Rusty Bolt and New Hope R. Evans Pansing, 2011-05-25 The world is slowly dying Populations are swelling to unsustainable numbers Terror and violence has taken over many cities and towns As the men and women of the Galactic Exploration and Search Unit attempt to soothe the masses they inform everyone that colonization on other worlds is the answer But with no habitable planet in sight all hope seems lost Not everyone has given up yet Rusty Bolt captain and master pilot of the Hope Merchant his co pilot Joel Carr and their dedicated crew begin a space trek with the goal of colonizing a new world As the ship begins its journey all seems well until reserve water bottles begin to disappear The crew realizes a stowaway must be on board After they finally locate the stowaway they make a shocking discovery she is the daughter of the minister of defense Yet just when everything appears to be resolved a rabid official intent on creating a kingdom of his own makes an appearance

relates Rusty's plight. Despite repeated incarcerations in a frightful state mental institution and the toxic effects of drugs she never lost her sense of humanity or her strong desire to help others. Gino's deep distrust of the medical establishment, her fervent attachment to nursing, and her conviction that the patient knows best are themes that are interwoven into the emotional story of Rusty's fight for a normal life. The Family in English Children's Literature Ann Alston, 2008-06-03 From the trials of families experiencing divorce as in Anne Fine's *Madame Doubtfire* to the childcare problems highlighted in Jacqueline Wilson's *Tracy Beaker*, it might seem that the traditional family and the ideals that accompany it have long vanished. However, in *The Family in English Children's Literature*, Ann Alston argues that this is far from the case. She suggests that despite the tales of family woe portrayed in children's literature, the desire for the happy, contented nuclear family remains inherent within the ideological subtexts of children's literature. Using 1818 as a starting point, Alston investigates families in children's literature at their most intimate, focusing on how they share their spaces, their ideals of home, and even on what they eat for dinner. What emerges from Alston's study are not so much the contrasts that exist between periods but rather the startling similarities of the ideology of family intrinsic to children's literature. *The Family in English Children's Literature* sheds light on who maintains control, who behaves, and how significant children's literature is in shaping our ideas about what makes a family good.

Rusty Cindy Devereaux, 2013-08-06 My little dog's heartbeat at my feet. Edith Wharton. This story begins in Brooklyn, New York. Rusty, a terrier-chow mix, could be described as a family member, loyal companion, teacher, best friend, and quite possibly the neighborhood mascot. If the proverb "it takes a village to raise a child" could be paraphrased and "dog" substituted for "child," it would describe Rusty's relationship with his neighbors. They looked after him as if he were their own, giving him walks, rides, play dates, and treats. His owners adored him. Children made sure to visit him every day on their way home from school, and on those rare occasions when he ran away, search parties were formed to bring him back home. He was known for his playfulness and sweet disposition. When family members had emotional challenges, he stayed by their sides. A channeled message from Archangel Michael at an International Angel Day workshop said, "Don't worry about Rusty; the angels are looking after him." The reason for this message became clear two years later when Rusty's idyllic lifestyle was surprisingly interrupted. That situation was turned around when one of his owners remembered to call on the angels. They answered, saved him, and fulfilled Archangel Michael's promise. That is why his story is called *Rusty: A Dog and His Angels*.

The 5th of July R.K. Lindsey Jr., 2014-02-13 Robert K. Lindsey is a *keiki o ka inā*, a child of the land, born in Hilo on the biggest Hawaiian island and raised in Waimea at the foothills of the Kohala mountains. Waimea was a quiet and quaint paniolo cattle town when he was growing up there, and Parker Ranch was the foundation of the community.

And though the place has changed across time its beauty still abounds Lindsey says he suffers from island fever and Im glad I do Mark Twain described Hawaii as the loveliest fleet of islands that lies anchored in any ocean Twain is one reason Ive never ventured far from home He convinced me early on that all I need is right here Im stuck to this rock called Hawaii forever In his work life Lindsey has strived to serve the interests of his Ihu people to the best of his abilities first as a social worker with the Family Court of the Third Circuit then as a park ranger with the National Park Service at Puukohol Heiau National Historic Site He also served as the land assets director Hawaii Island with Kamehameha Schools 19942004 and is currently a trustee with the Office of Hawaiian Affairs 20052013 He is also a Hawaiian Home Lands lessee 19862085 Lindsey believes that as Hawaiian Americans living in a globalized world for the sake of Mother Earth and our children the pono right thing for us to do is to let bygones be bygones and to forgive but not forget the sins of yesteryears that were committed against us We must live joyously in the moment and look with hope and optimism to the future Its said the one constant in life is change One of the lesser fictionalized characters in The 5th of July is Abigail Hathaway McMoore Her takeaway lesson for us is this for the sake of our children and the children of the world we should not be bitter toward change but embrace it be its advocate not its victim its champion not tormentor its friend not adversary As a contemporary Hawaiian I subscribe to that philosophy The 5th of July is Lindseys second book His first title Latitude 20 04N Longitude 155 71W was published in 2013
