Murphy, N.A. Myshov**

Russian Civil War Documents From The Soviet Archives:

The Russian Civil War V.P. Butt, Geoffrey Swain, A.B. Murphy, N.A. Myshov, 2016-01-07 Russia's experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period. These newly released documents reveal how the events of 1918-22 reflected struggles and tensions in Russian society that were more complex than the simple Red White propaganda war. In this collection the authors have sought out documents which highlight the complexities of the struggle, exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed.

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead, it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. The *Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2,000 cross-referenced entries on individuals, political and governmental institutions, and political parties and military formations and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War.

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR, profoundly affecting the history of the twentieth century. Indeed, the reverberations of those decade-long wars echo to the present day, not despite but because of the collapse of the Soviet Union, which re-opened many old wounds from the Baltic to the Caucasus. Contemporary memorialising and de-memorialising of these wars therefore form part of the

book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non-Russian national and religious groups to divide the former empire. The reasons why some of the latter were successful (Poland and Finland for example) while others (Ukraine, Georgia and the Muslim Basmachi) were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks. Tellingly the work begins and ends with battles in Central Asia, a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow.

Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15. *Historical Dictionary of the Russian Revolution* focuses on the leading individuals, ideas, political parties and main events that were central to the transformation of Russia during the revolution. The time period runs from January 1917 through to the Treaty of Brest-Litovsk that took Russia out of the First World War in March 1918. It covers the main events, ideas, people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power, the first six months of Leninist rule and the Treaty of Brest-Litovsk that ended Russia's involvement in the First World War. *Historical Dictionary of the Russian Revolution* contains a chronology, an introduction and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on the revolutions, the First World War, political parties, ideologies and individuals and the main events that defined the course of the Russian Revolution. This book is an excellent resource for students, researchers and anyone wanting to know more about the Russian Revolution. **A History Of Russia Volume 2** Walter G. Moss, 2004-10-01. Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada and around the world.

The Bloomsbury Handbook of the Russian Revolution Geoffrey Swain, Charlotte Alston, Michael C. Hickey, Boris Kolonitskii, Franziska Schedewie, 2022-12-15. Through 30 interpretative essays, *The Bloomsbury Handbook of the Russian Revolution* sees an international team of leading scholars comprehensively examine Russia's revolutionary years. In the wake of the 2017 centenary, this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century. Split into six sections covering political crises, politicians and parties, social groups, identities, regions and peoples and civil war, the volume covers the collapse of Tsarism and the February Revolution, the emergence of the Provisional Government and major historical figures such as Lenin, Kerensky and the Socialist Revolutionary leader Viktor Chernov. It also explores the events surrounding the Bolshevik seizure of power in October 1917, the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war. The focus is broader than these issues of high politics, however, since this

handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture *The Russian Civil War* A. Murphy,2000-08-17 Translated documents from Russian archives give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issues of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources Alongside those giving an overview of Soviet strategic planning a good proportion of these documents come from much more humble sources allowing the reader to feel directly the emotions the faith the zeal and sometimes the deceit of people living through those crucial years **Zarstvo and Communism** Francesco Randazzo,2019-01-29 The First World War brought with it enormous ideological political and social problems In Russia as in Italy the repercussions of the war were soon felt and the two countries saw the birth of oppositional movements within them In Russia these movements grasped power thanks to a Bolshevik coup while in Italy Mussolini founded the Fasci di combattimento a real militia ready to ride the popular discontent with the mutilated victory specifically the dissatisfaction with territories promised by the Treaty of London and not granted to Italy Relations between these two countries were interrupted for several years and were resumed only when both realized that the economic advantages that could result from resuming relations would be far more beneficial than continuing their ideological confrontation However mutual distrust never stopped and rendered bilateral relations increasingly tenuous until they were definitely severed in the early years of the Second World War **Trotsky** Ian D. Thatcher,2005-06-27 This new biography provides a full account of Leon Trotsky s political life based upon a wealth of primary sources including previously unpublished material Ian D Thatcher paints a new picture of Trotsky s standing in Russian and world history Key myths about Trotsky s heroic work as a revolutionary especially in Russia s first revolution of 1905 and the Russian Civil War are thrown into question Although Trotsky had a limited understanding of crucial contemporary events such as Hitler s rise to power he was an important thinker and politician not least as a trenchant critic of Stalin s version of communism **From the Russian Archives** ,1993 Trotsky and the Russian Revolution Geoffrey Swain,2014-02-24 Supporters of Stalin saw Trotsky as a traitor and renegade Trotsky s own supporters saw him as the only true Leninist In *Trotsky and the Russian Revolution* Geoffrey Swain restores Trotsky to his real and central role in the Russian Revolution In this succinct and comprehensive study Swain contests that In the years between 1903 and 1917 it was the ideas of Trotsky rather than Lenin which shaped the nascent Bolshevik Party and prepared it for the overthrow of the Tsar During the autumn of 1917 workers supported Trotsky s idea of an insurrection carried out by the soviet rather than Lenin s demand for a party orchestrated coup d etat During the Russian Civil War Trotsky persuaded a sceptical Lenin that the only way to victory was through the employment of officers trained in the Tsar s army As well as examining Trotsky s critique of Stalin s Russia in the 1930s this seminar reader probes deeper to explore the ideas which

drove Trotsky forward during his years of influence over Russia's revolutionary politics exploring such key concepts as how to construct a revolutionary party how to stage a successful insurrection how to fight a revolutionary war and how to build a socialist state

