Russian and Eurasian Politics Mark A. Cichock,2003-01

Russian and Eurasian Politics Mark A. Cichock,2003

This new text on Russian politics includes unique comprehensive coverage of other former Soviet countries giving students an important understanding of the region as a whole With unique attention to the successor states of the former Soviet Union Cichock s book is perfect for those instructors who want their students to study and understand the entire Eurasian region and not just Russia in isolation More than a decade after the end of the Soviet Union Russia and Eurasian states remain closely connected to one another and an analysis of the entire region comparing and contrasting these states yields valuable insights into modern Russian politics and the Soviet legacy Unlike other books dealing with post Soviet Russia Russian and Eurasian Politics does not emphasize history Instead it boldly tries to evaluate politics in five states in the most up to date fashion possible emphasizing political culture and economic development as the primary forces of change The book focuses on institutional constraints and state building constitutions and the volatile nature of inter ethnic conflict to describe political systems taking shape before the eyes of the world

Russian Politics Today Susanne A. Wengle,2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment

The Russian Empire 1450-1801 Nancy Shields Kollmann,2017 Modern Russian identity and historical experience has been largely shaped by Russia s imperial past an empire that was founded in the early modern era and endures in large part today The Russian Empire 1450 1801 surveys how the areas that made up the empire were conquered and how they were governed It considers the Russian empire a Eurasian empire characterized by a politics of difference the rulers and their elites at the center defined the state s needs minimally with control over defense criminal law taxation and mobilization of resources and otherwise tolerated local religions languages cultures elites and institutions The center related to communities and religions vertically according each a modicum of rights and autonomies but didn t allow horizontal connections across nobilities townsmen or other groups potentially with common interests to coalesce Thus the Russian empire was multi ethnic and multi religious Nancy Kollmann gives detailed attention to the major ethnic and religious groups and surveys the government s strategies of governance centralized bureaucracy military reform and a changed judicial system The volume pays particular attention to the dissemination of a supranational ideology of political legitimacy in a variety of media written sources and primarily public ritual painting and particularly architecture Beginning with foundational features such as geography climate demography and geopolitical situation The Russian Empire 1450 1801 explores the empire s primarily agrarian economy serfdom towns and trade as well as the many religious groups primarily Orthodoxy Islam and Buddhism It tracks the emergence of an Imperial nobility and a national self consciousness that was by the end of the eighteenth century distinctly imperial embracing the diversity of the empire s many peoples and cultures

Russia's Regions and Comparative Subnational Politics William Mark Reisinger, 2013 Subnational political units are growing in influence in national and international affairs drawing increasing scholarly attention to politics beyond national capitals In this book leading Russian and Western political scientists contribute to debates in comparative politics by examining Russia's subnational politics Beginning with a chapter that reviews major debates in theory and method this book continues to examine Russia's 83 regions exploring a wide range of topics including the nature and stability of authoritarian regimes federal politics political parties ethnic conflict governance and inequality in a comparative perspective Providing both qualitative and quantitative data from 20 years of original research the book draws on elite interaction public opinion and the role of institutions regionally in the post Soviet years The regions vary on a number of theoretically interesting dimensions while their federal membership provides control for other dimensions that are challenging for globally comparative studies The authors demonstrate the utility of subnational analyses and show how regional research can help answer a variety of political questions providing evidence from Russia that can be used by specialists on other large countries or world regions in cross national scholarship Situated within broader theoretical and methodological political science debates this book will be of interest to students and scholars of Russian politics comparative politics regionalism and subnational politics

Parliaments in the Late Russian Empire, Revolutionary Russia, and the Soviet Union Ivan Sablin, 2024-02-12 This book examines the meanings that were attached to the terms parliament and parliamentarism in the different historical and discursive contexts of the late Russian Empire revolutionary and Soviet Russia and the Soviet Union It discusses those institutions referred to as parliaments by contemporaries gives special attention to their functions and traces the broader debates on parliamentarism within Russia and the Soviet Union in Russian migr circles and among foreign observers It highlights that only the late imperial and perestroika assemblies can be considered legislative institutions that expressed dissensus but argues that other assemblies often referred to as rubber stamp parliaments due to their lack of legislative competence and influence over other authorities should not be dismissed The Supreme Soviet for instance provided an integrative function binding society and elites in a top down manner while its deputies engaged in information acquisition and state micromanagement through interactions with their constituents It also played an important role in interparliamentary relations and as one of the first institutions of nominal parliamentarism in an autocratic single party regime of which there were many in the twentieth century served as a model for numerous state socialist regimes By addressing the role of parliaments in reassembling imperial spaces through political representation and the functions of nominal legislative institutions the book explores the contribution of Russian and Soviet assemblies to global political modernity

