

An abstract painting featuring several figures in dynamic, expressive poses, rendered in a vibrant palette of reds, yellows, and blues. The figures are overlaid on a grid of thin, intersecting lines, creating a sense of movement and structure. The overall style is reminiscent of modernist or postmodernist art.

## **Rethinking Capitalist Development:**

**Rethinking Capitalist Development** Kalyan Sanyal, 2014-04-30 In this book Kalyan Sanyal reviews the traditional notion of capitalism and propounds an original theory of capitalist development in the post colonial context In order to substantiate his theory concepts such as primitive accumulation governmentality and post colonial capitalist formation are discussed in detail Analyzing critical questions from a third world perspective such as Will the integration into the global capitalist network bring to the third world new economic opportunities Will this capitalist network make the third world countries an easy prey for predatory multinational corporations The end result is a discourse drawing on Marx and Foucault which envisages the post colonial capitalist formation albeit in an entirely different light in the era of globalization

Rethinking Capitalist Development Tracy Mott, Nina Shapiro, 2004-10-28 This collection honours the work of the eminent economist Josef Steindl This collection charts the thinking of one of the leading economic theorist of the twentieth century

*Rethinking Capitalist Development* Tracy Mott, Nina Shapiro, 2005      **Rethinking Capitalist Development** Tracy Mott, Nina Shapiro, 2004-10-28 This collection honours the work of the eminent economist Josef Steindl Steindl s work is illuminated through a critical appraisal of its central constructs with a focus on its relevance to current economic conditions This collection charts the thinking of one of the leading economic theorists of the twentieth century      **Rethinking Racial Capitalism** Gargi Bhattacharyya, 2018-07-27 How has capitalism created or enhanced racism In what ways do the violent histories of slavery and empire continue to influence the allocation of global resources *Rethinking Racial Capitalism* Questions of Reproduction and Survival proposes a return to analyses of racial capitalism the capitalism that is inextricably linked with histories of racist expropriation and argues that it is only by tracking the interconnections between changing modes of capitalism and racism that we can hope to address the most urgent challenges of social injustice It considers the continuing impact of global histories of racist expropriation on more recent articulations of capitalism with a particular focus on the practices of racial capitalism the continuing impact of uneven development territory and border marking the place of reproductive labour in sustaining racial capitalism the marketing of diversity as a consumer pleasure and the creation of supposedly surplus populations      **The Cambridge Companion to Literature and Economics** Paul Crosthwaite, Peter Knight, Nicky Marsh, 2022-08-11 This book provides a comprehensive and authoritative guide to the interdisciplinary field of literature and economics

bigger issue than it has ever been before The relationship between present needs and future imperatives defines our contemporary challenges especially within the realms of societal aspirations business enterprises startups and SMEs The dynamic nature of today's entrepreneurial landscape characterized by ceaseless challenges and constant change underscores the urgency to align strategies with the imperatives of sustainable development Sustainable Partnership and Investment Strategies for Startups and SMEs examines this issue and the intersection between sustainable development and the practical nuances of navigating the modern entrepreneurial landscape The book serves as a comprehensive scholarly source providing in depth insights into the challenges of formulating strategies for ventures within the framework of Sustainable Development Goals SDGs From no poverty to Partnerships for the Goals it scrutinizes the latest research theoretical frameworks and powerful approaches that lie at the heart of sustainable and responsible entrepreneurship Against the backdrop of a constantly evolving world the objective of the book comes to the forefront Today's business and entrepreneurial practices grapple with an ever changing environment demanding contemporary and flexible business and investment strategies Focusing on a select set of SDGs is not just a strategic imperative but a requirement for societal well being and enduring business success

**Global Labour Studies** Marcus Taylor, Sébastien Rioux, 2017-11-27 From the rise of fully automated factories to the creation of new migrant workforces the world of work employment and production is rapidly changing By reshaping the global distribution of wealth jobs and opportunities these processes are unleashing profound social and environmental tensions as well as new political movements As a means to address these crucial themes Global Labour Studies elaborates an innovative interdisciplinary framework that builds upon the concepts of power networks space and livelihoods This approach is deployed to explore core topics including global production networks labour market dynamics formal and informal sectors migration and forced labour agriculture and environment corporate social responsibility and new labour organizations Written in a lively and engaging format that draws upon a diverse range of illustrative case studies the book provides the reader with an accessible repertoire of analytical tools and offers an essential guide to the field This makes it a uniquely rich text for undergraduate courses on global labour issues across the fields of geography politics sociology labour studies and international development

