

Russia The People

Robert Service

Russia The People:

Russia Greg Nickles, 2008 After enduring crushing inflation and unemployment Russians are looking to the future with hope of a new prosperity This colorful revised edition of Russia the People takes a look at the new middle class and how the culture has been changing since the change from a state controlled economy to a free market over the last few decades New topics include ethnic nationalisms and instability life in rural Russia and games food and activities Russians share

Russians Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today Russians explores the seeming paradoxes of life in Russia by unraveling the nature of its people what is it in their history their desires and their conception of themselves that makes them baffling to the West Using the insights of his decade as a journalist in Russia Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside He gets to the heart of why the world s leading energy producer continues to exasperate many in the international community And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super rich and the great majority of poor Traversing the world s largest country from the violent North Caucasus to Arctic Siberia Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia s complex relationship with the world From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow s streets he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power Feifer also draws on formative experiences in Russia s past and illustrative workings of its culture to shed much needed light on the purposely hidden functioning of its society before during and after communism Woven throughout is an intimate first person account of his family history from his Russian mother s coming of age among Moscow s bohemian artistic elite to his American father s harrowing vodka fueled run ins with the KGB What emerges is a rare portrait of a unique land of extremes whose forbidding geography merciless climate and crushing corruption has nevertheless produced some of the world s greatest art and some of its most remarkable scientific advances Russians is an expertly observed gripping profile of a people who will continue challenging the West for the foreseeable future

Russia Geoffrey A. Hosking, 1997 The Soviet Union crumbles and Russia rises from the rubble once again the great nation a perfect scenario but for one point Russia was never a nation And this says the eminent historian Geoffrey Hosking is at the heart of the Russians dilemma today as they grapple with the rudiments of nationhood His book is about the Russia that never was a three hundred year history of empire building at the expense of national identity Russia begins in the sixteenth century with the inception of one of the most extensive and diverse empires in history Hosking shows how this undertaking the effort of conquering defending and administering such a huge mixture of territories and peoples exhausted the productive powers of the common people and enfeebled their civic institutions Neither church nor

state was able to project an image of Russian ness that could unite elites and masses in a consciousness of belonging to the same nation Hosking depicts two Russias that of the gentry and of the peasantry and reveals how the gap between them widened by the Tsarist state s repudiation of the Orthodox messianic myth continued to grow throughout the eighteenth and nineteenth centuries Here we see how this myth on which the empire was originally based returned centuries later in the form of the revolutionary movement which eventually swept away the Tsarist Empire but replaced it with an even more universalist one Hosking concludes his story in 1917 but shows how the conflict he describes continues to affect Russia right up to the present day

Russia Robert Service, 2003 The first history of modern Russia from 1991 to the present day by one of the leading historians of the 20th century USSR and Russia In 1991 in a huge experiment with a people and in a state of euphoria Boris Yeltsin abolished the USSR and recreated the Russian nation At the point of its declaration it was in a state of economic and social disarray and yet there were high hopes Hopes which have subsequently been dashed Robert Service brings to bear his vast knowledge of the people and the country to put the recent upheavals into context and he shows that not everything changed for the worst 1991 The Gorbachev years have allowed the Russian people to give a priority to living a private life and shutting the door on the state They could think what they liked They could enjoy intellectual and religious freedom and indulge in recreations their income would allow Gays and Lesbians could come out The Youth culture could finally be loosed from constraints This is a broad political social and cultural history of one of the newest nations ever to be formed

Russia's People of Empire Stephen M. Norris, Willard Sunderland, 2012 This book explores the multicultural world of historical Russia through the life stories of 31 individuals that exemplify the cross cultural exchanges in the country from the late 1500s to post Soviet Russia

Russia Jim Bartell, 2013-08-01 Moscow s Red Square is a center of Russian history and culture This book explores the physical and cultural geography of Russia showing the reader what daily life is like in Russia and how Russians keep their cultural traditions alive in the modern world

Putin's People Catherine Belton, 2020-06-23 A New York Times and Sunday Times bestseller A New York Times Book Review Editors Choice Named a best book of the year by The Economist Financial Times New Statesman The Telegraph Putin s People will surely now become the definitive account of the rise of Putin and Putinism Anne Applebaum The Atlantic This riveting immaculately researched book is arguably the best single volume written about Putin the people around him and perhaps even about contemporary Russia itself in the past three decades Peter Frankopan Financial Times Interference in American elections The sponsorship of extremist politics in Europe War in Ukraine In recent years Vladimir Putin s Russia has waged a concerted campaign to expand its influence and undermine Western institutions But how and why did all this come about and who has orchestrated it In Putin s People the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country Delving deep into the workings of Putin s Kremlin Belton accesses key inside players to reveal how Putin

replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda reasserting Russian power while taking control of the economy for themselves, suppressing independent voices and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach and assembling a colorful cast of characters to match Putin's People is the definitive account of how hopes for the new Russia went astray with stark consequences for its inhabitants and increasingly the world.

