Russia 1917-1945 Clare Baker,1990

Australian National Bibliography ,1996

The Cult of Ivan the Terrible in

Stalin's Russia M. Perrie,2001-10-25 Ivan IV the sixteenth century Russian tsar notorious for his reign of terror became an unlikely national hero in the Soviet Union during the 1940s This book traces the development of Ivan s positive image placing it in the context of Stalin s campaign for patriotism In addition to historians images of Ivan the author examines literary and artistic representations including Sergei Eisenstein s famous film banned for its depiction of the tsar which was interpreted as an allegorical criticism of Stalin

Historical Mechanisms

Andreas Boldt,2017-03-16 *Historical Mechanisms* argues that scientific method can provide key new insights about events that took place long ago Taking a fresh approach to historical method and theory this book contends that there is enough data to show that under certain circumstances societies have behaved and will continue to behave in similar ways throughout history In this book Andreas D Boldt discusses the possibility of utilizing natural scientific theories in order to explain historical processes focusing on the question of how nations and empires rise succeed fail and then assume another form in which they begin the cycle again Scientific methods are utilized metaphorically as a means of establishing connections between events and trends throughout history and this

book argues that these methods can explain historical patterns such as chaos and stability the relationship between power centres and power vacuums the necessary conditions for the expansion of empires and the influence of natural and man made borders Exploring the ways in which concepts from science can be employed to shed new light on the analysis of historical data Historical Mechanisms is valuable reading for all scholars of the theory and method of history

Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia s military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

[The Central Asian Revolt of 1916](#) Alexander Morrison, Cloé Drieu, Aminat Chokobaeva, 2019-10-02 The 1916 Revolt was a key event in the history of Central Asia and of the Russian Empire in the First World War This volume is the first comprehensive re assessment of its causes course and consequences in English for over sixty years It draws together a new generation of leading historians from North America Japan Europe Russia and Central Asia working with Russian archival sources oral narratives poetry and song in Kazakh and Kyrgyz These illuminate in unprecedented detail the origins and causes of the revolt and the immense human suffering which it entailed They also situate the revolt in a global perspective as part of a chain of rebellions and disturbances that shook the world s empires as they crumbled under the pressures of total war

[Stalin's War](#) Sean McMeekin, 2021-04-20 A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war That central role belonged to Joseph Stalin The Second World War was not Hitler s war it was Stalin s war Drawing on ambitious new research in Soviet European and US archives Stalin s War revolutionizes our understanding of this global conflict by moving its epicenter to the east Hitler s genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not

Hitler So too did the Pacific war of 1941-1945 fulfill Stalin's goal of unleashing a devastating war of attrition between Japan and the Anglo-Saxon capitalist powers he viewed as his ultimate adversary McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain's self-defeating strategic moves beginning with Lend-Lease aid as American and British supply boards agreed almost blindly to every Soviet demand Stalin's war machine McMeekin shows was substantially reliant on American material from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army This unreciprocated American generosity gave Stalin's armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment of the Second World War Stalin's War is essential reading for anyone looking to understand the current world order

Mastering Twentieth-Century Russian History Norman Lowe, 2020-08-29 Mastering Twentieth Century Russian History presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history

The Stalin Affair Giles Milton, 2024-09-03 From internationally bestselling historian Giles Milton comes the remarkable true story of the motley group of Allied men and women who worked to manage Stalin's mercurial explosive approach to diplomacy during four turbulent years of World War II In the summer of 1941 Hitler invaded the Soviet Union shattering what Stalin had considered an ironclad partnership There were real fears that Stalin's forces would be defeated or that the Soviet leader would once again strike a deal with Hitler Either eventuality would spell catastrophe for both Britain and the United States Enter W Averell Harriman a railroad magnate and at the start of the war the fourth richest man in America At Roosevelt's behest he traveled to Britain to serve as a liaison between the president and Churchill and to spearhead what became known as the Harriman Mission Together with his fashionable young daughter Kathy an unforgettable cast of British diplomats and Churchill himself he would eventually manage to wrangle Stalin into the partnership the Allies needed to defeat Hitler Based on unpublished diaries letters and secret reports *The Stalin Affair* reveals troves of new material about the path to Allied victory full of vivid scenes between celebrated and infamous World War II figures Includes eight page black and white photograph insert

History of Soybeans and Soyfoods in Eastern Europe (Including All of Russia) (1783-2020) William Shurtleff; Akiko Aoyagi, 2020-05-31 The world's most comprehensive well documented and well illustrated book on this subject Extensive subject and geographical

index 146 photographs maps and illustrations mostly color Free of charge in digital PDF format on Google Books [Europe Since 1945](#) Bernard A. Cook, 2001 Employing 286 scholars this two volume encyclopedia contains entries on post World War II European political history and groups significant events and persons the economy religion education the arts women s issues writers and more **Writing History in the Soviet Union** Arup Banerji, 2008 The history of the Soviet Union has been charted in several studies over the decades These depictions while combining accuracy elegance readability and imaginativeness have failed to draw attention to the political and academic environment within which these histories were composed Writing History in the Soviet Union Making the Past Work is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka

