Ruth Thru The Bible Commentary Series Volume 11:

A Layman's Look at Ruth Benjie Ewing, 2022-04-19 A Layman's Look at Ruth provides pastors Sunday school teachers evangelists and any student of the Bible with a comprehensive insight into the story of Ruth and her kinsman redeemer Boaz She journeys to a land foreign to her with her mother in law Due to her faith in the God of Israel she and her mother in law are sustained She eventually learns that Boaz is a relative of her late husband and that she has the right to claim him as her husband She does and her family becomes part of the lineage of King David and the Lord Jesus She is faithful when many would have faltered and she is loyal to her family and her God It is a story of love and suspense and this simple commentary's goal is to give readers a better understanding of this wonderful book **The Layman's Christology of the Pentateuch**

Pastor David L. Carpenter, Jr., 2014-04-10 The book was written in light of the many challenges I faced as a student in seminary I found it quite difficult to find books on simple Christology Not only were the numbers of available Christological books few but when I did find books they represented very little Christology and referenced much theology and unnecessary reading What I needed was a resource with reference to help me out and not a scholarly work that embedded denominational values I needed a book that condensed many different Christological viewpoints into an easy to read resource that was practical applicable and with cross reference information That is why I penned this book The book is an assimilation of my Christological studies with secondary resources Therefore the book is short rich in information and short in explanation intentionally done as a reference resource The book is intended to stimulate the undergraduate and graduate student The book has been very useful for some of my friends regarding Bible study and Sunday morning sermons The resource is well displayed in the table of contents and easy to understand The book gives examples of Christological studies throughout the Pentateuch The book is by no means an exhaustive resource but one that lifts the fingerprints of Christ's presence in the OT while still allowing for the reader to make their own Christological discoveries *The Branch Exposition of the Bible,*

Volume 1 Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap *The Branch Exposition of the Bible* is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture *The Birth Report Genre in the*

Hebrew Bible Timothy D. Finlay, 2005 Timothy D Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible These passages include genealogies stories of annunciation to barren women and prophetic narratives The birth reports may be short but they contribute greatly to the plot BOOK JACKET *Through the Lens of An Ancient Yisra'elite Bible Study* Benjamin Nieves Carrasquillo Jr., 2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite *The Branch Exposition of the Bible, Volume 2* Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike **Feminist Frameworks and the Bible** L. Biblical World William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1905 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 *Mothers on the Margin?* E. Anne Clements,2014-05-01 The Gospel of

Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their

inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew's Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel's identity in terms of ethnicity marginality and gender The women signal that Matthew's Gospel is concerned with the construal of a new identity for the people of God Voices Long Silenced Joy A. Schroeder, Marion Ann Taylor, 2022-02-15 Hundreds of women studied and interpreted the Bible between the years 100-2000 CE but their stories have remained largely untold In this book Schroeder and Taylor introduce readers to the notable contributions of female commentators through the centuries They unearth fascinating accounts of Jewish and Christian women from diverse communities rabbinic experts nuns mothers mystics preachers teachers suffragists and household managers who interpreted Scripture through their writings This book recounts the struggles and achievements of women who gained access to education and biblical texts It tells the story of how their interpretive writings were preserved or all too often lost It also explores how in many cases women interpreted Scripture differently from the men of their times Consequently Voices Long Silenced makes an important new contribution to biblical reception history This book focuses on women's written words and briefly comments on women's interpretation in media such as music visual arts and textile arts It includes short representative excerpts from diverse women's own writings that demonstrate noteworthy engagement with Scripture Voices Long Silenced calls on scholars and religious communities to recognize the contributions of women past and present who interpreted Scripture preached taught and exercised a wide variety of ministries in churches and synagogues

Vindicating the Vixens Sandra Glahn, 2017-12-08 Gain a greater understanding of gender in the Bible through the eyes of a diverse group of evangelical scholars who assert that Christians have missed the point of some scriptural stories by assuming the women in them were bad girls Did the Samaritan woman really divorce five husbands in a world where women rarely divorced even one Did Bathsheba seduce King David by bathing in the nude Was Mary Magdalene really a reformed prostitute While many have written studies of the women in the Bible this is a new kind of book one in which an international team of male and female scholars look afresh at vilified and neglected women in the Bible The result is a new glimpse into God's heart for anyone male or female who has limited social power The Literary World, 1882 **Subject Guide to Books in Print**, 1997 Our Day, 1900 **Kierkegaard's Incarnational Mission** Michio Ogino, 2025-06-30 One lacuna in Søren Kierkegaard scholarship is in analyzing his works with his self-described identity as a missionary to Christendom in mind Challenging the international connotation of the term missionary Dr Michio Ogino examines Kierkegaard's works in which he identified himself as a missionary writer to reveal how he considered being a missionary an integral part of being a Christian By chronologically and empirically examining the writings of Søren Kierkegaard Dr Ogino argues that Kierkegaard not only proclaimed Jesus Christ in his homeland but did so in a manner similar to how Christ had done on earth incarnating the Christian message for his contemporaries Through this provocative exploration Ogino lays out how the application of

Kierkegaardian mission can help to overcome five recognized barriers in Japanese evangelization Kierkegaard scholars and readers will find a new understanding of the motivations and reasoning behind his works and missionaries not only to Japan but all nations will be encouraged in how his approach can be applied in their context