Russia's Public Diplomacy Anna A. Velikaya, Greg Simons, 2019-09-26 Russian public diplomacy attracts growing attention in the current global climate of tension and competition. However, it is often not understood or is misunderstood. Although some articles and book chapters exist, there are almost no books on Russian public diplomacy, neither in Russian nor in English. This edited collection is an in-depth and broad analysis of Russian public diplomacy in its conceptual understanding and its pragmatic aims and practice. Various aspects of Russian public diplomacy, from cultural to business practices, will interest professors, students, and practitioners from various countries. Written by a diverse collection of the most prominent and capable scholars from academia to international organizations with a wealth of knowledge and objective experience, this book covers the vital topics and thoroughly analyzes the best practices and mistakes within the broad understanding of public diplomacy conducted by the Russian Federation.

Russia and Eurasia 2023-2024 Navruz Nebakhtshoev, 2023-09-30 The World Today Series Russia and Eurasia deals with twelve sovereign states that became independent following the collapse of the Soviet Union in December 1991. Approximately one-third of the book is devoted to Russia. The remainder of the book is comprised of separate chapters on Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan. The text focuses heavily on recent economic and political developments within these twelve states. Each country chapter offers descriptions and overviews of the respective governmental institutions, key leaders, civil society dynamics, and economic conditions within each state. It supplements this focus with shorter sections dealing with historical developments, demographics, foreign policy, and cultural elements. Each chapter concludes with brief projections of future developments within each state. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for students, researchers, practitioners in international development, media professionals, government officials, and potential investors.

The Russian "House" Jason C. Vaughn, 2018-10-15 The Russian House: An Examination of Post-Soviet Russian Culture in the Times of Putin examines Russian society as considered by the Russian people. This study recognizes the political, economic, and social structure of post-Soviet Russia in the 2010s era, given that the Russian citizenry, the ethnic, and the civil still desires and

recognizes the need for reform while still relying on a host of ideas which Russian society and culture reflexively fall back on. This book will examine categorizations as separated into five co equal constructs that this book will posit to be axiomatic of Russian culture and worthy of consideration in further view of the possibility for Russia to one day become a stable and prosperous country without authoritarianism bloodshed militarism or excess nationalism Putin v. the People Samuel A. Greene, Graeme B. Robertson, 2019-06-11 A fascinating bottom up exploration of contemporary Russian politics that sheds new light on why Putin's grip on power is more fragile than we think. What do ordinary Russians think of Putin? Who are his supporters? And why might their support now be faltering? Alive with the voices and experiences of ordinary Russians and elites alike Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics. Telling the story of Putin's rule through pivotal episodes such as the aftermath of the For Fair Elections protests, the annexation of Crimea and the War in Eastern Ukraine Greene and Robertson draw on interviews, surveys, social media data and leaked documents to reveal how hard Putin has to work to maintain broad popular support while exposing the changing tactics that the Kremlin has used to bolster his popularity. Unearthing the ambitions, emotions and divisions that fuel Russian politics, this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears.

Struggling Russia, 1919 Soviet Russia, 1920 The Russia that we have preserved Maxim Lyubovsky, 2019-01-27 Through the history of the power struggle, this book analyzes how two fundamentally different types of social structures had developed in Russia and in Europe. In Russia, the political system formed as a Power Pyramid in which power is based on the coercive force of the state apparatus. This allowed Russia to mobilize its resources and exert influence on the world's political affairs far beyond its economic and population potential. The book examines the main features of the Russian power system, describes how it transformed and revived itself through the centuries of tumultuous Russian history, and analyses the pathways that can lead to the transition of Russia to a democratic western type society. This book should give the reader a new outlook on the events of Russian past and present, help to better explain the current state of affairs in Russia, and maybe help predict the future course of events. **Imaging Russia 2000** Anna M. Lawton, 2004 Anna Lawton deftly tells two stories: one about the evolution of Russian film since the collapse of the Soviet Union in 1991 and the other about Russian life during that same period. She managed to capture a vivid portrait of Moscow of the 1990s and to remind us that the Soviet past remains omnipresent in the new Russia. **Russia 2000: Film and Facts** is a must read for anyone who cares about Russia or about film. Blair Ruble, Director, The Kennan Institute of the Woodrow Wilson Center. **The New Russia**, 1920 **The Future of Freedom in Russia** William Jacobus Vanden Heuvel, 2000 Collects papers by 15 contributors, 13 of them Russian, delivered at a conference held in Washington in February 1999. This book describes not only the human dimensions of various problems but also the commitment and courage of the unsung founders of the new Russia. *DK Eyewitness Russia* DK Eyewitness, 2016-11-15 DK Eyewitness Travel Guide Russia will lead you straight to the best attractions in this diverse country.

Russia The People Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia The People has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia The People has opened up a world of possibilities. Downloading Russia The People provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia The People has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia The People. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia The People. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia The People, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia The People has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia The People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
