## **Sabbath Sense A Spiritual Antidote For The Overworked:**

Sabbath Sense Donna Schaper,1997 The reality of Sabbath as a day of rest has been lost in our busy society but the sense of Sabbath as spiritual leisure is very much needed in our time starved world Donna Schaper maintains that Sabbath moments are any moments that actively include the presence of God By presenting solutions to overwork Sabbath Sense is the perfect antidote to anxieties felt in two career families *The Sense of the Call* Marva J. Earle,2004-10-01 A practical and spiritual guide to find God during times of health crisis or chronic disease In 1995 Mary Earle was hospitalized with acute pancreatitis When she was able to return home she still faced a long recovery She had to stay in bed most of the time and eating was difficult some days The busy life she had always known was gone and she had to begin again Like others who suffer from serious or chronic conditions Mary Earle found that living with illness can require major adjustments in life Using St Benedict s ancient Rule his

way of ordering the life and days of religious communities Beginning Again teaches readers how to discern a rule of life that helps them with changes in resting and activity levels with food restrictions and requirements for medicine or medical treatment The ancient Benedictine concepts of stability obedience and conversion can help anyone living with illness even those who are dying Beginning Again is a practical resource written for those who know little about St Benedict and his Rule of Life with exercises to help readers discover how to live with God at the center of their lives and illnesses It is useful for those living with illness and for clergy counselors and spiritual directors who care for them Wrestling the Light , Loder gives expression to the depths and joys of the human struggle in these intensely personal prayers complimented by six powerful stories

**Holy Day, Holiday** Alexis McCrossen,2018-08-06 The mass protests that greeted attempts to open the 1893 Chicago World s Fair on a Sunday seem almost comical today in an era of seven day convenience and twenty four hour shopping But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social religious and class interests against one another Whether observed as a day for rest or time and a half Sunday has always been a day apart in the American week Supplementing wide ranging historical research with the reflections and experiences of ordinary individuals Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800 She investigates cultural phenomena such as blue laws and the Sunday newspaper alongside representations of Sunday in the popular arts Holy Day Holiday attends to the history of religion as well as the histories of
