Theological Reflection in Eighteenth-Century Russia Adam Drozdek, 2021-02-04 The book examines the wide panorama of Russian theological reflection found in a variety of sources ecclesiastical books sermons literature poetry theater historical treatises scholarly works and free translations of theology books It presents not only the reflections of authors who remained in the framework of the official Orthodox theology but also dissenters primarily Old Believers and masons who often sought to infuse Orthodox Christianity with a more personal approach

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 *Soviet-American Relations, 1953-1960* Victor Rosenberg, 2015-01-24 Dwight D Eisenhower and Nikita Khrushchev presided over a pivotal period in Soviet American relations The ongoing Korean War and the lack of an American ambassador in Moscow illustrate the strain in Soviet American relations at the start of Eisenhower's presidency but things changed after Stalin died only 44 days later Stalin's successors began to liberalize both domestic and foreign policy in what became known as the Thaw There was an increase in diplomatic exchanges including the first modern summit conferences Of even greater importance the Soviet leaders began to reestablish the scientific cultural and tourist contacts that had been broken under Stalin Because political and ideological tensions remained and there were still restrictions on contacts the Soviet overtures can best be described as a half offered hand of friendship and perhaps it was less of a thaw than the end of a blizzard Nevertheless these contacts began a process which would help end the Cold War three decades later This history of relations between the Soviet Union and the United States during the Eisenhower and Khrushchev administrations explores political social and cultural exchanges and assesses their impact upon the two countries Besides diplomatic documents memoirs from Americans and Soviets and works of history it relies upon eyewitness accounts by journalists tourists and others to paint a detailed picture of the era Notes are included for each chapter and there is a bibliography and an index

Russia on Our Minds Delia Kuhn, Ferdinand Kuhn, 1970 **Kant in Imperial Russia** Thomas Nemeth, 2017-02-15 This book presents a comprehensive study of the influence of Immanuel Kant's Critical Philosophy in the Russian Empire spanning the period from the late 19th century to the Bolshevik Revolution It systematically details the reception bestowed on Kant's ideas during his lifetime and up to and through the era of the First World War The book traces the tensions arising in the early 19th century between the imported German scholars who were often bristling with the latest philosophical developments in their homeland and the more conservative Russian professors and administrators The book goes on to examine the frequently neglected criticism of Kant in the theological institutions throughout the Russian Empire as well as the last remaining though virtually unknown embers of Kantianism during the reign of Nicholas I With the political activities of many young radicals during the subsequent decades having been amply studied this book focuses on their largely ignored attempts to grapple with Kant's transcendental idealism It also presents a complete account of the resurgence of interest in Kant in the last two decades of that century and the growing attempts to

graft a transcendental idealism onto popular social and political movements The book draws attention to the young and budding Russian neo Kantian movement that mirrored developments in Germany before being overtaken by political events

Research Libraries, 1974 **The Economist** , 1855 Cosmic energies and mankind: graphs for reflection Николай Конюхов, 2018-09-13 This book is about the facts of fundamental dependency between the mankind development and cosmic energies both electromagnetic and non electromagnetic ones The facts are systematized in graphs Their interpretation and conclusions are a prerogative of the readers It s not a simple one For those who are used to think independently Art History as a Reflection of Inner Spiritual Impulses Rudolf Steiner, 2016-06-01 13 slide presentations Dornach Oct 8 1916 Oct 29 1917 CW 292 I am going to show you a series of reproductions of slides from a period in art history to which the human mind will probably always return to contemplate and consider for if we consider history as a reflection of inner spiritual impulses it is precisely in this evolutionary moment that we see certain human circumstances ones that are among the deepest and most decisive for the outer course of human history expressed through a relationship to art Rudolf Steiner Rudolf Steiner understood that the history of art is a field in which the evolution of consciousness is symptomatically and transparently revealed This informal sequence of thirteen lectures was given during the darkest hours of World War I It was a moment when the negative consequences of what he called the age of the consciousness soul which began around 1417 were made most terribly apparent In these lectures he sought to provide an antidote to pessimism After describing the movement of consciousness from Greece into Rome coupled with influences from the Orthodox East he showed how these influences transformed as the Middle Ages became the Renaissance The process that begins with Cimabue and Giotto develops deepens and becomes more conscious in the great Renaissance masters Leonardo Michelangelo and Raphael Then this movement continues with the Northern masters D rer and Holbein as well as the German tradition One entire lecture is devoted to Rembrandt followed by one on Dutch and Flemish paintings Themes are woven together to show how past epochs of consciousness and art live again in our consciousness soul period Replete with interesting information and more than 600 color and black and white images these lectures are rich and dense with ideas enabling us to understand both the art of the Renaissance and the transformation of consciousness it announced These lectures demonstrate to paraphrase Shelley that artists truly are the unacknowledged legislators of the age Art History as a Reflection of Inner Spiritual Impulses is a translation from German of Kunstgeschichte als Abbild innerer geistiger Impulse GA 292 Rudolf Steiner Verlag 2000 **The Nineteenth Century** , 1887 The Twentieth Century , 1887 Nineteenth Century and After , 1887 The Nineteenth Century and After , 1887 **Reflection and Intuition in a Crisis-Ridden World** S. Adil Saribay, Onurcan Yilmaz, 2024-12-06 This book provides a definitive guide to the value of reflective thinking in

the modern world showing how today's most fundamental problems are to an important degree based on citizens thinking styles. The authors highlight the importance of reflection by systematically revealing the causes underlying differences in people's thinking styles and the consequences of thinking in different ways. These different ways of thinking contribute to socio-political views and can result in misunderstandings of complex issues such as beliefs in conspiracy theories and fake news, anti-vaccine attitudes and even fundamentalism and extremism. By training and strengthening reflective thinking in society via education and other means, we can encourage individuals to challenge misinformation and their own belief systems around controversial topics. The book also explores the idea that reflection is not enough on its own and examines the shortcomings of reflection and the other skills that complement it positively, especially holistic and systems thinking. In doing so, the authors highlight how implementing a solid science-based understanding of key issues in education and society at large can contribute to the solution of problems from climate change to economic inequality. By showing how we can put our reflective capacity to good use alongside critically examining reflection in relation to modern problems experienced by humanity, this book is a fascinating reading for students, researchers and academics in psychology, politics and the broader social sciences.

Enjoying the Melody of Phrase: An Emotional Symphony within **Russia On Our Minds Reflections On Anoth**

In a world consumed by displays and the ceaseless chatter of immediate communication, the melodic beauty and mental symphony developed by the published word frequently diminish into the background, eclipsed by the persistent noise and disturbances that permeate our lives. However, situated within the pages of **Russia On Our Minds Reflections On Anoth** a wonderful literary value brimming with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts viewers on an emotional trip, well unraveling the concealed melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of this poignant analysis, we can investigate the book's main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
