the doctrinal issues which the documents raise and to examine the similarities and differences between the two faiths Subversive Symmetry George Young,2021-10-11 A rigorous analysis of Mark 6 45 56 Jesus sea walk The first part of the book argues that given the complexities which challenge the reader in Mark 6 45 56 traditional historical critical approaches lack the terminology and conceptual categories necessary to provide an adequate elucidation of the passage in all its fantastic array The second part proposes a theoretical framework for scholars to examine the Gospel of Mark using tools and terms often associated with fantasy literature and suggests that this gospel is best viewed as an illustration of ancient fantastic fiction The final part of the book shows how the tools of fantasy studies can be applied to the gospel using Mark 6 45 56 as a case in point **Thinking Faith** Anthony J. Kelly,2017-11-01 The title of this collection of essays is Thinking Faith Moods Methods and Mystery and it might need a word of explanation The aim is to suggest something of what is involved in thinking faith while indicating examples of my modest contribution over all these years Given the exuberant data of faith beliefs doctrines and tradition the task of the theologian is always to reflect on what is so richly given and to communicate in the most telling fashion its meaning There are certainly moods that colour the way

we think even though theological writing must show an intellectual concentration of some kind That is quite compatible with a great variety of approaches sometimes more hopeful sometimes more sober defensive and argumentative There is also the question of methods The strange thing about a particular theological method or style of thought is that it is seldom an explicit series of procedures It is something more spontaneous and formed through the practices of many years Quite clearly in this collection of writings a number of methods is implied Whatever the mood whatever the method the mystery remains of God Christ and who we are in that light To this degree theology is a way of thinking within mystery not outside it In this respect doing theology is humbling for us theologians when confronted with the limited span of our knowledge and our poor capacities to express it There always remain infinite expanses of what is not yet given us to see so to leave theologians inarticulate in splendid defeat And yet so much has been given even in the most routine life of the Church in its Scriptures its sacraments and in the luminous witness of the many who have gone before us and live now in the light *Faith in God Through Jesus Christ* John Farrelly,1997 In short readable essays this book looks at what ecumenical dialogue can teach us about the papacy teaching authority feminism dissent infallibility grace ordination the nature of unity and the future of the Church But mutual criticism also follows from an exchange of gifts and this book includes reflection on where reform of the Church is needed Debating Christian Theism J. P. Moreland,Khaldoun A. Sweis,Chad V. Meister,2013-08-01 Comprising groundbreaking dialogues by many of the most prominent scholars in Christian apologetics and the philosophy of religion this volume offers a definitive treatment of central questions of Christian faith The essays are ecumenical and broadly Christian in the spirit of C S Lewis s Mere Christianity and feature lucid and up to date material designed to engage readers in contemporary theistic and Christian issues Beginning with dialogues about God s existence and the coherence of theism and then moving beyond generic theism to address significant debates over such specifically Christian doctrines as the Trinity and the resurrection of Jesus *Debating Christian Theism* provides an ideal starting point for anyone seeking to understand the current debates in Christian theology **The Quest for Home** Michael F. Trainor,2001 The Quest for Home offers a way of reading Mark s Gospel from the perspective of home and household It argues that the primary living arrangement of the first Christians and the original audience addressed by the Gospel of Mark was the home This provides both the architectural and theological context for a fresh reading of the Gospel BOOK JACKET *Jesus: Miriam's Child, Sophia's Prophet* Elisabeth Schüssler Fiorenza,2015-11-19 In *Jesus Miriam s Child Sophia s Prophet* Elisabeth Schüssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological justification of domination religious exclusivism and the formation of patriarchal identity Reimagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in

terms of whether they can engender liberating visions for today Sch ssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994

Gospels Today Stephen W. Need, 2007-06-28 The Gospels Today discusses and challenges popular interpretations of familiar gospel texts and themes and quickly presents overviews of important controversies and debates Does it matter whether Jesus was born in Bethlehem or that he is understood as a prophet What do the expressions Son of Man and Son of God really mean Is there more to Jesus words about the Bread of Life than meets the eye How differently might we understand the stilling of the storm if we considered it as having to do with ancient near eastern creation myths rather than an account of a miracle Throughout we are invited by Need to join scholars in the stimulating and constructive work of learning how to critique familiar interpretations of the Bible

Annihilation Or Renewal? Mark B. Stephens, 2011 Slightly rev version of the author s thesis Ph D Macquarie University 2009 *Matthew 14-28, Volume 33B* Donald A. Paul and the Resurrected Body Matt O'Reilly, 2020-03-20 A new reading of Pauline theology ethics and eschatology grounded in social identity theory and sociorhetorical criticism Readers often think of Paul's attitude toward the resurrection of the body in individual terms a single body raised as the climax of an individual's salvation In *Paul and the Resurrected Body Social Identity and Ethical Practice* Matt O'Reilly makes the case that for Paul the social dimension of future bodily resurrection is just as important if not more so Through a close reading of key texts in the letters to the Corinthians Romans and Philippians O'Reilly argues that resurrection is integral to Paul's understanding of Christian social identity In Paul's theological reasoning a believer's hope for the future depends on being identified as part of the people of God who will be resurrected Features A clarification of the eschatological basis for Paul's ethical expectations Exploration of the social significance of Paul's theological reasoning An integration of ancient rhetorical theory with contemporary social identity theory