European International Law Traditions Peter Hilpold, 2020-11-20 International Law is usually considered at least initially to be a unitary legal order that is not subject to different national approaches Ex definition it should be an order that transcends the national and one that merges national perspectives into a higher understanding of law It gains broad recognition precisely because it gives expression to a common consensus transcending national positions The reality however is quite different Individual countries approaches to International Law and the meanings attached to different concepts often diverge considerably The result is a lack of comprehension that can ultimately lead to outright conflicts In this book several renowned international lawyers engage in an enquiry directed at sorting out how different European nations have contributed to the development of International Law and how various national approaches to International Law differ In doing so their goal is to promote a better understanding of theory and practice in International Law divChapter What Are and to What Avail Do We Study European International Law Traditions is available open access under a Creative Commons Attribution 4 0 International License via link springer.com [Life/Death Rhythms of Capitalist Regimes - Debt Before](#)

Dishonour Will Slatyer, 2014-09-16 Life Death Rhythms of Capitalist Regimes Debt before Dishonour explores the cyclical theory of cultural development with particular attention paid to the introduction of democratic forms of government in the British Empire and the United States republic The cyclical theory allows a forecast of the fading of the dominance of the United States as an imperial power Similar to cultural survival of the loss of dominance experienced by the British Empire after the Great War the United States will survive in a new form Which superpower will take over the reins remains to be seen but the likely contender is the Peoples Republic of China This conclusion and the timing will allow long term planning by corporations and governments In the age of political correctness it is unlikely that readers will experience any such forecasts by government bodies Throughout history societies have used and abused debt revolted and warred over debt and have forbidden usury But the modern financial world as we know it simply cannot exist without usury Since the 1400s modern governments have found new ways to expand debt to produce modern economies which are still subject to the age old basic principle of debt that it needs to be repaid or dire consequences ensue Those who cannot remember the past are condemned to repeat it George Santayana 1863 1952

Geography of the World's Major Regions John Cole, 2003-09-02 Presents a global view of today's most pressing issues through an analysis of the twelve major regions of the world Economic and political restructuring agriculture industry catastrophe human conflict are just some of the issues covered

Russia: A History, new edition Gregory Freeze, 2002-03-28 From the formation of the Russian state in the 14th century to the political power struggles of the 1990s and the uncertainties of the new millennium this new history offers a fresh and systematic account of Russian history across six tumultuous centuries With greater access to previously unobtainable material and with the gradual depoliticization of what was once an intellectual Cold War battleground historians are now able to tell the story of Russia more dispassionately and with greater precision than was formerly possible Drawing on the best contemporary scholarship and informed throughout by the latest archival research into previously classified sources thirteen international experts here reassess and reinterpret the history of one of the world's great powers What emerges is a powerful sense of national destiny of repeated themes unchanging conditions and cycles of circumstance Throughout Russian history all powerful autocrats like Ivan the Terrible or Stalin have maintained their authority through brutality but their omnipotence was always under threat circumscribed by geography compromised by bureaucratic incompetence pervasive corruption and resistance from below A curious combination a veneer of omnipotence a void of operational power has periodically dissolved into times of trouble as in 1598 1917 and 1991 when the impotence of the regime became transparent to all Russian rulers have also had to contend with the same immense physical challenges a hugely dispersed population a perennial dearth of means and men to govern a primitive infrastructure Plagued by natural disasters hamstrung by structural problems the Russian economy whether pre revolutionary capitalist Soviet socialist or post Soviet semi capitalist has had enormous and disruptive difficulties adapting to the competitive world of international markets Another immutable elemental fact has been

Russia's multinational composition which continues to generate discontent and disorder. Yet Russia is a great survivor as the years from 1995 show characterized by economic recovery, institution building and a new mood of self assertion in world politics. For too long Russian history has been dominated by myths and counter myths concocted by those seeking either to legitimize the existing order or to destroy it. This book containing many little known illustrations represents an important attempt to rethink Russian history and to provide a new understanding of Russia's complex but ever fascinating historical development. A compelling story in its own right it is also essential reading for anyone with a private or professional interest in Russia and its place in the world.

The Influence of Airpower upon History Robin Higham, Mark Parillo, 2013-03-01

From early zeppelins to the Luftwaffe and the Enola Gay to the unmanned aerial vehicles of today air power has long been regarded as an invaluable instrument of war. However nations have employed aircraft for many other purposes as well they provide security and surveillance and they are vital to myriad diplomatic and humanitarian efforts. Air power has become a means for statesmen to advance a variety of goals opening up new possibilities and problems in times of peace as well as war. The Influence of Air Power upon History examines the many ways in which aviation technology has impacted policymaking since 1903. It analyzes air strategy in nations around the world and explores how a country's presumed technological capability or lack thereof has become a crucial aspect of diplomacy. Together the essays in this insightful volume offer a greater understanding of the history of military force and diplomatic relations in the global community.

Russia Soviet Union 1917 1945 From Tsar To Stalin Introduction

In today's digital age, the availability of Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia Soviet Union 1917 1945 From Tsar To Stalin versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia Soviet Union 1917 1945 From Tsar To Stalin books and manuals for download and embark on your journey of knowledge?

FAQs About Russia Soviet Union 1917 1945 From Tsar To Stalin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
