Marcia A. Weigle

State-Society Relations in the Transition from Communism

**Axel Kaehne** 

Russia's Liberal Project Marcia A. Weigle, 2010-11-01 A study of contemporary politics in Russia assessing the attempted transition from totalitarianism to liberal democracy It shows that although liberal institutions have been tentatively established the weak social and cultural supports threaten the success of Russia's liberal project **Society** Richard Sakwa, 2002-09-11 Sakwa s Russian Politics and Society is the most comprehensive study of Russia s post communist political development It has since its first publication in 1993 become an indispensable guide for all those who need to know about the current political scene in Russia about the country's political stability and about the future of democracy under its post communist leadership This is the ideal introductory textbook it covers all the key issues it is clearly written and it includes the most up to date material available For this third edition Sakwa has updated the text throughout to include details of Yeltsin's second term and the impact on Russian politics of the rise of his successor Vladimir Putin It also contains a substantially expanded bibliography and appendices showing election results chronology social and demographic The Weakness of Civil Society in Post-Communist Europe Marc Morjé Howard, 2003-03-27 figures and recent census data Over a decade has passed since the collapse of communism yet post communist citizens are still far less likely to join voluntary organizations than people from other countries Why do post communist citizens mistrust public organizations What explains this pattern of weak civil society And what does this mean for democracy in the region This engaging study addresses these questions with a provocative argument about the enduring impact of the communist experience on its countries and citizens Howard argues that the experience of mandatory participation in state controlled organizations and vibrant private networks during the communist period combined with the disappointment with post communist developments have left most citizens with a lasting aversion to public activities Howard analyzes the findings from over 30 democratic countries on the World Values Survey and also presents extensive and original evidence from his own research focused on Eastern Germany and Russia Political and Social Thought in Post-Communist Russia Axel Kaehne, 2007-11-13 This is the first comprehensive study of Russian political and social thought in the post Communist era The book portrays and critically examines the conceptual and theoretical attempts by Russian scholars and political thinkers to make sense of the challenges of post communism and the trials of economic political and social transformation It brings together the various strands of political thought that have been formulated in the wake of the collapsed communist doctrine It engages constructively with the numerous attempts by Russian political theorists and social scientists to articulate a coherent model of liberal democracy in their country The book investigates critical as well as favourable voices in the Russian debate on liberal democracy a debate often marked by eclecticism and at times little conceptual discipline As such the book will be of great interest both to Russian specialists and to all those interested in political and social thought more widely Ideas in Tsarist Russia Vanessa Rampton, 2020-02-20 Liberalism is a crucially important topic today this book adds the

