Sachin Tendulkar Ayaz Memon, Indranil Rai, 2013-12-02 From his appearance on the firmament as a 16 year old Tendulkar has been a beacon for the new India When India won the Cricket World Cup in 2011 an abiding image from the celebrations was of the Indian cricket team carrying Sachin Tendulkar on their shoulders around Wankhede stadium Tendulkar was not the captain of the team and the victory had been a team effort But for the players the victory was a gift to a man arguably India's greatest cricketer and inarguably one of the very greatest in the world Sachin Tendulkar's story may have been told many times but it never stops delighting the cricket fan In the 25 years that Tendulkar has played cricket there is almost no existing batting record that he has not broken or no impossible record that he has not set He has even changed the way money and endorsements entered the game At the same time his incredible batting skills have kept him rooted in the fine traditions of cricket Some say that one runs out of words when describing Sachin Tendulkar's prowess and achievements Others may more emphatically claim that there simply aren't enough words to talk about this incredible cricketer Ayaz Memon one of India's most prolific journalists brings with him 33 years of experience in sports writing He started his career covering sports and went on to edit newspapers like Mid Day Bombay Times and DNA as well as magazines like Sportsweek Ayaz was also sports editor for the Times of India and the Independent at various stages He is currently consulting editor with NewsX Indranil Rai is a freelance journalist with an undying passion sports especially cricket

Fab Five Aditya Bhushan, Editor: Sachin Bajaj, 2024-08-14 Fab Five is the story of the power packed batting lineup of the Indian team comprising of Sourav Ganguly Virender Sehwag Sachin Tendulkar VVS Laxman and Rahul Dravid each of them legends in their own rights The book goes back to Mahabharat and draws a parallel from the Pandavas who were legendary warriors Based on their distinctive traits each member of the Fab Five is equated to one of the Pandavas Ganguly as Yudhishtir Sehwag as Bheem Tendulkar as Arjun Laxman as Nakul and Dravid as Sahadev Together they scripted some of the most famous victories in the history of Indian cricket While it was a collective team effort that led to the success and the contribution of other players were equally crucial but it would not have been possible without

this strong batting line up With the emergence of Fab Five the days when India s batting had a huge dependency on Tendulkar s shoulders was a thing of the past Each member of the Fab Five could win the match single handedly on their day Ganguly s lofted sixes Sehwag s aggression Tendulkar s impeccable straight drives Laxman s artistry and Dravid s assuring defense were a treat to the eyes of the cricket fans It is a humble tribute to these five legends and a celebration of their contribution to Indian cricket

Nation at Play Ronojoy Sen,2015-10-27 Reaching as far back as ancient times Ronojoy Sen pairs a novel history of India s engagement with sport and a probing analysis of its cultural and political development under monarchy and colonialism and as an independent nation Some sports that originated in India have fallen out of favor while others such as cricket have been adopted and made wholly India s own Sen s innovative project casts sport less as a natural expression of human competition than as an instructive practice reflecting a unique play with power morality aesthetics identity and money Sen follows the transformation of sport from an elite kingly pastime to a national obsession tied to colonialism nationalism and free market liberalization He pays special attention to two modern phenomena the dominance of cricket in the Indian consciousness and the chronic failure of a billion strong nation to compete successfully in international sporting competitions such as the Olympics Innovatively incorporating examples from popular media and other unconventional sources Sen not only captures the political nature of sport in India but also reveals the

patterns of patronage clientage and institutionalization that have bound this diverse nation together for centuries

The Art of Centuries Steve James, 2015-04-09 A century has always had a special resonance in all walks of life and none more so than in cricket Scoring one hundred runs is the ultimate for a batsman As former England captain Andrew Strauss admits it is incredibly hard to do for Ricky Ponting it is a transformational moment in the career of a cricketer Or in the words of Geoffrey Boycott a century has its own magic In *The Art of Centuries* Steve James applies his award winning forensic insight to the very heart of batting Through interviews with the leading run scorers in cricket history and his own experiences Steve discovers what mental and physical efforts are required to reach those magical three figures Despite his own haul of 47 first class tons he himself felt at times that he was poorly equipped for the task So working out how to score centuries is an art And bowlers might not agree but there really is no better feeling in cricket

Shah Rukh Can: The Story of the Man and Star Called Shah Rukh Khan Mushtaq Shiekh, This book is the best window into Shah Rukh Khan's inner world and soul Mushtaq being a friend of the family is the best artist for this family portrait portrayal If Shah Rukh Khan has been known for his non stop talk then writer Mushtaq Sheikh too doesn't appear far behind when it comes to translating his thoughts into words He writes and writes and then further writes about Shah Rukh something that makes one feel that more than a friend and a colleague Mushtaq looks at Shah Rukh as a hero Someone who is not just his hero but also an entire country's correction entire world's hero It is this very fan factor that makes *Shah Rukh Can* a read that seems to be coming straight from an admirer's heart What makes this book special is that a lot of the material words and pictures is stuff that we haven't seen before There are some things even Google's search algorithms cannot find But Mushtaq Shiekh can From a book that claims to talk about *The Life and Times of Shah Rukh Khan* the least you expect is some trivia from the actor's life both personal and professional about which not much has been written about in the past The kind which makes you wonder if something like that had really happened in the actor's life Thankfully Mushtaq extracts quite some trivia out of the actor's life So you get to know how Shah Rukh was offered the role of Anil Kapoor's car driver in 1942 *A Love Story* which he rejected of course Eventually Raghuvir Yadav did that role Or how Shah Rukh completely surrendered to the director's vision and withdrew himself when he couldn't follow the trajectory of Subhash Ghai's *Pardes* It's a different matter though that Shah Rukh was appreciated for his performance in the film but so was he in *Karan Arjun* too which by the way he dared not watch over the years because he didn't connect with the role There are number of such little instances that make *Shah Rukh Can* an interesting read But is it just about the actor and the trivia around his life Not at all One of the unexplored facets of Shah Rukh that is covered in the book in extensive detail is his views around acting v/s performances This book is the best window into Shah Rukh Khan's inner world and soul Mushtaq being a friend of the family is the best artist for this family portrait It's almost like having Shah Rukh Khan over for coffee Karan Johar Compelling A story you need to read if you feel the need to be inspired Tabu This book catches Shah Rukh Khan in his personal and professional space with versatile ease Subhash Ghai A
