Rethinking Environmental Management In The Pacific Rim Exploring Local Participation In Bangkok Thailand:

Rethinking Environmental Management in the Pacific Rim Amrita Danieri, Lois. M Takahashi, 2017-11-22 This title was first published in 2002 Environmental degradation resulting from rapid industrialization has become a serious issue for the governments of Southeast Asia This volume focuses on three interrelated factors in environmental management in Bangkok and other rapidly developing urban areas along the Pacific Rim government policy and enforcement non governmental organization intervention and community participation

Rethinking Environmental Management in the Pacific Rim Amrita Danieri, Lois. M Takahashi, 2017-11-22 This title was first published in 2002 Environmental degradation resulting from rapid industrialization has become a serious issue for the governments of Southeast Asia This volume focuses on three interrelated factors in environmental management in Bangkok and other rapidly developing urban areas along the Pacific Rim government policy and enforcement non governmental organization intervention and community participation

Informal Services in Asian Cities Asian Development Bank, 2022-08-01 While supporting the livelihoods of most of the developing world s urban poor the informal sector also deprives them of basic services and social protection Rendered vulnerable to socioeconomic threats people in the urban informal sector have suffered disproportionately during the coronavirus disease COVID 19 pandemic and face a highly uncertain future *Informal Services in Asian Cities* explores informality s forms and constraints It describes the pandemic s effects on the informal sector and how leveraging informal services can enable urban resilience Drawing on interdisciplinary research the book illustrates the transformative potential of urban planning and governance that addresses informality It also details measures that could boost the informal sector s inclusive and sustainable growth potential

Sustainability Matters Lin Heng Lye, 2010 This is a compilation of papers prepared from the best Dissertations and Study Reports prepared by students on the MSc Environmental Management programme at the National University of Singapore The chapters cover all the key aspects of environmental management The aim is to produce a reference book which will be useful to students and practitioners in the various branches of the environment

Sustainable Development: Asia-Pacific Perspectives Pak Sum Low, 2022-01-13 The Asia Pacific region has been experiencing rapid development in the past 30 years and issues relating to sustainable development will become increasingly important in the coming decades This comprehensive overview presents sustainable development from the perspectives of Asia and the Pacific with contributions from more than 70 leading international experts The first part focuses on the theories and practices of sustainable development including national and regional perspectives as well as international policies and law concerning climate change The second part highlights the challenges and opportunities of sustainable development and poverty reduction amid the changing ecological social cultural economic and political environment in this region These include issues such as the importance of science for sustainable development and related areas including sustainable energy stratospheric ozone depletion climate change land use change biodiversity and disaster risk reduction The

volume is an invaluable reference for all researchers and policy makers with an interest in sustainable development

The Politics of Civic Space in Asia Amrita Daniere, Mike Douglass, 2008-09-25 This book explores how and why civic spaces are used by different communities in Asia and what role urban governance and public participation play in the support or demise of communities Using case studies of contemporary city life throughout the contributors provide insights into the importance and value of civic space arguing that civic spaces provide not only the physical sites for civil society to function autonomously but also provide a sense of place in the form of identity meaning memory history and linkages with the wider world Each chapter focuses on the production of and access to civic spaces in a particular Asian city as well as examples of successes and failures that can inform urban policy regarding inclusive tolerant and socially vibrant city life through focused attention on the provision and continuity of civic space This book is designed to provide information to policymakers researchers and students of the developing world regarding the importance and value of civic space in terms of creating and supporting urban communities As such *The Politics of Civic Space in Asia* will be an invaluable resource for those interested in urban planning urban design public policy and political science as well as Asian studies more generally

Urban Social Capital Gregory W. Streich, 2016-02-11 This volume presents a kaleidoscopic view of the norms and forms of contemporary city life focusing especially on the processes of social capital de formation in the urban milieu It brings together studies from highly diverse urban settings such as squatter re settlement projects in Kathmandu urban funeral societies in Africa an HIV AIDS community in Los Angeles the poor of Harare pensioners in Shanghai Maori gangs in Auckland and a Roma boxing club in Prague among others Contributors draw on contemporary theory and research in social capital political economy urban planning and policy social movements civil society and democracy to explore how social norms networks connections and ties are created deployed and often frayed under conditions of social complexity inequality cultural pluralism and the ethno racial diversity and division characteristic of urban contexts throughout the world In this way the volume engages in a genuinely globalized and globalizing discussion of contemporary urban social life and stands as a unique and timely interdisciplinary contribution to the ever expanding literature devoted to social capital