American Book Publishing Record, 2003 **Autocratic and Democratic External Influences in Post-Soviet Eurasia** Anastassia Obydenkova, Alexander Libman, 2016-03-09 As the Ukrainian Crisis shows both political regimes and national borders in Eurasia are still in a state of flux Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy *Autocratic and Democratic External influences in Post Soviet Eurasia* provides a comprehensive overview of the interaction of domestic and international politics during times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Planting Parliaments in Eurasia, 1850-1950 Ivan Sablin, Egas Moniz Bandeira, 2021-05-30 Parliaments are often seen as Western European and North American institutions and their establishment in other parts of the world as a derivative and mostly defective process This book challenges such Eurocentric visions by retracing the evolution of modern institutions of collective decision making in Eurasia Breaching the divide between different area studies the book provides nine case studies covering the area between the eastern edge of Asia and Eastern Europe including the former Russian Ottoman Qing and Japanese Empires as well as their successor states In particular it explores the appeals to concepts of parliamentarism deliberative decision making and constitutionalism historical practices related to parliamentarism and political mythologies across Eurasia It focuses on the historical and

reestablished institutions of decision making which consciously hark back to indigenous traditions and adapt them to the changing circumstances in imperial and postimperial contexts Thereby the book explains how representative institutions were needed for the establishment of modernized empires or postimperial states but at the same time offered a connection to the past The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9780367691271> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 licence

Russian Notions of Power and State in a European Perspective, 1462-1725 Endre Sashalmi, 2022-10-25 Winner of the 2023 Marc Raeff Book Prize A 2023 REFORC Book Award Longlist Title This book highlights the main features and trends of Russian political thought in an era when sovereignty state and politics as understood in Western Christendom were non-existent in Russia or were only beginning to be articulated It concentrates on enigmatic authors and sources that shaped official perception of rulership or marked certain changes of importance of this perception Special emphasis is given to those written and visual sources that point towards depersonalization and secularization of rulership in Russia A comparison with Western Christendom frames the argument throughout the book both in terms of ideas and the practical aspects of state building allowing the reader to ponder Russia's *differentia specifica*

Popularizing National Pasts Stefan Berger, Chris Lorenz, Billie Melman, 2012 Popularizing National Pasts is the first truly cross-national and comparative study of popular national histories their representations the meanings given to them and their uses which expands outside the confines of Western Europe and the US It draws a picture of popular histories which is European in the full sense of this term One of its fortes is the inclusion of Eastern Europe The cross-national angle of Popularizing National Pasts is apparent in the scope of its comparative project as well as that of the *longue durée* it covers Apart from essays on Britain France and Germany the collection includes studies of popular histories in Scandinavia Eastern and Southern Europe notably Romania Bulgaria Croatia Armenia Russia and the Ukraine as well as considering the US and Argentina Cross-national comparison is also a central concern of the thirteen case studies in the volume which are each devoted to comparing between two or more national historical cultures Thus temporality both continuities and breaks in popular notions of the past its interpretations and consumption is examined in the long continuum The volume makes available to English readers probably for the first time the cutting edge of Eastern European scholarship on popular histories nationalism and culture

Islam in Politics in Russia and Central Asia Stephane A. Dudolignon, Komatsu Hisao, 2013-11-05 First Published in 2001 This volume contains the proceedings of the international colloquium held by the IAS Project in October 1999 These papers deal with the modern and contemporary history of Central Eurasia for a comprehensive reflection on various phenomena that led to a political valuation of Islam under non-Muslim domination whether Russian or Chinese since the beginning of the 18th century A comparative approach to the current situations in the Russian Federation and the newly independent states of Central Asia has allowed us to study the various modes of the political instrumentalization of Islam by both political power and opposition