important vet neglected Russian aspect to its history Democracy in Crisis around the World Saliba Sarsar, Rekha Datta, 2020-11-05 In the twenty first century democracies across the globe are in crisis The strength of basic democratic institutions and core enduring political principles and values are eroding in key regions and countries Authoritarian regimes are rising and populist leaders are emerging Democracy in Crisis across the World weaves threads of history and politics in two parts to analyze how long this trend may last and what the future may bring By first examining the state of democracy in Sub Saharan Africa Eastern Europe Western Europe Latin America and the Middle East and North Africa the second part of the collection highlights to democratic trajectory of India China Russia and the United States Ending with a look at how the world's governments have responded to the coronavirus pandemic contributors argue that unless democracy is defended with resolution and nurtured with resilience it will fall Small-Town Russia Anne White, 2004-08-12 This book examines a number of key questions about social change in contemporary Russia issues such as how people survive when they are not paid for months on end the New Poor the falling birth rate why so many Russian men die in middle age whether regional identities are becoming stronger and how people s sense of Russianness has developed since the creation of the Russian Federation in 1992 It examines these issues by looking at actual experiences in three small Russian towns It includes a great deal of original ethnographic research and by looking at real places overall provides a good sense of how different aspects of social change are interlinked and how they actually affect real people s lives Democracy, Gender, and Social Policy in Russia Andrea Chandler, 2015-12-17 Through compelling and insightful analysis of the Russian case this book explores the role that social welfare plays in regime transitions It examines the role that gender and social welfare has played in Russia s post communist political evolution from Yeltsin's assumption of the presidency to Putin's return for a third term as president Mothers and Soldiers Amy Caiazza, 2002-09-27 As the Soviet communist regime gave way to democracy the in 2012 emergence of an entirely new political and social landscape had the potential to turn Russian society upside down In Mothers and Soldiers Organizing Men and Women in 1990s Russia Amy Caiazza looks at the effects of this seismic change on gender roles and specifically the role of women in a newly democratic Russia By observing through a gendered lens institutions like the military and the process of making public policy Caiazza finds that despite the institutional disruption the pattern of gender role ideologies maintained continuity from the former times while at the same time embracing aspects of Western feminism The Prospects for Liberal Nationalism in Post-Leninist States Cheng Chen, 2010-11-01 Russia's Policy Challenges Stephen K. Wegren, 2016-07-08 Designed for use in courses on contemporary Russia this volume explores Russia s policy dilemmas in three realms international security socio political and socio economic In each of these categories Russia faces daunting problems none of which is likely to be resolved quickly or easily Yet over the longer term the extent to which policymakers are successful in dealing with these challenges will go far in determining Russia's future place in the world how Russians will live and what kind of country Russia becomes Each expertly authored chapter outlines the nature of one major

issue traces it evolution and policy developments under the Yeltsin and Putin presidencies and evaluates the effectiveness and prospects of efforts to come to grips with the challenge Building Democracy in Contemporary Russia Sarah Henderson, 2003 Can foreign donors help build new democracies In the 1990s public and private organizations such as USAID and the Soros Foundation poured huge amounts of money and expertise into Russia to help build the dream of a vibrant democratic society Sarah L Henderson argues that despite the altruistic intentions of foreign assistance agencies and domestic activists foreign aid designed to spur civic growth has had unintended consequences Drawing on extensive field work survey research and work experience for several funding agencies in Moscow in the late 1990s Henderson focuses on donor efforts to support the emerging community of nongovernmental organizations and in particular on efforts to build a functioning women s movement in Russia Her intimate knowledge of Russia s growing NGO community informs a worrisome finding foreign aid has made a tremendous difference but not in altogether expected or positive ways New Russian civic groups serve either the needs of an indigenous clientele or the demands of the foreign aid bureaucracy but rarely both Henderson's research and experience show that while aid has kept a fledgling civic community alive it is a civic community that is disconnected from its own domestic audience The book suggests that large flows of foreign aid have in some ways damaged the long term prospects for democratization in Russia Russia Robert Service, 2003 The first history of modern Russia from 1991 to the present day by one of the leading historians of the 20th century USSR and Russia In 1991 in a huge experiment with a people and in a state of euphoria Boris Yeltsin abolished the USSR and recreated the Russian nation At the point of its declaration is was in a state of economic and social disarray and yet there were high hopes Hopes which have subsequently been dashed Robert Service brings to bear his vast knowledge of the people and the country to put the recent upheavals into context and he shows that not everything changed for the worst 1991 The Gorbachev years have allowed the Russian people to give a priority to living a private life and shutting the door on the state They could think what they liked The could enjoy intellectual and religious freedom and indulge in recreations their income would allow Gays and Lesbians could come out The Youth culture could finally be loosed from contraints This is a broad political social and cultural history of one of the newest nations ever to be formed Business, Politics and Public Policy J. Marques, P. Utting, 2010-05-13 This is the second volume on the changing nature of state business relations This book examines how the dynamics of business have influenced public policy in the context of economic liberalization and democratization It identifies the circumstances under which business might support progressive policies in developing countries Putin's Russia Dale Roy Herspring, 2007 A fifth edition of this book is now available This thoroughly revised and updated edition of the classic text provides the most current and authoritative assessment of Russia available Distinguished scholars offer a full scale assessment of Putin s leadership exploring the daunting domestic and international problems facing Russia today Evaluating the regime s continued efforts to rebuild a country in shambles the contributors consider a comprehensive array of economic political and

