Family, Gender and Kinship in Australia Allon J. Uhlmann,2016-04-15 This ethnographically based exploration draws on sociological historical and demographic data to provide a comprehensive analysis of family gender and kinship in Australia which informs modern kinship and gender at large Allon Uhlmann charts the cultural basis that underlies kinship practices and argues that the Australian family is characterized by deep cultural and social continuities rather than the common view that the family is undergoing substantial change He further shows how the modern family both shapes and is shaped by broad social and economic processes This analysis provides greater insight into this critical field of practice as well as showcasing a novel analytical approach to practice that is rooted in the sociology of practice and in the anthropology of cognition The book also suggests changes to the way in which social scientists currently treat family and kinship

Mythic Moment James D. Hardy, Jr.,2007-02-26 While moments come and go and popular trends are created only to be consumed and replaced a small handful of events are able to transcend place and time to become widely shared cultural touchstones Baseball with its longevity reverence for character and perseverance and symbolism of American values has produced a number of these modern myths people games and events that transcend society s love for the ephemeral to attain collective cultural significance The Babe s called shot and Ripken s 2 131st are more than significant moments in baseball They are culturally relevant events that contribute to an American mythology This book examines how certain baseball moments became mythic and why some moments are culturally persistent while others are limited in importance to the confines of sport After a discussion of baseball in myth and memory and the effect of the media on both chapters draw a distinction between the merely famous or infamous and the mythic act whether it s physical Bobby Thomson or symbolic Jackie Robinson matchups whether individual Alexander vs Lazzeri or team Red Sox Yankees 1978 playoff clubs both those that achieved 1927 Yankees and that choked 1964 Phillies and franchises including the winners Yankees and the losers Cubs

Vassar Quarterly ,1917 Ty and the Babe Tom Stanton,2024-05-01 Tom Stanton s Ty and The Babe tells of the incredible saga of baseball s fiercest rivals the forging of a surprising friendship and the battle for the 1941 Has Beens Golf Championship Early in the twentieth century fate thrust a young Babe Ruth into the gleaming orbit of Ty Cobb The resulting collision produced a dazzling explosion and a struggle of mythic magnitude At stake was not just baseball dominance but eternal glory and the very soul of a sport For much of fourteen seasons the Cobb Ruth rivalry occupied both men and

enthralled a generation of fans Even their retirement from the ball diamond didn't extinguish it On the cusp of America's entry into World War II a quarter century after they first met at Navin Field Cobb and Ruth rekindled their long simmering feud this time on the golf course Ty and Babe battled on the fairways of Long Island New York Newton Massachusetts and Grosse Ile Michigan in a series of charity matches that spawned national headlines and catapulted them once more into the spotlight Ty and The Babe is the story of their remarkable relationship It is a tale of grand gestures and petty jealousies superstition and egotism spectacular feats and dirty tricks mind games and athleticism confrontations conflagrations good humor growth redemption and ultimately friendship Spanning several decades Ty and The Babe conjures the rollicking cities of New York Boston and Detroit and the raucous world of baseball from 1915 to 1928 as it moved from the Deadball days of Cobb to the Lively Ball era of Ruth It also visits the spring and summer of 1941 starting with the Masters Tournament at Augusta National where Cobb formally challenged Ruth and continuing with the golf showdown that saw both men employ secret weapons On these pages author Tom Stanton challenges the stereotypes that have cast Cobb forever as a Satan and Ruth as a Santa Claus Along the way he brings to life a parade of memorable characters Bobby Jones Walter Hagen Grantland Rice Tris Speaker Lou Gehrig Will Rogers Joe DiMaggio a trick shot shooting former fugitive and a fifteen year old caddy with an impeccable golf lineage No other ball players dominated their time as formidably as Ty Cobb and Babe Ruth Even today many decades since either man walked this earth they tower over the sport Who was better Who was the greatest Those questions followed them throughout their baseball careers into retirement and onto the putting greens That they linger yet is a testament to their talents and personalities

Fall Classics Bill Littlefield, Richard Johnson, 2007-12-18 Long before there was the Super Bowl the NBA Championship the Final Four or the World Cup there was the World Series In the beginning men in derbies sat in the outfield and marveled at Mathewson and McGraw Today fans congregate in sports bars staring at screens big enough to see which players have shaved that day For a century the World Series has captured

the nation's imagination The drama has included Willie Mays's catch of course and Reggie Jackson's home runs and the gratifying day when Walter Johnson finally won But the plot lines have also featured the audacious fixing of the 1919 Series and the unlikely heroics of various journeymen never much heard of before the span of a few brilliant autumn days and never much heard of since There has been one perfect game There have been any number of perfectly inexplicable managerial decisions not all of them made by managers of the Red Sox There has been drama comedy and pathos Fall Classics is a collection of the best writing about the World Series in its first hundred years Certainly it is a kind of history of the event It is also a catalog of the work of some of the most accomplished and entertaining writers of the past century since the World Series has drawn to itself not only our best sports scribblers but many writers who wouldn't have dreamed of writing about the Stanley Cup Playoffs the Final Four or even the Super Bowl Here you'll find Jimmy Breslin telling Damon Runyon's fantastic story of how he got the scoop on where Grover Cleveland Alexander spent the first innings of a seventh game he eventually won Hint It wasn't the bullpen Satchel Paige recalls his experience of finally getting to pitch in the Series in 1948 Red Smith writes about Willie Mays's last hurrah with the Mets in 1973 against the A's And Peter Gammons and Roger Angell give their takes on the two most famous game sixes of all Gammons on 1975 and Angell on 1986 The games and the memories go on For every fan whose heart yearns for a bleacher seat a ballpark frank and a slice of October Americana Fall Classics is a treasure

Herstories on Screen Kathleen Cummins, 2020-05-19 From the late 1970s into the early 1990s a generation of female filmmakers took aim at their home countries popular myths of the frontier Deeply influenced by second wave feminism and supported by hard won access to governmental and institutional funding and training their trailblazing films challenged traditionally male genres like the Western Instead of reinforcing the myths of nationhood often portrayed in such films invariably featuring a lone white male hero pitted against the savage and uncivilized native terrain these filmmakers constructed counternarratives centering on women and marginalized communities In place of rugged cowboys violently removing indigenous peoples to make the frontier safe for their virtuous wives and daughters these filmmakers told

the stories of colonial and postcolonial societies from a female and or subaltern point of view *Herstories on Screen* is a transnational study of feature narrative films from Australia Canada the United States and New Zealand Aotearoa that deconstruct settler colonial myths Kathleen Cummins offers in depth readings of ten works by a diverse range of women filmmakers including Jane Campion Julie Dash Merata Mita Tracey Moffatt and Anne Wheeler She reveals how they skillfully deploy genre tropes and popular storytelling conventions in order to critique master narratives of feminine domesticity and purity and depict women and subaltern people performing acts of agency and resistance Cummins details the ways in which second wave feminist theory and aesthetics informed these filmmakers efforts to debunk idealized Anglo Saxon femininity and motherhood and lay bare gendered and sexual violence and colonial oppression