in such various areas as the Ferghana Valley in Uzbekistan and the Volga Urals region of Russia **Tsar and Sultan** Victor Taki, 2016-06-20 *Tsar and Sultan* offers a unique insight into Russian Orientalism as the intellectual force behind Russian Ottoman encounters Through war diaries and memoirs accounts of captivity and diplomatic correspondences Victor Taki's analysis of military documents demonstrates a crucial aspect of Russia's discovery of the Orient based on its rivalry with the Ottoman Empire Narratives depicting the brutal realities of Russian Turkish military conflicts influenced the Orientalisation of the Ottoman Empire In turn Russian identity was built as the counter image to the demonised Turk This book explains the significance of Russian Orientalism on Russian identity and national policies of westernisation Students of both European and Middle East studies will appreciate Taki's unique approach to Russian Turkish relations and their influence on Eurasian history Eurasian Politics: Ideas, Institutions and External Relations Mr Tulsiram, Mr Ajay Patnaik, 2013-06-15 The transitional politics of Eurasian space is marked by a constant struggle among three sets of ideas and institutions the 1 is the remarkable resilience of Soviet ideas and institutions 2 an attempt by the regimes of these states to reinvent the historical and cultural traditions of preSoviet periods and third is an attempt by a section of the powerful elite to superimpose Western liberal ideas and institutions There is a strange intertwining of these ideas and institutions This book examines the extent to which the postSoviet politics has departed from the Soviet one What are the new ideational structures emerging in these states and how far have they crystallised into institutions What are the external influences which are shaping the institutions in the Eurasian space And finally what are the various dynamics of geopolitics in this region Experts from various countries will delve into the shifting dynamics of Eurasian politics **Loyalty and Citizenship** Gözde Yazıcı Cörüt, 2021-12-06 Gözde Yazıcı Cörüt unfolds the details of everyday life and represents the local people as active agents active moreover in relation both to the changing nature and effectiveness of the Ottoman state's assertion of territorial authority and also to the differences between policies and practices of the Russian and Ottoman Empires Overall she focuses on the end of empire border politics and the issue of Ottoman citizenship not only from the perspective of macro level political developments and central state power but also in terms of the peripheral specificities of administration and the movements and subjecthood choices of people inhabiting the Russo Ottoman borderland The author presents a new type of multi faceted account of borderland development in which ethnoreligious considerations came to inform a somewhat messy production of sovereignty in the context of the modernizing transition between empire and nation state **21st Century Political Science: A Reference Handbook** John T Ishiyama, Marijke Breuning, 2011 Offering full coverage of major subthemes and subfields within political science this reference handbook includes entries on topics from theory and methodology to international relations and institutions *Empire of Refugees* Vladimir Hamed-Troyansky, 2024-02-20 Between the 1850s and World War I about one million North Caucasian Muslims sought refuge in the Ottoman Empire This resettlement of Muslim refugees from Russia changed the Ottoman state Circassians Chechens Dagestanis and others established hundreds of refugee villages

throughout the Ottoman Balkans Anatolia and the Levant Most villages still exist today including what is now the city of Amman Muslim refugee resettlement reinvigorated regional economies but also intensified competition over land and at times precipitated sectarian tensions setting in motion fundamental shifts in the borderlands of the Russian and Ottoman empires *Empire of Refugees* reframes late Ottoman history through mass displacement and reveals the origins of refugee resettlement in the modern Middle East Vladimir Hamed Troyansky offers a historiographical corrective the nineteenth century Ottoman Empire created a refugee regime predating refugee systems set up by the League of Nations and the United Nations Grounded in archival research in over twenty public and private archives across ten countries this book contests the boundaries typically assumed between forced and voluntary migration and refugees and immigrants rewriting the history of Muslim migration in the nineteenth and early twentieth centuries **Putin's Russia** Darrell Slider,2022-07-20 Thoroughly revised expanded and updated the new edition of this classic text provides the most authoritative and current analysis of contemporary Russia Leading scholars explore the domestic and international problems Russia confronts including political economic societal and foreign policy issues The new edition provides an analysis from multiple perspectives on the major challenges facing Russia and Putin s regime Updates include new sections on corruption Russia s conflicts with Ukraine and Georgia Russia s response to Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia The Rise and Fall of Privatization in the Russian Oil Industry L. Sim,2008-10-24 A study of the actors and institutions that shaped decision making on privatization in the Russian oil industry between 1992 and 2006 The book analyses the origins of privatization as a policy on a macro industry wide level as well as presenting three in depth case studies of privatization on a company level