Revisioning Stalin and Stalinism James Ryan, Susan Grant, 2020-11-12 This thought provoking collection of essays analyses the complex multi faceted and even contradictory nature of Stalinism and its representations Stalinism was an extraordinarily repressive and violent political model and yet it was led by ideologues committed to a vision of socialism and international harmony The essays in this volume stress the complex multi faceted and often contradictory nature of Stalin Stalinism and Stalinist style leadership and explore the complex picture that emerges Broadly speaking three important areas of debate are examined united by a focus on political leadership The key controversies surrounding Stalin's leadership role A reconsideration of Stalin and the Cold War New perspectives on the cult of personality

Revisioning Stalin and Stalinism is a crucial volume for all students and scholars of Stalin's Russia and Cold War Europe

Trotsky Geoffrey Swain, 2014-05-22 Without Trotsky there would have been no Bolshevik Revolution but Trotsky was no Bolshevik Providing a full account of Trotsky's role during the Russian Civil War and concentrating on his time as an active participant in Russian revolutionary politics rather than his ideological writings of emigration Swain gives the student a very different picture of the Bolshevik Commissar of War This radically new interpretation of Trotsky's career spanning 1905-1917 incorporates the tense relationship between Trotsky and Lenin until 1917 and pays particular attention to the Russian Civil War and Trotsky's military organisation and contribution to the war Swain argues critically that Trotsky achieved where Lenin would have failed suggesting that Trotsky was in the main part responsible for the Bolshevik Revolution

Lenin Beryl Williams, 2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin's years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin's life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period

Rostov in the Russian Civil War, 1917-1920 Brian Murphy, 2004-08-02 The documents in this book were collected from the archives in Rostov on Don and appear here for the first time in print with commentary from the author

The Bolshevik Response to Antisemitism in the Russian Revolution Brendan McGeever, 2019-09-26 The first book length analysis of how the Bolsheviks responded to antisemitism during the Russian Revolution

Dreams of a Great Small Nation Kevin J McNamara, 2016-03-29 The pages of history recall scarcely any parallel episode at once so romantic in character and so extensive in scale Winston S Churchill In 1917 two empires that had dominated much of Europe and Asia teetered on the edge of the abyss exhausted by the ruinous cost in blood and treasure of the First World War As Imperial Russia and Habsburg ruled Austria Hungary began to succumb a small group of Czech and Slovak combat veterans stranded in Siberia saw an opportunity to realize their long held dream of

independence While their plan was audacious and complex and involved moving their 50 000 strong army by land and sea across three quarters of the earth s expanse their commitment to fight for the Allies on the Western Front riveted the attention of Allied London Paris and Washington On their journey across Siberia a brawl erupted at a remote Trans Siberian rail station that sparked a wholesale rebellion The marauding Czecho Slovak Legion seized control of the Trans Siberian Railroad and with it Siberia In the end this small band of POWs and deserters whose strength was seen by Leon Trotsky as the chief threat to Soviet rule helped destroy the Austro Hungarian Empire and found Czecho Slovakia British prime minister David Lloyd George called their adventure one of the greatest epics of history and former US president Teddy Roosevelt declared that their accomplishments were unparalleled so far as I know in ancient or modern warfare **1996** Massimo Mastrogregori, 2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **Red Advance, White Defeat** Peter Kenez, 2008-07-01 The second of a two volume history and analysis of the Russian Civil War this volume covers events spanning 1919 to 1920 The republication of Professor Kenez s classic volumes is to be warmly welcomed Based on copious archival research and a close reading of published memoirs and mixing careful narrative with judicious analysis they still provide the definitive history of the anti Bolshevik movement in South Russia Their original publication provided an inspiration for a generation of scholars of the Russian Civil War the new edition will certainly inspire another The armchair historian too as well as all those interested in the fate of contemporary Russia will find much to admire and much to ponder upon in this well told tale of one of the most bloody and tragic episodes in recent European history Jonathan D Smele University of London The profession will be delighted to learn that this classic study of the Russian Civil War 1917 21 on its most crucial battleground is again available Kenez s work was the first in any language to cut through the rhetoric of partisan memory and historiography in order to present a complicated and balanced view of both sides While demythologizing Soviet historical explanations Kenez is especially keen in displaying the enormous variety of the White or anti Communist movement and analyzing the causes of its defeat Richard Stites Georgetown University Second edition with an updated bibliography

This is likewise one of the factors by obtaining the soft documents of this **Russian Civil War Documents From The Soviet Archives** by online. You might not require more era to spend to go to the books creation as without difficulty as search for them. In some cases, you likewise do not discover the proclamation Russian Civil War Documents From The Soviet Archives that you are looking for. It will agreed squander the time.

However below, with you visit this web page, it will be so unquestionably simple to acquire as competently as download guide Russian Civil War Documents From The Soviet Archives

It will not consent many era as we accustom before. You can accomplish it though exploit something else at house and even in your workplace. suitably easy! So, are you question? Just exercise just what we have enough money below as without difficulty as review **Russian Civil War Documents From The Soviet Archives** what you later than to read!

Russian Civil War Documents From The Soviet Archives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Civil War Documents From The Soviet Archives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Civil War Documents From The Soviet Archives has opened up a world of possibilities. Downloading Russian Civil War Documents From The Soviet Archives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Civil War Documents From The Soviet Archives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Civil War Documents From The Soviet Archives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Civil War Documents From The Soviet Archives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of

authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Civil War Documents From The Soviet Archives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Civil War Documents From The Soviet Archives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Civil War Documents From The Soviet Archives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Civil War Documents From The Soviet Archives is one of the best book in our library for free trial. We provide copy of Russian Civil War Documents From The Soviet Archives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Civil War Documents From The Soviet Archives. Where to download Russian Civil War Documents From The Soviet Archives online for free? Are you looking for Russian Civil War Documents From The Soviet Archives PDF? This is definitely going to save you time and cash in something you should think about.