**Persistence of Poverty in India** Nandini Gooptu, Jonathan Parry, 2017-09-22 What distinguishes Persistence of Poverty from most other poverty studies is the way in which it conceptualises the problem This volume offers a variety of alternative analytical perspectives and fresh insights into poverty that are key to addressing the problem In looking at the day to day lived realities of the poor the volume points out that in order to understand poverty one must take into account the wider system of class and power relations in which it is rooted This volume suggests that democracy in India may be as big a part of the problem as it is of the solution

**Farmers, Subalterns, and Activists** Trent Brown, 2018-07-05 In theory chemical free sustainable agriculture not only has ecological benefits but also social and economic benefits for rural communities By removing farmers expenses on chemical inputs it

provides them with greater autonomy and challenges the status quo where corporations dominate food systems In practice however organisations promoting sustainable agriculture often maintain connections with powerful institutions and individuals who have vested interests in maintaining the status quo This book explores this tension within the sustainable farming movement through reference to three detailed case studies of organisations operating in rural India

*Globalization, Difference, and Human Security* Mustapha Kamal Pasha, 2013-10-23 Globalization Difference and Human Security seeks to advance critical human security studies by re framing the concept of human security in terms of the thematic of difference Drawing together a wide range of contributors the volume is framed among others around the following key questions What are the silences and erasures of advancing a critical human security alternative without making recognition of difference its central plank How do we rethink the complex interplay of human security and difference in distinct and varied spatial and cultural settings produced by global forces What is the nexus between human security and the broader field of global development What new challenges to Human Security and International Relations are produced with the rise of the post liberal or post secular subject In what ways releasing human security from identification with the territorial state helps reconceptualize culture How does Human Security serve as a subspecies of modern humanitarian thought or the latter reinforce imperial imaginaries and the structures of order and morality Is the pursuit of indigenous rights fundamentally counterpoised to the pursuit of human security What difference it might make to take the doings and beings of communities of subsistence rather than basic needs wealth seeking individuals as a point of departure in critical human security studies How does reconstruction bind post war and post disaster states and societies into the global capitalist democratic political structure COVID-19 and the Informal Economy Martha Chen, Michael Rogan, Kunal Sen, 2024-05-07

This book explores and presents findings on the impact of the COVID crisis on informal workers in Asia Africa and North and Latin America **Economic Crisis and Political Economy** R. Bellofiore, E. Karwowski, J. Toporowski, 2013-12-17 Rosa Luxemburg Oskar Lange and Micha Kalecki made important contributions to twentieth century political economy that guided the thinking of their student Tadeusz Kowalik The chapters of this volume examine how the ideas of Luxemburg Lange Kalecki and Kowalik can illuminate our understanding of the crisis in twenty first century capitalism **Political**

**Imaginaries in Twentieth-Century India** Mrinalini Sinha, Manu Goswami, 2022-01-13 This volume reconsiders India s 20th century though a specific focus on the concepts conjunctures and currency of its distinct political imaginaries Spanning the divide between independence and partition it highlights recent historical debates that have sought to move away from a nation centred mode of political history to a broader history of politics that considers the complex contexts within which different political imaginaries emerged in 20th century India Representing the first attempt to grasp the shifting modes and meanings of the political in India this book explores forms of mass protest radical women s politics civil rights democracy national wealth and mobilization against the indentured labor system amongst other themes In linking the political to shifts

in historical temporality Political Imaginaries in 20th century India extends beyond the interdisciplinary arena of South Asian studies to cognate late colonial and post colonial formations in the twentieth century and contribute to the political turn in scholarship     Capital Movements and Corporate Dominance in Latin America Noemi Levy-Orlik, Jorge A.

