Two Hundred Years of Pushkin: Alexander Pushkin : myth and monument Joe Andrew, Robert Reid, 2003 Puskin s poetry prose and drama frequently draw upon myths of classical antiquity myths of modern European culture grand narratives such as the Don Juan legend and Dante s Inferno as well as uniquely Russian myths The contributors to this volume explore these myths from a variety of critical viewpoints and highlight the specific ways in which Pushkin uses myth among these his recurrent emphasis on the symbolism of monuments and statuary A Bibliography of Alexander Pushkin in English, 1999 A Bibliography of Anton Chekhov in English Studies Translations Reviews and Notes is offered in three appropriate parts Part One Studies comprises sections for book length bio literary studies and bio literary articles introductions comparative studies Russian and foreign memoirs popular studies general and individual studies of Chekhov s plays and short stories studies of his non fiction letters notes and diaries and special categories film language and stylistics documents and documentation translation studies dissertations bibliography and collections Part Two Translations is divided into general collections drama collections individual dramas story collections individual stories non fiction letters notes and diaries and film Part Three Critical Reviews provides a comprehensive selection of the most significant reviews in major English language newspapers and journals through the year 1993 It is not possible to provide a comprehensive selection of an estimated 350 000 reviews of Chekhov plays 1994 2003 but an attempt has been made to provide a representative sampling of reviews in major newspapers and current periodicals Citations throughout this Bibliography are full and unabbreviated the intent being to provide access to each work in every appropriate category without complicating the search

process with confusing cross listings Entries for collections are accompanied by listings of contents in the order given in tables of contents or alphabetically Entries for collections provide a base for subsequent listings of individual major works for addition of subsequent editions reprints and re publications Translations of plays are categorized by their most commonly known English titles and cited within categories by the English title given for a particular translation English titles of stories have not been rationalized in this way because the large number of Chekhov s stories would require division of the section on individual stories into virtually hundreds of sub sections Instead stories are listed in alphabetical order by the various English titles given for a particular translation *Soviet Literature* ,1984 **Two Hundred Years of Pushkin, Volume II** ,2021-11-01 Pushkin s status as the founding father of Russian literature owes much to his stylistic and linguistic innovations across a wide range of literary genres But equally important is the influence he exerted on his successors via his exploitation of myth in its widest sense His poetry prose and drama frequently draw upon myths of classical antiquity myths of modern European culture grand narratives such as the Don Juan legend and Dante s Inferno as well as uniquely Russian myths particularly those associated with St Petersburg and its founder Peter the Great It was through the elaboration of such myths that Russia attained to a sense of both its cultural uniqueness and its inscription in the broader context of European culture The contributors to Alexander Pushkin Myth and Monument explore these myths from a variety of critical viewpoints and highlight the specific ways in which Pushkin uses myth among these his recurrent emphasis on the symbolism of monuments and statuary famously referred to by Roman Jakobson as Pushkin s sculptural myth Alexander Pushkin Myth and Monument is the second volume devoted to Pushkin published in the SSLP series the first being Pushkin s Secret Russian Writers Reread and Rewrite Pushkin A third volume Pushkin s Legacy will follow *Critical Survey of Literary Theory: Authors*, A-Sw Frank Northen Magill,1987 **Political History and Culture of Russia** ,1998 Scholarly articles dealing with political events in Russia up to 1991 *The Book Review* ,1983 **The Poetry Review** ,1984 **The Poetry Review** Stephen Phillips,Galloway Kyle,Harold Monro,1984 *Reference Guide to World Literature* Lesley Henderson,Sarah M.