social issues In addition to updated core chapters the book includes new essays on Putin's leadership law foreign policy and the decline of democracy The book concludes that Putin will continue to address his country's problems in an incremental and centralized manner as he moves toward his goal of restoring Russia to the status of a world power Russia Thomas F Remington, 2015-07-22 Highly regarded for its comprehensive coverage up to date scholarship and comparative framework Politics in Russia is an authoritative overview of Russia's contemporary political system and its recent evolution Area specialist Thomas Remington focuses on four areas of change in this text state structure regime change economic transformation and identity to offer a dynamic context for analyzing the post Soviet era With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends no other text guides students through the complexities and ambiguities of Russian politics today like Politics in Russia Transitional <u>Justice for Israel/Palestine</u> Jeremie Bracka, 2022-01-01 This book applies the dynamic field of transitional justice to conflict resolution in Israel Palestine Around the globe diverse societies have pursued truth telling restorative justice and reconciliation to end conflict yet the language of transitional justice has been all but absent in Israel Palestine This volume squarely addresses how transitional justice could contribute to conflict transformation and accountability incorporating the questions of collective justice memory and human rights It covers the most important historical and legal issues facing Israel Palestine with a focus on civil societies in South Africa Northern Ireland and Latin America Ultimately the book proposes an unofficial Israeli Palestinian Truth and Empathy Commission IPTEC to address gross human rights abuses committed by both nations Transitional Justice for Israel Palestine will be of interest to researchers NGOs and policy makers working in transitional justice and societies with ongoing conflict **Suffering Victory** Guillaume Sauvé, 2025-05-15 Suffering Victory recounts the commitment of Soviet liberal intellectuals to democratic transition during the effervescent period of perestroika and in the first years of post Soviet Russia to the rise of Boris Yeltsin and the dissolution of the USSR Guillaume Sauv argues that late Soviet liberalism was mainly nourished by the legacy of humanistic socialism combining Enlightenment ideals and Romantic aspirations and concludes that the distinguishing feature is its assumed moralism After encouraging the concentration of power in the hands of the Russian president and an enlightened elite liberal intellectuals undermined their own democratic project and were pushed aside from decision making while being rejected by most of the population for having supported a course of reforms that did not fulfill its promises As Suffering Victory shows the success of Russia s liberal intellectuals against the Communist Party came at the price of a decline deeper and more lasting than in most post communist countries Following the full scale invasion of Ukraine in February 2022 the fate of late Soviet liberals sheds crucial light on the prospects of liberal reforms in Russia today Routledge Handbook of Russian Politics and Society Graeme Gill. James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the

cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

Putin's Russia Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised expanded and updated sixth edition this classic text provides the most authoritative and current analysis available of the challenges facing Russia today Leading scholars explore the daunting domestic and international problems confronting Putin Evaluating the regime s continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin has his own approach for dealing with the myriad problems facing Russia emphasizing recentralization of power and a strong state He has returned to power amid unresolved policy issues both domestically and from the international community Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country s trajectory Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia Contributions by Alfred Evans Kathleen J Hancock Timothy Heleniak Kathryn Hendley Dale R Herspring Janet Elise Johnson Taylor Ren Lane Maria Lipman Jeffrey Mankoff Alexander M Nikulin Alexandra Novitskaya Nikolai Petrov Thomas F Remington Richard Sakwa Louise Shelley Darrell Slider Pekka Sutela Andrei P Tsygankov Stephen K Wegren

### Russias Liberal Project State Society Relations In The Transition From Communism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russias Liberal Project State Society Relations In The Transition From Communism PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the

most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russias Liberal Project State Society Relations In The Transition From Communism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russias Liberal Project State Society Relations In The Transition From Communism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