Bustamante-Torres, Louis-Philippe Rochon, 2021-06-25 This book addresses the problems of Latin America through two of the most important features of the post Bretton Woods economic order large corporations and weak financial markets In turn it shows that their impact on economic growth and development is feeble and short lived This resulted in income concentration and an extremely unequal distribution of wealth in the region     *The Political Economy of Work in the Global South* Anita

Hammer, Adam Fishwick, 2020-03-28 Part of the Critical Perspectives on Work and Employment series this edited collection brings together contributions from leading international scholars to initiate an important dialogue between labour process analysis and scholarship on work in the Global South This book characterises the forms of work and labour process that characterise globalising capitalism today and addresses core analytical concerns within Labour Process Theory and research on work in the South It explores how a wide range of production relations in the Global South ranging from formal to informal employment and self employment are embedded in wider social relations of gender caste religion and ethnicity and are related to wider patterns of commodification and resistance Drawing on cutting edge research the book s chapters consider a diverse range of working situations covering migrant workers in the Middle East commercial surrogacy work in India and cooperative garment workers in Argentina In offering a novel reading of the political economy of work in the Global South and shedding light on lesser considered fields of work and worker organization this volume will provide new insights for making sense of the changing world of work for students scholars labour activists and practitioners alike

*Accumulation in Post-Colonial Capitalism* Iman Kumar Mitra, Ranabir Samaddar, Samita Sen, 2016-07-29 This volume looks at how accumulation in postcolonial capitalism blurs the boundaries of space institutions forms financial regimes labour processes and economic segments on one hand and creates zones and corridors on the other It draws our attention to the peculiar but structurally necessary coexistence of both primitive and virtual modes of accumulation in the postcolony From these two major inquiries it develops a new understanding of postcolonial capitalism The case studies in this volume discuss the production of urban spaces of capital extraction institutionalization of postcolonial finance capital gendering of work forms establishment of new forms of labour formation of and changes in caste and racial identities and networks and securitization and thereby confirm that no study of contemporary capitalism is complete without thoroughly addressing the postcolonial condition By challenging the established dualities between citizenship based civil society and welfare based political society exploring critically the question of colonial and postcolonial difference and foregrounding the material processes of accumulation against the culturalism of postcolonial studies this volume redefines postcolonial studies in South Asia and beyond It is invaluable reading for students and scholars of South Asian studies sociology cultural and critical

**Inventing the Future** Nick Srnicek, Alex

Williams, 2015-10-13 Neoliberalism isn't working Austerity is forcing millions into poverty and many more into precarious work while the left remains trapped in stagnant political practices that offer no respite Inventing the Future is a bold new manifesto for life after capitalism Against the confused understanding of our high tech world by both the right and the left this book claims that the emancipatory and future oriented possibilities of our society can be reclaimed Instead of running from a complex future Nick Srnicek and Alex Williams demand a postcapitalist economy capable of advancing standards liberating humanity from work and developing technologies that expand our freedoms This new edition includes a new chapter where they respond to their various critics

*The Economic Ideas of Marx's Capital* Ludo Cuyvers, 2016-09-13

Nearly two hundred years have passed since the birth of Karl Marx and continuing to this day the influence of his economic views insights and theories can still be felt However since the publication of Das Kapital the scientific community has not been sitting idle it is time to evaluate Marx as an economist and explore what he can bring to modern economic thinking particularly post Keynesian economics Starting with Marx's schemes of reproduction which it is shown are the basis of the linear model of production as used since the 1960s by Piero Sraffa Michio Morishima and others the book reviews and assesses Marx's major economic theses These include the labour theory of value accumulation and technical change and its impact on labour the concept of unproductive labour the tendential falling rate of profits the evolution and determinants of the share of wages in national income as well as short run and long run economic dynamics The Economic Ideas of Marx's Capital updates the theses of the labour theory of value and the conditions for balanced growth using the recent scholarly literature and also further develops issues related to Marx's concept of productive labour Moreover the book analyses the intellectual relationship of Marx's economic theory with post Keynesian neo Marxism particularly in the writings of Michal Kalecki Joan Robinson and others By doing so the book shows the need and possibilities of integrating major insights of Marxist and post Keynesian theory This volume will be of interest to those who wish to explore Marx's economic theories through a non ideological approach as well as students of Marxist economics post Keynesian economics and the history of economic thought
